Transmittal Letters

MURIEL BOWSER
MAYOR

April 2, 2015

The Honorable Phil Mendelson, Chairman
Council of the District of Columbia
1350 Pennsylvania Avenue, NW
Washington, DC 20004

Dear Chairman Mendelson:

On behalf of the residents of the District of Columbia, I am pleased to submit to you the District of Columbia Fiscal Year 2016 Budget and Financial Plan, entitled "Pathways to the Middle Class." Included in the submission you will find the "Fiscal Year 2016 Budget Request Act of 2015" and the "Fiscal Year 2016 Budget Support Act of 2015".

This proposal is the District of Columbia's twentieth consecutive balanced budget and represents a Fresh Start. As you know, the District faced a budget gap of \$193 million for FY 2016. This budget solves the gap and funds initiatives to prioritize affordable housing, preserve funding for education and public safety, and make investments to put DC on a path to end homelessness and improve our aging infrastructure. Each of these items was a key priority identified by District residents at the Mayor's public engagement forums held during the budget formulation process.

There are five overarching values that guide this budget and provide pathways to the middle class. These are improving: Education; Economic Opportunity; Public Safety; Neighborhoods; and the Environment and Infrastructure. Making investments in these priority areas will help ensure that our residents have a clearly defined pathway to the middle class and that DC remains a great place to live, work and play.

Below are some of the key investments in the FY 2016 Budget that help us to reach those goals:

Education

The FY 2016 budget ensures that funding for public education remains a top priority for the District and includes:

- \$31.4 million for increased enrollment at both DC Public Schools and DC public charter schools.

- \$317.3 million to modernize our elementary, middle and high school facilities.
- \$200,000 to expand the community schools model – which provides non-instructional wrap-around services to school children and their families to help them succeed — to an additional school.

Economic Opportunity

The FY 2016 budget makes investments to enhance job training services for our youth and helps put DC on a path toward ending homelessness for some of our most vulnerable families and individuals and includes:

- \$5.2 million to continue the expansion of the Marion Barry Summer Youth Employment Program by expanding the program to cover 21-24 year olds, raising the hourly wage to \$8.25 per hour for 16-21 year olds, and providing 6 weeks of transportation subsidies.
- \$1.5 million to expand career exploration, paid work experiences, self-advocacy training and work readiness training for high school students with disabilities.
- \$44.9 million in both capital and operating funds to create new family shelter options to replace DC General.
- \$13.7 million to begin funding DC's strategic path to end homelessness including funds for new prevention and rapid re-housing assistance for families and individuals, permanent supportive housing for families and individuals, targeted affordable housing units and a new daytime center for individuals to obtain social, housing, and employment supports.

Neighborhoods

The FY 2016 budget makes significant investments in affordable housing and neighborhood infrastructure to ensure our neighborhoods are affordable and attractive places to call home. This includes:

- Additional investment to the Housing Production Trust Fund that will provide \$100 million in resources to help create and preserve low- and moderate-income housing.
- \$166 million in capital funds over six years to upgrade alleys, sidewalks, and roads.
- \$2.4 million to provide rental assistance to low-income individuals and families.

Public Safety

The FY 2016 budget makes important investments in our front-line public safety workers with:

- \$5.1 million to increase the number of body-worn cameras for Metropolitan Police Department patrol officers.
- \$2.9 million to hire 48 new civilian positions within the Metropolitan Police Department, allowing more sworn officers to move from the desk to the street.
- \$2.5 million for a new Police Officers' Retention Pilot Program.

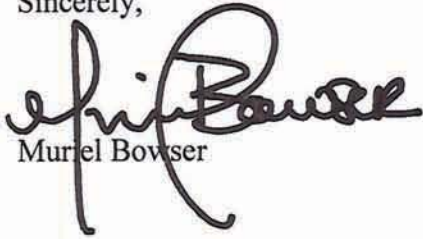

Environment and Infrastructure

The FY 2016 budget also includes important investments to improve our infrastructure including:

- \$323.4 million to fully fund the District's contribution to the Washington Metropolitan Area Transit Authority (WMATA) to prevent increases in fares or service reductions to Metrorail and Metrobus service.
- \$7.0 million to expand the Kids Ride Free program to Metrorail.

I look forward to the Council's review of this proposal and to working together to finalize and execute our budget for Fiscal Year 2016. Together, I know that we can work to help residents in every ward advance by ensuring they have the tools and resources they need to succeed, right here in the District.

Sincerely,

Muriel Bowser

GOVERNMENT OF THE DISTRICT OF COLUMBIA
OFFICE OF THE CHIEF FINANCIAL OFFICER

Jeffrey S. DeWitt
Chief Financial Officer

April 2, 2015

The Honorable Muriel Bowser
Mayor of the District of Columbia
John A. Wilson Building
1350 Pennsylvania Avenue, N.W., 306
Washington, DC 20004

Dear Mayor Bowser:

I am pleased to transmit the Fiscal Year 2016 Proposed Budget and Financial Plan. The Fiscal Year 2016 Proposed Budget includes \$7.0 billion from Local funds and \$12.9 billion in Gross funds (excluding Intra-District funds).

The Office of the Chief Financial Officer (OCFO) worked closely with your executive leadership team, the City Administrator's Office of Budget and Finance (OBF) staff, and agency program staff to produce a balanced budget and five-year financial plan. The FY 2016 policy budget reflects your administration's funding priorities and determinations.

After careful review, I certify that the FY 2016 – FY 2019 Budget and Financial Plan, as proposed, are balanced.

REVENUE OUTLOOK

The revenue outlook is predicated on continuing improvement in the national economy, and assumes that growth in the District's economy will also accelerate, adding both jobs and people over the period of the financial plan.

Some significant measures to reduce federal spending, however, are expected to be in effect during the period of the financial plan, with the severity of their impact diminishing over time.

Population growth has been a major factor in increasing the District's income and sales tax bases, and a major driving force behind rising home values. In the last five years (2009 to 2014), the District's population has grown by 66,665 (11.3 percent), an increase that has averaged more than 1,000 net new residents per month over this period. The increase from 2013 to 2014, however, was the slowest since 2008, and natural increase (births minus deaths) accounted for almost half of the gain in that year.

The FY 2015 baseline estimate of \$6.61 billion in total Local Fund Revenue, excluding Dedicated Taxes and Special Purpose Revenue, is \$306.6 million (4.9 percent) greater than FY 2014 revenue. The \$6.87 billion estimate for FY 2016 is an increase of \$253.1 million (3.8 percent) from FY 2015 and reflects continued strength across the major revenue sources. Including Dedicated General Fund Tax Revenue, Special Purpose Revenues and policy initiatives, total FY 2015 General Fund Revenue in the financial plan is \$7.4 billion. Total General Fund Revenue in FY 2016 is \$7.7 billion, \$286.6 million more than FY 2015.

Various policy initiatives increase General Fund Revenue beginning in FY 2016 by \$36.1 million, \$26.0 million of which are Local Fund Revenues. Some of the major policy proposals are listed below:

- An increase in the general sales tax rate from 5.75 percent to 6 percent is expected to raise \$22.2 million in Local Fund Revenue;
- Income tax law changes to close loopholes and the clarification of the statute of limitations for audits increase revenue by approximately \$3.6 million; and
- An increase in the sales tax rate for commercial parking from 18 percent to 22 percent is expected to raise \$9.9 million in Dedicated Tax Revenue.

MAJOR COST DRIVERS – LOCAL FUNDS

Overall, the FY 2016 Local funds budget increased by \$214.2 million, or 3.2 percent, over FY 2015. Table 3 provides a snapshot of the major cost drivers associated with the increase.

