The Honorable Phil Mendelson

**SUBJECT: Second Quarter FY 2015 Status Report on the Emergency and Contingency
Cash Reserve Funds as of March 31, 2015**

Dear Mayor Bowser and Chairman Mendelson:

Enclosed is the status report on the monthly activities and balances in the District of Columbia's Emergency and Contingency Cash Reserve Funds as of March 31, 2015. The numbers contained in this status report are preliminary and unaudited.

Summary and Background

The Emergency Cash Reserve Fund may be used for unanticipated and nonrecurring extraordinary needs of an emergency nature, including a natural disaster or calamity and unexpected obligations created by federal law. The Contingency Cash Reserve Fund may be used for nonrecurring or unforeseen needs that arise during the fiscal year, including natural disasters, unexpected obligations created by federal law, new public safety or health needs identified after the budget process has occurred, and revenue shortfalls experienced by the District for three consecutive months that are 5 percent or more below the budget forecast. Both funds may be used for cash flow management purposes.

The District is required to maintain minimum balances (including required replenishment of permitted draws) in the Emergency and Contingency Cash Reserve Funds of 2 percent and 4 percent, respectively, of Local Fund operating expenditures less repayment of bonds and interest, for which a separate reserve fund is already established. The minimum levels are based on the operating expenditures contained in the most recently published Comprehensive Annual Financial Report (CAFR) of the District for the fiscal year immediately preceding the current fiscal year.

The year-end FY 2014 CAFR fund balances included \$116.0 million for the Emergency Cash Reserve Fund and \$239.4 million for the Contingency Cash Reserve Fund, for a combined total of \$355.4 million.

As of March 31, 2015, the second quarter FY 2015 reserve fund balances were as follows:

Emergency Reserve Fund	\$116.1 million
Contingency Reserve Fund	<u>228.4 million</u>
Total	<u>\$344.5 million</u>

The following is a discussion of activities for the fiscal year through March 31, 2015 and resulting balances in the Emergency and Contingency Cash Reserve Funds.

Emergency Cash Reserve Fund

The FY 2014 Emergency Cash Reserve CAFR fund balance of \$116.0 million increased by the amount of investment earnings of \$55,208.

Contingency Cash Reserve Fund

The FY 2014 Contingency Cash Reserve CAFR fund balance of \$239.4 million decreased to \$228.4 million as of March 31, 2015. The net decrease was the result of \$11.0 million drawn from the reserve during the fiscal year offset by investment earnings of \$35,767.

During the second quarter, draws were as follows:

- In January, a draw for \$3.3 million to the Department of Public Works to fund snow removal.
- In January, a draw for \$0.1 million to the Office of the Mayor to fund memorial services for Councilmember and former Mayor Marion Barry, Jr.
- In January, a draw for \$0.1 million to the Board of Elections for the Ward 8 special election.

March 31, 2015 Combined Balances

In summary, the March 31, 2015 fund balances for the Emergency and Contingency Cash Reserve Funds were \$116.1 million and \$228.4 million, respectively. The combined total was \$344.5 million.