Cost Drivers - Local Funds	Amount
FY 2015 Approved Local Funds Budget	\$ 6,801.0
Major Changes:	
Housing Production Trust Fund Subsidy	\$ 50.2
Fire and Emergency Medical Services Department	31.1
Department of Human Services	29.9

Department of General Services	26.8
Metropolitan Police Department	25.1
Police Officers' and Fire Fighters' Retirement System	24.8
District of Columbia Public Schools	24.1
Repayment of Loans and Interest	22.6
All Other Agencies	-49.9
Total Changes	\$ 214.2
FY 2016 Proposed Local Funds Budget	\$ 7,015.2

Note: Details may not add to totals due to rounding

Primary Cost Drivers

- **Housing Production Trust Fund (HPTF):** \$50.2 million increase in funding to enhance affordable housing initiatives. The total amount budgeted for affordable housing in the FY 2016 budget is \$107.8 million, with \$100 million going directly to the Housing Production Trust Fund. This includes \$57.7 million of dedicated revenue for affordable housing. In addition, to this amount, the Mayor added \$50.1 million of Local funds to further stimulate the production of affordable housing. By law, \$7.8 million of the total is used to pay debt service on borrowings for New Communities projects (see the Debt Service chapter in "Financing and Other").
- **Fire and Emergency Medical Services Department:** \$31.1 million increase in Local funds, due primarily to \$14.6 million for Cost-of-Living Adjustments (COLA), \$3.0 million in longevity pay, and \$12.4 million of increased overtime costs resulting from a legal settlement with the International Association of Firefighters Local 36.
- **Department of Human Services (DHS):** \$29.9 million increase in Local funds, due primarily to \$15.7 million for the Dignity for Homeless Families Amendment Act of 2014; \$11.8 million to support efforts to end homelessness, and increased funding to extend TANF benefits through October 2017, and \$1.1 million for COLAs.
- **Washington Metropolitan Area Transit Authority (WMATA):** \$29.5 million increase over the FY 2015 budget, which includes an increase to the annual subsidy, a shift of costs from Local funds to Dedicated Taxes funding, and funding for the Kids Ride Free initiative.
- **Department of General Services (DGS):** \$26.8 million increase in Local funds, due primarily to the forecasted expenditures in fixed costs, including rent estimates, and facility and security costs.
- **Metropolitan Police Department (MPD):** \$25.1 million increase in Local funds, due primarily to \$30.9 million for COLAs, \$5.0 million to support body cameras, \$2.9 million to support the civilianization efforts, and \$2.5 million to support the Police Officer Retention Pilot program.
- **Police Officers' and Fire Fighter's Retirement System:** \$24.8 million increase over the FY 2015 budget, which is based on the District of Columbia Retirement Board actuarial report.
- **D.C. Public Schools (DCPS):** \$24.1 million increase over FY 2015, primarily due to a projected increase in enrollment from 47,592 to 49,145.
- **Repayment of Loans and Interest:** \$22.6 million increase over FY 2015, which is the result of the District's increased borrowing.
- **All Other Agencies:** \$49.9 million reduction is the net of policy increases and decreases to various agency programs.

OTHER OPERATING ITEMS

The financial plan includes funds for the anticipated payment of a legal settlement against the District that entails backpay for firefighters due to a change in the way in which firefighter overtime is calculated. Neither the timing nor the final amount of this settlement is known at this time. The Budget Support Act recognizes that the District must set aside funds from any surplus (above the amount of FY 2015 surplus budgeted for use in FY 2016) in FY 2015 and beyond to reserve in the fund balance for a potential settlement amount. If such funds are not available by the time the settlement is actually paid, the District would use the funds shown as "Paygo Contingency" in the Financial Plan, and thus could not use those funds for Paygo capital. Once sufficient funds are set aside in the fund balance to cover the settlement, the "Paygo Contingency" funds would be available for Paygo capital or other uses.

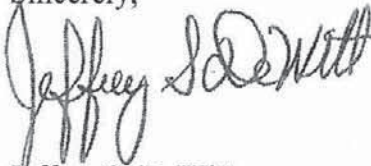

CAPITAL IMPROVEMENTS PLAN

The District is addressing its continuing infrastructure needs through its Capital Improvement Plan (CIP). The total proposed appropriation request for the FY 2016 through FY 2021 CIP is \$1.042 billion from all sources. The increased budget authority will be financed with I.T. or G.O. bonds, Revenue bonds, Pay-As-You-Go (PAYGO) transfers from the General Fund, the Master Equipment Lease Program, Federal Grants, a local match to the grants from the Federal Highway Administration, private donations, sale of assets, and local transportation fund Revenue.

The proposed FY 2016 capital program includes \$1,215 million in planned capital expenditures to be financed by \$921.5 million in new I.T. or G.O. bonds, \$16.9 million from the Master Equipment Lease Program, \$26.3 million in PAYGO, \$168.2 million in federal grants and payments, \$22.5 million in the Local Match to the Federal Highway Administration grants, \$46.0 million from the Local Transportation Revenue Fund, and \$13.8 million from the Sale of Assets. Debt service within the CIP period remains below the 12 percent debt cap.

The leadership provided by you and your team, along with the hard work of the Office of Budget and Planning and others in the OCFO, allowed us to work effectively together to produce a balanced budget. I look forward to continuing to work with you and the Council during the upcoming budget deliberations.

Sincerely,

Jeffrey S. DeWitt
Chief Financial Officer

How to Read the FY 2016 Proposed Budget and Financial Plan

The District of Columbia's FY 2016 Proposed Budget and Financial Plan is a communication tool that presents and explains policy priorities, agency operations, including programmatic/organizational structures, and performance measures in the context of the Financial Plan, which shows the District's sources of revenue and planned expenditures. The Budget and Financial Plan includes forecasts of economic and financial conditions, current and planned long-term debt financing, policy decisions, and other important financial information for the District's government, all of which are essential elements for accurate financial reporting and sound management of public resources.

This chapter, How to Read the Budget and Financial Plan, is a guide for understanding the sections of this budget volume that define the budget priorities for the District. These sections are consistent with the National Advisory Council on State and Local Budgeting's recommended budget practices, which call for a presentation of information to provide readers with a guide to government programs and organizational structure. Additionally, these sections are consistent with the standards of the Government Finance Officers Association for the Distinguished Budget Presentation Award.

The FY 2016 Budget and Financial Plan is presented in six volumes summarized as follows:

Executive Summary (Volume 1) - provides a high-level summary of the budget and financial information, including sections describing new initiatives within the District's proposed budget, the transmittal letters from the Mayor and the Chief Financial Officer, the District's five-year financial plan, detailed information on the District's projected revenues and expenditures, and summary information about the Capital Improvements Plan. In addition, this volume includes information about the District's budgetary and financial management policies, grant match and maintenance of effort, a glossary of budget terms, budget summary tables by agency and fund type, and the Budget Request Act legislation that serves as the basis for the District's federal appropriations act.

Agency Budget Chapters (Volumes 2, 3, and 4) - describes, by appropriation title, the operating budgets for each of the District's agencies. Appropriation titles categorize the general areas of services provided by the District on behalf of its citizens and are listed in the table of contents. Examples are Economic Development and Regulation, Public Safety and Justice, and Human Support Services.

Operating Appendices (Volume 5) - includes detailed supporting tables displaying the proposed expenditures and full-time equivalents in the operating budgets that are described in Volumes 2, 3, and 4. Please note: This volume is available exclusively on the Government of the District of Columbia website at <http://cfo.dc.gov/>.

Capital Improvements Plan (Including Highway Trust Fund) (Volume 6) - describes the District's proposed six-year Capital Improvements Plan for all of the District's agencies. The Highway Trust Fund describes the District's proposed FY 2016 to FY 2021 planned transportation projects including federal highway grants.

Detailed information on the chapter contents of each volume include:

FY 2016 Proposed Budget Changes

The FY 2016 Proposed Budget Changes section within each agency chapter provides a comprehensive explanation of the FY 2015 Approved Budget to FY 2016 Proposed Budget, by Revenue Type table that appears in nearly every chapter. The following are descriptions of the calculations done for the specific assumptions applied to certain categories within one particular agency or within specific groups of agencies. Please see the Current Services Funding Level (CSFL) Development appendix in this volume for more information about the CSFL methodology.

- **Recurring Budget Items:** Where applicable, recurring budget items were identified to adjust CSGs 11 (Regular Pay – Continuing Full Time), 15 (Overtime Pay), 20 (Supplies and Materials), 40 (Other Services and Charges), 41 (Contractual Services – Other), and 50 (Subsidies and Transfers). Recurring budget items for all other CSGs were not adjusted in the FY 2016 CSFL.
- **Fixed Cost Inflation Factor:** The Year-over-Year increase to Fixed Costs (CSGs 30, 31, 32, 33, 34, and 35) for the FY 2016 CSFL was derived from cost estimates provided by the Department of General Services (DGS). The Office of Finance and Resource Management (OFRM) and the Office of the Chief Technology Officer (OCTO) will centrally manage these costs within their agency budgets.
- **Medicaid Growth Factor:** The Medicaid growth factor for the cost of health care services in the District provided by the Department of Health Care Finance and the public provider agencies generally fluctuates based on the prevailing conditions of the economy and changes in the federal government’s Medicaid policy. The rate of 2.2 percent was used to calculate funding for Medicaid in the FY 2016 CSFL.
- **Student Funding Formula Inflation Factor:** The funding formula was increased by 2.0 percent to account for inflationary costs that are generally associated with educating students in the District of Columbia Public Schools and Public Charter Schools.
- **Debt Service Adjustments:** Projected adjustments were provided by the Office of Finance and Treasury.
- **Operating Impact of Capital:** Projected adjustments to reflect the budgetary impact of completed capital projects.
- **Removal of One-Time Salary Lapse:** All FY 2015 items marked as One-time Salary Lapse Savings were added back to the FY 2016 CSFL budget.
- **Other Adjustments:** These adjustments were unique to a particular agency and did not meet the criteria of the other adjustment scenarios.

This section includes major changes within the agency budget by program, fund, and full-time equivalents, from the initial request through the policy decisions made by the Mayor. The FY 2016 Proposed Budget Changes section uses the following terms to describe budgetary or programmatic changes:

I. Actions with an impact on services:

- **Enhance:** More funding to improve the quality or quantity of an existing service (e.g., Funding to support a new service center).
- **Reduce:** Reduction, but not elimination of an existing service (e.g. Close a service center and provide services at other locations; Realign staffing in the Fleet Management division).
- **Eliminate:** Total elimination of an existing service, with no anticipation of the service being provided by another entity (e.g. Eliminate unfunded vacant FTEs for staffing realignment).

II. Actions with no service impact:

- **Increase:** Additional funds necessary to continue service at current levels (e.g., Fund recurring operating cost of Automated Traffic Enforcement).
- **Decrease:** Reduction in cost without a service impact (e.g., Align energy budget with revised Department of General Services estimate).

- **Transfer-In:** Shift of an existing program or operation from another District agency (e.g., Transfer the Central Cell Block Security activity from the Metropolitan Police Department to the Department of Corrections).
- **Transfer-Out:** Shift of an existing program or operation to another District agency (e.g., Transfer the Mayor's Office of Budget and Finance program from the Executive Office of the Mayor to the Office of the City Administrator).
- **Shift:** Shift an existing program or operation from one Fund type to another (e.g., Shift Draw Division program funding from Special Purpose Revenue to Local funds to support functions within the D.C. Lottery).
- **Reallocation:** Movement of funding within an existing program or operation from one activity or service to another (e.g., Reallocation of the Health and Wellness Services activity to the Youth and Family Empowerment activity in the Youth and Family division of the Department of Youth Rehabilitation Services).
- **Technical Adjustment:** An increase or decrease to the budget that is required because of a legislative mandate and/or to correct an error/omission.
- **No Change:** The agency has no changes in funding and/or budget structures from the FY 2015 approved budget to the FY 2016 proposed budget.

This section describes the agency's mission and purpose.

Summary of Services

The Department of Health Care Finance, an agency that was established in FY 2009, provides health care services to low-income children, adults, elderly, and persons with disabilities. Over 200,000 District of Columbia residents (one-third of all residents) receive health care services through DHCF's Medicaid and Alliance programs. DHCF strives to provide these services in the most appropriate and cost-effective settings possible.

The agency's FY 2016 proposed budget is presented in the following tables:

Division Description

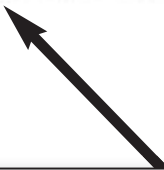

The Department of Health Care Finance operates through the following 8 divisions:

Health Care Delivery Management (HCDM) – ensures that quality services and practices pervade all activities that affect the delivery of health care to beneficiaries served by the District's Medicaid, Children's Health Insurance Program (CHIP), and Alliance programs. HCDM accomplishes this through informed benefit design; use of prospective, concurrent and retrospective utilization management; ongoing program evaluation; and the application of continuous quality measurement and improvement practices in furnishing preventive, acute, and chronic/long-term care services to children and adults through DHCF's managed care contractors and institutional and ambulatory fee-for-service providers.

This division contains the following 5 activities:

- **Managed Care Management** – provides oversight, evaluation, and enforcement of contracts with organizations managing the care and service delivery of Medicaid and Alliance beneficiaries, along with providing oversight and enrollment of eligible beneficiaries;
- **Preventive and Acute Care (Children's Health Services)** – develops, implements, and monitors policies, benefits and practices for children's health care services, including HealthCheck/EPSTD, CHIP, and the Immigrant Children's Program;
- **Division of Quality and Health Outcomes** – continuously improves the quality (safe, effective, patient-centered, timely, efficient, and equitable services) of health care delivered by programs administered by DHCF; and ensures that quality and performance improvement principles and practices pervade all the components and activities that impact the delivery and outcomes of health care services to patients served by the District's Medicaid, CHIP, and Alliance programs;
- **Division of Clinicians, Pharmacy and Acute Provider Services** – develops, implements, and oversees the programming for primary and specialty providers, hospitals, and other acute and preventive care services; and manages the non-emergency transportation contract; and
- **Health Care Delivery Management Support Services** – provides administrative support functions to the Health Care Delivery Management division.

Long-Term Care Administration (LTCA) – provides oversight and monitoring of programs targeted to elders, persons with physical disabilities, and persons with intellectual and developmental disabilities. Through program development and day-to-day operations, the LTCA also ensures access to needed cost-effective, high-quality extended and long-term care services for Medicaid beneficiaries residing in home and community-based or institutional settings. The office also provides contract management of the long-term care supports and services contract.

This indicates the specific programs (or divisions) and activities within an agency. It contains detailed descriptions of their purpose and how they contribute to the lives of District residents and visitors.

FY 2016 Proposed Budget Changes

The Department of Health Care Finance's (DHCF) proposed FY 2016 gross budget is \$2,957,775,166 which represents a 1.7 percent increase over its FY 2015 approved gross budget of \$2,909,706,049. The budget is comprised of \$703,362,740 in Local funds, \$53,584,694 in Dedicated Taxes, \$999,998 in Federal Grants funds, \$2,112,895,525 in Federal Medicaid Payments, \$2,604,805 in Special Purpose Revenue funds, and \$84,327,405 in Intra-District funds.

The FY 2016 Proposed Budget Changes section provides a comprehensive explanation of Table 5; it includes major internal changes within the budget including Current Services Funding Level (CSFL) changes, changes to the initial adjusted budget, and policy initiatives.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local fund operating District agencies, before consideration of policy decisions. The FY 2015 approved budget across multiple divisions, and it estimates its current divisions and operations into the following. The FY 2015 Local funds budget are described in table 5 of the CSFL Development section within Volume 1: Executive Summary. This section describes the methodology used and components that comprise the CSFL.

DHCF's FY 2016 CSFL budget is \$731,084,051, which represents a \$14,481,226, or 2.0 percent, increase over the FY 2015 approved Local funds budget of \$716,602,825.

CSFL Assumptions

The FY 2016 CSFL calculated for DHCF included adjustment entries that are not described in detail on table 5. These adjustments include a reduction of \$1,143,494 to account for the removal of one-time funding appropriated in FY 2015 to support continuation of the United Medical Center's sustainability contract with Huron. Additionally, adjustments were made for a net increase of \$286,229 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements implemented in FY 2015, and an increase of \$463,237 in nonpersonal services based on the Consumer Price Index factor of 2.2 percent.

DHCF's CSFL funding for the Medicaid Growth Factor reflects an adjustment for an increase of \$15,043,391 to account for a District's FY 2016 Medicaid growth rate of 2.2 percent based on the cost of health care services in the District projected by DHCF. The Medicaid growth rate is primarily driven by enrollment forecasts for Medicaid Managed Care and Fee-for-Service. Managed Care coverage includes, parents of Medicaid eligible children, pregnant women, childless adults with incomes up to 200 percent of Federal Poverty Level (FPL), the Children's Health Insurance Program (CHIP), and Health Services for Children with Special Needs (HSCSN). Other variables impacting the Medicaid Growth Factor include enrollment forecasts for Medicaid waivers, which include the Developmental Disabilities (DD) and the Elderly and Physically Disabled (EPD) waivers. These adjustments also include locally funded programs, such as the Immigrant Children and the D.C. Healthcare Alliance.

Additionally, adjustments were made to ensure proper funding of compensation and benefits for Compensation Groups 1 and 2, and to reflect projections provided by the Department of Health Care Finance.

In FY 2016, an explanation of CSFL changes, including the CSFL assumptions, is presented separately within the budget. For more detail on the CSFL, please see the appendix in this volume.

Agency Budget Submission

The FY 2016 budget submission places a strong emphasis on investing in programs that improves access to health care in underserved areas such as those who are economically disadvantaged or medically vulnerable. Furthermore, the budget allows DHCF to continue to take important steps towards implementing health care reform and improving healthcare access for underserved populations. In this regard, DHCF proposes a number of adjustments in the allocation of available resources, the key elements of which are summarized in the following sections below.

Increase: The budget proposed in Local funds includes an increase of \$1,592,751 and 15.6 FTEs across multiple divisions. This increase in personal services costs supports projected salary step increases, Fringe Benefits, and the Local portion of annualized compensation. The additional staff will serve in areas involving customer personnel, liaison between District and federal agencies, and services to District residents.

The Agency Management division provides various services to support the operational needs of this division accounts for an increase of \$1,191,096 is allocated for improvements to Information Technology, and a net increase of \$7,847 reflects various adjustments for Fixed Costs based on estimates for Telecommunications from the Office of the Chief Technology Officer (OCTO) and Energy from DGS.

This section describes the changes made to an agency during the overall budget formulation process by fund and by program (or divisions).

Mayor's Proposed Budget

Enhance: The proposed Local funds budget includes an increase of \$322,253 in the Agency Management division. This adjustment covers personal services costs for procurement services that will be transferred to the Office of Contracting and Procurement (OCP) via Intra-District agreement.

Reduce: DHCF will realign healthcare provider rates in FY 2016. When completed, this exercise is projected to generate savings in the budget, resulting in a decrease of \$41,337,133 in Local funds in the Health Care Finance division. The various areas involved in the realignment exercise include aligning the wages of home health aides with costs reported by healthcare providers, aligning hospital fee-for-service inpatient rates, aligning Managed Care Organization (MCO) rates, aligning specialty hospitals projected spending to account for double counting, aligning the federal match for the Children's Health Insurance Program (CHIP), aligning the Intermediate Care Facility Providers for Developmental Disabilities (ICF/DD) reimbursement rates, and aligning the Elderly and Persons with Disabilities (EPD) waiver enrollment projections. The corresponding adjustment in Federal Medicaid Payments is reflected as a decrease of \$82,633,309.

Transfer Out/Reduce: In order to support the Procurement Practices and Reform Act of 2010 initiatives, DHCF's proposed budget reflects transfers of 1.7 FTEs supported by Local funds and 2.4 FTEs funded by Federal Medicaid Payments, from the Agency Management division to the OCP.

How to Read the Agency Chapters

The agency chapters describe available resources for an agency, how the agency will spend them, and the achieved and anticipated outcomes as a result of these expenditures. For a detailed explanation of the fiscal tables and narrative sections, please see the “How to Read the Budget and Financial Plan” chapter in *Volume 1: Executive Summary*.

Each chapter contains the following, if applicable:

The first page of each agency chapter displays the agency name and budget code, website address, and telephone number. The page also shows a table that contains the agency’s gross funds, or total operating budget. The table shows the Fiscal Year (FY) 2014 actual expenditures and Full-Time Equivalents (FTEs); the FY 2015 Approved budget and FTEs; the FY 2016 Proposed budget and FTEs; and the percent change from the previous year for the budget and FTEs. Lastly, this page typically contains the agency mission statement and a summary of its services.

Subsequent pages reflect agency fiscal and programmatic levels and changes. The information varies by agency but typically contains the following financial tables and narrative sections:

- ***Proposed Funding by Source table*** displays the agency FY 2013 and 2014 actuals, the FY 2015 Approved, and the FY 2016 Proposed dollars by fund type.
 - ***Proposed Full-Time Equivalents table*** shows the agency FY 2013 and 2014 actuals, the FY 2015 Approved, and the FY 2016 Proposed FTEs by fund type.
 - ***Proposed Expenditure by Comptroller Source Group (CSG) table*** identifies the gross fund changes by CSG, which is a type of budgetary classification that identifies category spending within personal services (personnel costs, such as salaries and fringe benefits) and nonpersonal services (operational costs, such as contracts, supplies, and subsidy payments).
 - ***Proposed Operating Budget and FTEs, by Division/Program and Activity table*** shows the gross fund changes by dollars and FTEs. The Division/Program descriptions section that precedes this table explains the purpose of the divisions/programs and activities funded in the FY 2016 Proposed budget.
 - ***FY 2015 Approved Budget to FY 2016 Proposed Budget reconciliation table*** shows the FY 2016 Proposed budget and FTE changes, by division or program, from the FY 2015 Approved budget. This table also includes a brief description of the change. A detailed narrative of the changes is found in the FY 2016 Proposed Budget Changes section that precedes this table.
 - ***Agency Performance Plan Objectives*** and the accompanying Agency Performance Measures table show the agency-level plan that contains the agency’s mission, summary of services, objectives, initiatives, and performance measures for a set period of time. For some agencies, the initiatives and performance measures are grouped by division/program.

District of Columbia Public Schools Agency Budget Guide for FY 2016

Dear District of Columbia Public Schools Community:

We are excited to share our budget and plan for the upcoming school year with you, and are grateful to everyone who took the time to provide suggestions and feedback. Many ideas, including expanded elective offerings in every high school and our 500 for 500 literacy mentorship program for young men of color, came directly from your input.

D.C. Public Schools' FY 2016 budget development kicked off in November of 2014 with public meetings where we shared our three primary priorities for the coming year: ensuring equity of curriculum and instruction in every school; investing in high schools; and establishing the Empowering Males of Color initiative. Over the following months, we gathered community input, met directly with principals to identify their needs and challenges, tapped into expertise throughout DCPS schools and central offices, and spoke with parents and students about how these priorities should take shape. We heard wide consensus that we had selected the right priorities and great ideas about how to implement them. In the end, we established plans that were improved by community input and ensured equity across schools.

We are thankful that Mayor Bowser made education a budget priority and maintained per student funding at the same level as last year. With 1,553 projected new students and four new schools opening next year, this means that DCPS will see a 3.4 percent budget increase in a tight fiscal year when other agencies have absorbed cuts. This funding, along with some strategic cuts to our central office, ensures that we are able to sustain the investments we have already made to improve elementary and middle grades while moving forward with the big work we have planned for SY15-16.

First, we will ensure equity of instruction for every student. While there is incredible work happening in curriculum and instruction across the district, we recognize that implementation is still uneven. We also know that our teachers are strong and our students eager to learn, so starting next year we will provide every teacher with cornerstone lessons – high quality, teacher-developed, rigorous activities to use in the classroom. These model lessons will set the standard for our teachers and will make sure every student in every class enjoys quality instruction.

Second, we will invest heavily in high schools. We will ensure that every high school can offer a minimum of 20 electives including choir, debate, African-American literature and SAT prep. We will provide students with more rigorous courses by ensuring all our high schools offer a minimum of six Advanced Placement courses. We will increase investment in career and technical education, so that students graduate ready to compete for high-wage, high-growth jobs. High school improvement will be a multi-year project, but we are excited to begin the process of ensuring that all our high school students have great opportunities, and making sure that current middle school and elementary school students see a great future at their neighborhood high school.

Third, we have launched the Empowering Males of Color initiative. By engaging the entire community and employing innovative strategies, this initiative aims to improve academic achievement and life outcomes for Black and Latino males. Most of this initiative will be funded through private grants and investments rather than public dollars, but it is central to our strategy to build the best urban school district in the nation, and it meets a very real need in our city.

Finally, we are continuing our commitment to middle grades. We have seen some of our greatest growth in student achievement in middle grades and have seen remarkable growth in student enrollment. As we continue to invest in electives and opportunities for middle school students, we will build on this success.

While the initiatives outlined above represent our newest and most visible work, DCPS remains committed to excellence in every part of our school system. The five Capital Commitment goals established in 2012 continue to drive us forward as we seek to hit the ambitious targets set around student achievement rates, improvements to our lowest performing schools, increased graduation rates, student satisfaction, and overall enrollment. We are excited to open four new schools in the 2015-2016 school year; each will improve our capacity to provide world-class education opportunities for all students. Additionally, we have directed \$45 million in **at-risk funding** directly to schools to provide extra supports to meet the needs of our most vulnerable students.

We all know that DCPS has made a great deal of progress over the past few years. We also know that there is much more work that we need to do to ensure that every student in every school has equal access to a great education. Our plans for the upcoming school year represent the next step in creating together the school district we all want.

Sincerely,

A handwritten signature in black ink, appearing to read "Kaya Henderson", followed by a long horizontal line extending to the right.

Kaya Henderson
Chancellor, DCPS

In FY 2016, DCPS will see a \$24.1 million increase to its Local Fund budget, which represents a 3.4 percent increase over FY 2015. Driving every dollar we can into direct school support we are proud to say that in the upcoming school year every DCPS student will be able to access art, music, world language, physical education and library programming, as well as increased social and emotional supports, and opportunities to increase student interest and engagement in school.

Our Goals and How We Will Achieve Them

In 2012, DCPS established five ambitious goals that set out to: dramatically improve student achievement, particularly at our lowest performing schools; increase our graduation rate; increase student satisfaction; and increase enrollment. Together, these goals guide our work and help us create a system of high-quality schools for every family in every part of the city. As we achieve these goals, we will continue to create schools where students achieve at high levels across core subjects; where our struggling learners receive the attention they deserve; where all students are prepared for college and careers; where high school is a rich and rewarding experience; and where we partner with parents in their student's success.

Our Goals are ambitious. Based on the hopes and dreams of DCPS stakeholders, these goals will help us align our resources and measure our success.

By 2017, we will:

-  1. Improve achievement rates
-  2. Invest in struggling schools
-  3. Increase graduation rate
-  4. Improve satisfaction
-  5. Increase enrollment

District of Columbia Public Schools

DCPS is on the right track to achieve our goals. Over the past four years, DCPS has invested in our schools to ensure that every student in every school is taught by a great teacher, challenged with rigorous content, and motivated to achieve at high levels. We now have the best workforce in DCPS' history and have made big investments in implementing the rigorous Common Core State Standards in all of our schools. We have invested in programs to engage students in a wide variety of interests, and have reached out to unprecedented numbers of families.

In FY 2014, we invested deeply in our elementary grades, ensuring that every student in every school had regular exposure to art, music, physical education, foreign language, and library services. We also increased our investment in literacy instruction in our lowest-performing schools and provided extended day opportunities in nine schools.

In FY 2015, we expanded on these successful investments, providing more students with an extended school day and ensuring that every middle-grade student in every school had access to algebra, foreign language, physical education, art, and music, as well as intensive instruction in reading, writing, science, and social studies. We also made targeted investments in student satisfaction through Proving What's Possible Student Satisfaction Awards that allowed schools to explore best practices in student and family engagement.

In FY 2016, we will maintain our investments in elementary and middle grades while creating over 200 new school-based positions and focusing on: strengthening neighborhood high schools, providing targeted resources and opportunities to male students of color, and improving equity in our schools across all eight wards. By maintaining our focus on achieving our goals, expanding programming that works, and sticking to a proven strategy for success, we can build DCPS into a school district that provides an excellent education to everyone, everywhere.

Goal #1: Improve Achievement Rates

At least 70 percent of our students will be proficient in reading and math by 2016–17, and by 2016–17 we will double the number of advanced students to more than 3,800 in reading and more than 4,700 in math.

Over the past few years, DCPS has made great strides – increasing both elementary and secondary levels of proficiency by double digits. Yet more than half the students attending D.C. Public Schools cannot read on grade level.

Common Core

In July 2010, Washington, D.C. joined more than 40 states in adopting the rigorous Common Core State Standards (CCSS), in English Language Arts (ELA), Mathematics, Social Studies, Science, and Technical Subjects for students in kindergarten through Grade 12.

The Common Core State Standards help prepare every student for college and a career. Because the standards are aligned throughout a child’s education, DCPS and parents can quickly identify when students go off track, in time to help prepare students for graduation. For the first time in SY14-15, students will be evaluated using common-core based assessments. We look forward to sharing the results with you in next year’s budget guide.

Academic Equity

We know that implementation of the district’s high-quality curriculum and instruction is still uneven across the city. To address this in the upcoming school year, DCPS will provide every teacher, in every ward, with cornerstone lessons aligned to the rigorous standards. The high quality, teacher-developed supports will range from lessons that provide a unique approach to a math problem, to a week-long instructional program around a great novel, or text to a field trip tied to a particular part of the curriculum.

These lessons, to be developed by the District’s highest performing teachers, will serve as models for all teachers and will raise the bar and stretch the abilities of all students. Every teacher will offer at least four of these rigorous, high-quality, teacher-created model experiences in their subject areas for students.

Empowering Men of Color (EMOC)

Empowering Males of Color in DCPS is an aligned effort by the District of Columbia Public Schools to identify and assess current challenges and successes of PK – 12 Black and Latino males. We will collaborate with the community, as well as school and District leaders to implement effective strategies to enhance the student experience, increase achievement, and prepare our males of color for college, careers, and life beyond DCPS. Most of this initiative will be funded through private grants and investments rather than public dollars, but it is central to our strategy to build the best urban school district in the nation, and it meets a very real need in our city.

Goal #2: Invest in Struggling Schools

Our 40 lowest-performing schools will increase proficiency rates by 40 percentage points by 2016–17.

DCPS' 40 lowest-performing schools are making slow but steady progress on reading and math proficiency. Past investments in extended school days, social-emotional supports, school enrichment modeling and targeted family and community engagement have contributed to these gains. The progress of our students is great news, but we still need to do more to ensure that we close our achievement gap. Overall, only three out of every ten students are performing on grade level at our 40 lowest-performing schools.

Figure DCPS-3: Math and Reading Gains from 2011 to 2014 at 40-40 Schools

At-Risk Funding

The Uniform Per Student Funding Formula used to calculate all DCPS funding includes a set-aside especially for at-risk students. At-risk students include those who are in foster care or are homeless, who are receiving welfare benefits or food stamps, or who are performing at least a year behind in high school. These funds are tied directly to students so schools with higher at-risk populations get more funding. We've worked carefully with schools and education leaders to plan effective, strategic at-risk funding investments including:

Extended Day

Results of the 2013 DC Comprehensive Assessment System (CAS) assessment showed that, as a group, students in Extended Day schools grew 10.6 percentage points in math and 7.2 percentage points in English Language Arts (ELA) on the DC CAS, compared to 3.3 and 3.7 percentage points, respectively, for all other students. Based on these very positive results, we funded nine extended day sites in FY 2014, and made extended day opportunities available to all of our lowest-performing elementary schools in FY 2015. In FY16 extended day opportunities will be expanded to comprehensive high schools and will continue to be available to middle and elementary grades.

Extended School Year

In FY 2016 DCPS will work with Raymond Elementary School to pilot an extended year program.

Libraries and Technology

Over the past two years, DCPS has made significant investments in school library, technology and media programs. A school library media program that provides up-to-date, accurate, and attractive resources, managed by a certified library media specialist who collaborates with teachers to augment and enhance classroom instruction, results in increased test scores, particularly in reading. A library media specialist position has been allocated to every school to serve as a collaborative instructional partner and an integral support to the literacy program in the building. At-risk funds can also be used to buy books, computers, and other educational media.

Literacy Supports

DCPS provides reading teachers, Literacy Specialists, and/or Assistant Principals, for Literacy in 23 of our 40 lowest-performing schools. This investment, coupled with an intensive infusion of student resources and interventions, is showing promising results. All of our 40 lowest-performing elementary grades are also eligible for funding to support literacy partners who can model, tutor, teach, and provide job-embedded professional development on a regular and consistent basis. We match schools with partner organizations that have shown evidence of success and whose volunteers have a deep understanding of what it takes to develop lifelong readers.

Attendance and School Culture

In-seat attendance (ISA), how often a student is actually in school, is a critical determining factor for student success. Regardless of whether the absence is excused or unexcused, what matters most according to our data is that the student is attending school regularly. While DCPS continues to focus on truancy, we are monitoring ISA closely as an indicator of student success. In FY 2016, DCPS will continue to fund professional development for school-based personnel and raise parent and community awareness of the importance of attendance. We will also work with expert partners in the field of school culture improvement to provide targeted professional development to our principals.

Student Voices: "How could we improve your school":

"Better academics/classes that make me think and learn more."

"I think there should be more electives, harder classes and slightly longer classes so that we can learn better/more."

Goal #3: Increase Graduation Rates

By 2016–17, at least 75 percent of entering ninth graders will graduate from high school in four years.

Our high school graduation rate is one of our clearest indicators of success. We want to ensure that every one of our students in every one of our schools – from selective high schools to alternative high schools – successfully completes high school and is ready to enter college or the workforce.

Figure DCPS-4: DCPS 4-Year Adjusted Cohort Graduation Rate from 2011 to 2014

While DCPS has shown steady improvement with regard to high school graduation, we have a long way to go to reach our ambitious goal. To this end, in FY 2016 DCPS will invest \$13 million in new funds to support high school students and improve neighborhood high schools. Strategies include:

Expanded Electives

In SY15-16, every neighborhood high school will offer at least six Advanced Placement courses. Every neighborhood high school will also offer at least 20 elective courses including choir, marching band, yearbook, debate, African-American literature, accounting and SAT preparation. Currently, some neighborhood high schools offer no electives.

Career and Technical Education

In SY15-16, eight DCPS high schools will offer the industry-recognized National Academy Foundation (NAF) programming in career and technical education. The Academies center around three themes: Engineering, Hospitality, and Information Technology (IT), which are three of the highest-wage, highest-demand career sectors in the District. Embedded within the Academy model are strong college and

industry partnerships, internships, and rigorous curricula that culminates in industry-recognized certification. Nationally, NAF Academy students graduate high school, enroll in college, retain employment, and earn greater salaries at higher rates than their peers.

Evening Credit Recovery and Twilight Programs

Evening Credit Recovery (ECR) and Twilight programs exist to improve high school graduation rates by providing opportunities for students to recover credits needed to graduate on time. Even though credit recovery courses may differ in many ways from original credit courses, schools maintain the rigor and standards of regular day courses—holding firm DCPS standards of curriculum, instruction, accountability and expectations—just adapted where appropriate to the credit recovery context. The FY 2016 ECR budget will allow access to ECR for every DCPS student who needs it while providing schools with the resources they need to continue pushing to meet graduation rate goals.

9th Grade Academies

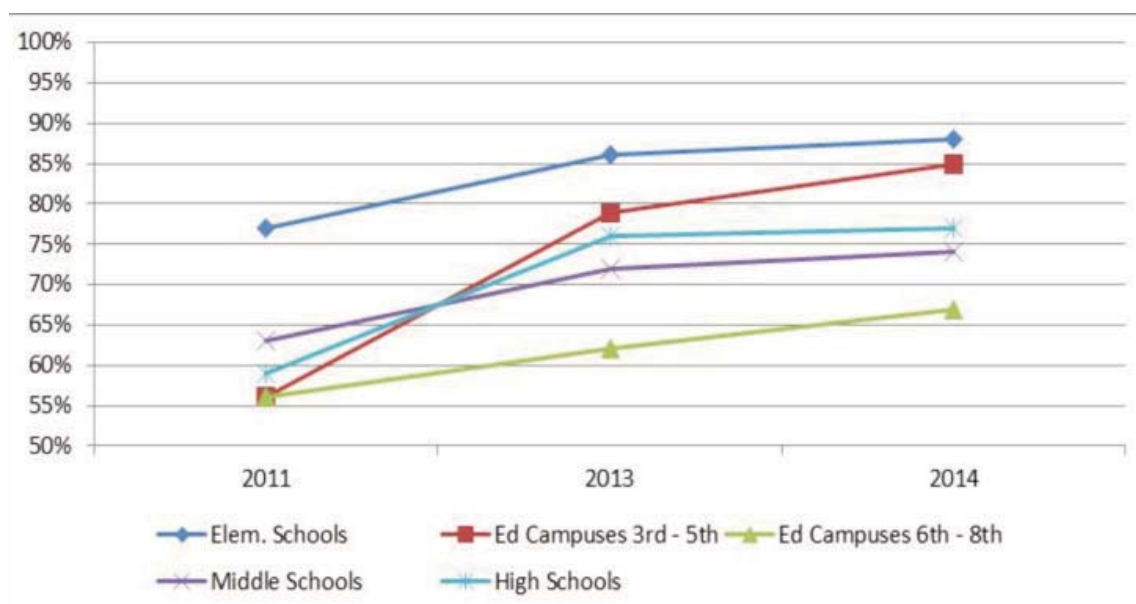

In FY 2016, we will continue to fund 9th Grade Academies at eight comprehensive high schools. These targeted programs help first-year ninth grade students successfully transition to and succeed in high school. Research regarding the ninth grade indicates that the first year of high school is critical to college and career success. Due to poor performance and high truancy rates, ninth grade students are more likely to repeat their grade than any other DCPS students. These factors are also major contributors towards DCPS' truancy rates. The program model is designed around four strategies: data-driven decision-making, teaming of instructional staff, course programming to meet student needs, and student engagement.

Goal #4: Improve Student Satisfaction

By 2016-17, 90 percent of students will say they like their school.

Among the most important keys to our success are motivated students and strong family partners who see our schools as exciting and vibrant places to learn. Investing in student satisfaction means making sure every student, in every part of the city, is inspired and excited to attend school every day. When our students are happy, when they feel safe and secure, inspired and engaged, they can't wait to go to school.

Figure DCPS-5: Total Student Satisfaction by School Type 2011-2015

Proving What's Possible Student Satisfaction Award

In FY 2015 DCPS announced a new award for student satisfaction, building on a successful program we launched two years ago, called Proving What's Possible (PWP). These awards provide funds to schools willing to create or expand innovative programming around specific topics or challenges. The PWP for Student Satisfaction award made it possible for schools to add new activities, field trips, extra-curricular opportunities, after-school clubs, bullying prevention and peer intervention awareness programs helping students feel more connected and happy at their schools.

After-School Supports for High School

To support student success, all high schools will receive new funding next year to keep computer labs open before and after school, a suggestion made during community meetings this year. In addition, DCPS will create a new position responsible for helping students in neighborhood high schools schedule and explore extra-curricular activities, athletic teams and other clubs. The budget also includes funding to ensure neighborhood high schools with newly renovated pools (Dunbar, Ballou, Woodson, and Cardozo) have the staff they need to ensure students can benefit from the pool.

Middle School Enrichment

In FY 2016, all current middle grades extended day programs will be continued and additional funding has been allocated to expand the programs to new schools. Extended day improves outcomes for students by allowing schools to schedule more enrichment activities, with an emphasis on high-performing clubs such as robotics, engineering, junior achievement, chess, debate and student government.

Additional funds have been directed towards athletics supplies and programming. Middle grades students are currently able to participate in boys' and girls' basketball, softball, baseball, volleyball, cross country, indoor and outdoor track, girls' soccer, football, and a developmental program for golf. This year, we also introduced two new sports – boys' soccer (girls' soccer already provided) and girls' bowling – and have continued yearly surveys to gauge the interest of our students.

Beyond traditional music classes, all middle grades have a band or chorus. Additionally, schools with more than one music teacher are strongly encouraged to have one band and one chorus teacher to provide more options to students.

Student Voices: “How can we make your school better?”

“I think that our school should have more language(s) and after school activities.”

“More after school clubs and advanced math programs for kids that want to learn more complex stuff.”

“Have more activities in school and also more fun and challenging work.”

Goal #5: Increase Enrollment

DCPS will increase its enrollment by 2016–17.

SY 14-15 was the third year of steady enrollment increase for DCPS and our projected SY15-16 enrollment is even higher.

Table DCPS-6: Increase Enrollment

For the first time in decades, DCPS will open new schools for the 2015-16 school year.

- The all-new Brookland Middle School campus, opening in August 2015, expands the education choice for Ward 5 students through a traditional middle school course curriculum integrated with an arts and language education focus. The school will offer world language courses as well as several classes in music, art and the performing arts.
- DCPS will consolidate Sharpe Health and Mamie D. Lee schools into one school at the River Terrace Education Campus. This site will open in the fall of 2015 and serve as a model school for students with specialized education needs.
- A true collaboration between DCPS and the Navy Yard community, the new Van Ness Elementary School will offer PreK-3, PreK-4 and Kindergarten beginning in the fall of 2015. DCPS plans that as the neighborhood continues to grow, Van Ness ES will expand to include Grades 1 through 5, adding one grade level per year over the coming years.
- DCPS will take over operations of the former Community Academy Public Charter School in School Year 2015-2016 bringing the staff, students, and school leadership into the DCPS community. The school currently has over 590 students and DCPS looks forward to being able to provide a successful academic experience for them and their families.

Enrollment Initiatives

In FY 2015, a collaborative effort between the central office and school-based staff targeted ten schools with marketing, outreach, and engagement strategies tailored to the school community. DCPS principals and staff were trained in neighborhood canvassing techniques and other family engagement strategies. Each of these schools met their enrollment target by the start of SY 14-15. In FY 2016, a central office enrollment team will continue to help schools reach their enrollment projections by assisting them with creating re-enrollment plans, implementing effective strategies, and tracking their enrollment progress. We will also expand an initiative to provide on-site enrollment for DCPS families at local District agencies like D.C. General, the Department of Human Services, and the D.C. Housing Authority.

Division Structure Change

The District of Columbia Public Schools has no division structure changes in the FY 2016 proposed budget.

FY 2016 Proposed Budget Changes

The District of Columbia Public Schools' (DCPS) proposed FY 2016 gross budget is \$884,744,375, which represents a 2.0 percent increase over its FY 2015 approved gross budget of \$867,403,692. The budget is comprised of \$726,293,785 in Local funds, \$31,230,382 in Federal Grant funds, \$20,000,000 in Federal Payments, \$7,137,686 in Special Purpose Revenue funds, and \$100,082,523 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple divisions, and it estimates how much it would cost an agency to continue its current divisions and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DCPS' FY 2016 CSFL budget is \$718,477,972, which represents a \$16,333,342, or 2.3 percent, increase over the FY 2015 approved Local funds budget of \$702,144,630.

CSFL Assumptions

The FY 2016 CSFL calculated for DCPS included adjustment entries that are not described in detail on table 5. These adjustments include a reduction of \$284,340 in personal services to account for Fringe Benefit costs based on trend and comparative analyses.

DCPS' CSFL funding for Student Funding Formula Inflation Factor reflects an adjustment of \$14,027,966 to account for an inflation factor of 2.0 percent, which was applied to the Uniform Per Student Funding Formula (UPSFF). Additionally, an increase of \$2,589,716 and 20.9 FTEs based on Other Adjustments occurred to support costs associated with comp and class and specific unions for attorneys.

Agency Submission

DCPS continues to strive towards its mission of providing quality education to all District students, ensuring their success in continuing education, careers and life. DCPS proposes an FY 2016 Local funds budget of \$718,447,972 and 7,195 FTEs to support various initiatives such as: Increase and improve course offerings through the addition of 200 school-based staff positions; Add six advanced placement courses and 20 elective courses, along with required staff, to nine of the District's Comprehensive High Schools; and the expansion of career and technical programs, as well as extracurricular activities in high schools. DCPS also proposes the following non-Local funds budget adjustments for FY 2016:

DCPS' Special Purpose Revenue budget includes a decrease of \$406,231 and 1.0 FTE from the FY 2015 approved budget, primarily due to a reduction in the Non-Resident Tuition fund responsible for collecting tuition payments made by non-District resident parents and the Department of Health and Human Services Afterschool Parent Copay fund that provides District-funded child care services to eligible District residents. The FY 2016 Federal Payments request for DCPS is increased by \$5,000,000 to align the budget with the President's budget request.

In Federal Grants, DCPS budget includes a decrease of \$7,227,664 and 178.2 FTEs, which is attributed to expiring grants in fiscal year 2015 and projected award amounts.

In Intra-District funds, DCPS' budget includes a decrease of \$4,174,577 and 60.6 FTEs from the FY 2015 approved budget, due to projected Memorandum of Understanding (MOU) agreements. The majority of DCPS' MOU agreements are with the Office of the State Superintendent of Education (OSSE) for services such as: the provision of nutritious meals and snacks for DCPS' lunch, breakfast and snack programs; strengthening special education and related services for students with disabilities, in compliance with Blackman Jones requirements; basic education improvements for students and professional development for teachers; and other education related initiatives. These are federal grants that are initially awarded to OSSE and that DCPS then receives through Intra-District funds. Some of the other agencies DCPS has MOU agreements with are the Department of Youth Rehabilitation Services for the provision of quality education programs for youths residing at the Youth Services Center in Northeast Washington and the Department of Human Services for the prevention of teen pregnancies.

Mayor's Proposed Budget

Enhance: DCPS' Local funds budget proposal includes an adjustment of \$7,815,813 to support student enrollment projections. This adjustment was made to align the budget with the revised student enrollment projections made subsequent to publishing the CSFL and removal of the inflation factor made during the development of the CSFL. DCPS student enrollment is projected to increase by 1,553 students from 47,592 in FY 2015 to 49,145 in FY 2016. The FY 2016 UPSFF is \$9,492, the same level as in FY 2015.

Mission:

Our School motto is Only The Best Is Good Enough. Our strong community involvement and dedicated staff are reasons that Barnard has been recognized twice with the Together Everyone Achieves More (TEAM) Award. High expectations for all students resulting in academic excellence are central to Barnard's philosophy. We have strong programs that appeal to our students, like our Early Financial Literacy program that teaches age-appropriate financial skills. Barnard also hosts the Flagship Autism Program for DCPS, and students from all over the city are enrolled in this program. One of our parents summarized it best: Barnard accepts all children where they are and takes them to unbelievable levels!

Mission:

Anne Beers Elementary School provides a strong focus on Science, Technology, Engineering and Mathematics (STEM) and Beers remains the only NASA Explorer School in the District of Columbia. Beers implements blended learning using ST Math, Study Island and other technology learning programs. Community and business partnerships enhance and support student learning. A Beers student engages in a variety of learning opportunities which integrate subject matter in a holistic manner. This school year we are enhancing our performance-based learning (PBL) opportunities to increase relevance and strengthen the real-world connection for our students. Upon promotion from Beers a student will be a global citizen who is caring, collaborative, critical in their thinking, solution-oriented and ready to assume leadership roles.

Mission:

We envision our school as a caring community where all students reach their fullest potential in preparation for becoming productive members of society. Our mission is to educate the whole child for a whole world through the use of the Montessori philosophy and materials. Our concept of whole child encompasses and celebrates the social, emotional, physical, spiritual (non-religious) and intellectual aspects of being human. Capitol Hill Montessori provides unique learning environments where students, under the guidance of Association of Montessori Internationale-trained and certified teachers, explore their world within a structured but creative framework. Parents will find several mixed-age groups of children when observing the Montessori classrooms at the Logan School building which allows more experienced children to share what they have learned with those who are new to the group.

Mission:

At Cleveland Elementary School, we believe that the elementary level is where the foundation for our students' future is built. Our mission is to build a foundation to enable each student to successfully compete and stand on his/her own wherever they go. Half of our classes on each grade level participate in our Dual Language program, where students take half of their classes in English and half in Spanish. Our building is a warm and nurturing place where students thrive academically, socially and emotionally. We direct instruction to individual students using Howard Gardner's theory of multiple intelligences. We recognize that each child is different and has unique talents, abilities and needs. Cleveland recently received the following awards: Proving What's Possible Grant, 2012; Fight for Children (Rising Star Grant), 2011; and National Distinguished Title I School.

Mission:

Columbia Heights Educational Campus is a unique globally themed bilingual campus that serves grades 6 through 12 and prepares all of its students for success in college and the careers. CHEC has been recognized as one of the top schools in the area and country on the Advanced Placement Challenge Index for offering Advanced Placement to all students. It also has the only Spanish language dual immersion high school program in Washington, DC. Students can take a full bilingual program through the 12th grade. In 2013, CHEC was selected by Fight For Children as the winner of the Quality Schools Initiative Award for innovation in education. CHEC students come from over 20 countries and we use this diversity to complement our globally themed curriculum. Every grade explores a global theme, which ties together their learning and builds their global awareness.

Mission:

At Drew Elementary School, our primary objective is student progress and achievement. While we celebrate individual student differences, every student is encouraged and expected to do his or her best. In order to help our students succeed in the classroom, we individualize learning through the use of technology, as well as small group instruction. Through our core values, we focus on developing students' character. We treasure and promote our partnerships with parents, which also support our students' academic achievement and social emotional growth. At Drew ES, we discover success in every child, everyday.

Garfield Prep is an inquiry-based and blended learning school. Our vision is to deliver a year-round, inquiry-based and blended learning instructional model that is structured to develop rich content knowledge across all grade levels. As a result, our students will have the foundation needed to defy the rigors of college and excel in their future careers. We have a data-driven focus on fully integrating and coordinating resources and services to improve academic and socio-emotional outcomes for all students. Frequent and ongoing formative assessments help us determine the instructional approaches best suited to meet each student's needs. We work closely with our family and community partners to create a safe and orderly learning environment and to increase academic achievement for all students.

Mission:

As an International Baccalaureate (IB) World School, we work to implement a rigorous and engaging program in which students are exposed to a multitude of ideas that foster global appreciation and an international mindset. Our students have the opportunity to participate in a variety of extracurricular activities, including our instrumental and vocal music program, Spanish language instruction and many other experiences to bolster their exposure to the outside world. We capture this learning by using an inquiry-based curriculum where students are challenged to make real-world connections, think deeply and arrive at their own dispositions with guidance from a diverse and talented staff. While we maintain a focus on student achievement we also ensure that international mindedness is captured in a multitude of ways. Students write, create and articulate how they will construct meaning regarding the world around them.

Mission:

Hearst Elementary School is a PK-5 school centered around a High Trust approach to teaching. Our teachers strive, first and foremost, to teach kids to think and be responsible. Hearst's early childhood program is accredited by NAEYC. Using a workshop model, our teachers influence students to love reading. In math, we use a combination of math fact fluency and hands-on math instruction, including ST Math, a computer-based program that encourages critical thinking through problem solving. Hearst offers Scholarship for Advanced Independent Learning (SAIL) for students in grades 3-5 exhibiting above grade-level ability. All students at Hearst have weekly specials, including Art, Performance Art, PE, and Library, and students in grades 2-5 also take a weekly Spanish class using Rosetta Stone. Hearst is an arts-focused school that embraces the arts and incorporates the arts across the curriculum.

Mission:

At Hendley Elementary School, our goal is to help all of our students learn to think analytically and become independent, well-rounded individuals. We currently serve students in preschool through 5th grade. All of our students take music, art, physical education and library classes as well as their core academic courses. When asked, our students say that one of the things they like best about Hendley are the field trips they take to supplement what they learn in the classroom. For students as well as staff and parents, our school is a warm, welcoming place to be.

Mission:

Key Elementary School is a 2008 Blue Ribbon School that strives to achieve four goals for every student from pre-kindergarten to 5th grade: to help each child master critical learning skills; to encourage every student to discover his or her unique abilities while respecting the accomplishments of others; to ensure a healthy physical environment that promotes each student's mental and physical development; and to provide the leadership, planning and resources necessary to accomplish these goals. At Key, our students' success is made possible by the high level of parental involvement and our outstanding staff.

Mission:

Ludlow-Taylor is a Title I elementary school on Capitol Hill. The focus of our work has been to build the expertise of our teaching staff so that our instructional program is powerful! Our data reflects impressive growth, kindergarten up through grade 5. Our DC CAS scores moved from 45 percent up to 61 percent in reading and from 53 percent up to 59 percent in math with our intermediate students scoring at the proficient and advanced levels. Our PTA is strong and active and our parents have created a House of Representatives to act as informational liaisons for our many engaged but busy parents. We are an Arts Integration School and our ECE classrooms implement that through Reggio Emilia. Ludlow-Taylor ES recently underwent a modernization. Come join us - The Best Kept Secret on the Hill!

The modern architectural design was specially conceived around the unique social, educational and physical needs of students with developmental and intellectual disabilities, ages 3 through 21. Specialized instruction is guided by goals established in each student's Individualized Education Program, while exposing students to grade-level standards and skills. Classes have a one-to-eight teacher-to-student ratio. Classroom instruction centers on the academic, communication, independent living, career awareness and post-secondary transition skills.

Mission:

Marie Reed is a wonderfully diverse school located in the Adams Morgan section of Washington, DC. Marie Reed is proud of its many services and course offerings. We offer English monolingual and English-Spanish Dual Language strands as learning environments for our children. In either case, our teachers are dedicated to creating rigorous, authentic learning experiences in every class at every level. Our parent community is active, as evidenced by our wonderful PTA that sponsors several successful events every school year and has raised thousands of dollars. We're preparing all students for college and professional futures starting right now!

Mission:

At J.C. Nalle, our goal is for our students to develop the academic and social skills necessary to become responsible citizens in our school and local community. For the past 15 years, the Freddie Mac Foundation has supported our students, alongside the non-profit organization National Center for Children and Families. These partnerships have provided our students and families with technology, cooking and fitness classes, mental health services and parenting workshops. Our youngest children learn in Montessori and preschool classrooms, while our 5th grade students participate in a special class field trip. We have developed two new partnerships this year, one with Playworks who will engage our children in safe and healthy play. Secondly, Fillmore Performing Arts will give our children experience in the performing arts, promoting well-rounded students academically and socially.

Mission:
 For more than 40 years, Oyster-Adams Bilingual Education Campus has served as a model for dual-language education in the District of Columbia and nationwide. Children learn 50% of their academic content in English and 50% in Spanish. While learning in a bilingual environment, our students develop their intellect and academic knowledge in two languages at the same time. The cultural diversity within Oyster-Adams forges long-lasting friendships among students and families from different cultural and linguistic backgrounds, nationalities and socio-economic levels and fosters fairness and leadership for everyone. Oyster-Adams won the TEAM Award for academic achievement in 2010. Oyster-Adams is housed at two separate facilities. Our Primary Campus (serving grades PK-3) is in Woodley Park and our Intermediate Campus (serving grades 4-8) is in Adams Morgan. Both campuses implement a full dual-immersion program.

Mission:

The historic Peabody Elementary School building an early childhood campus, serving students in preschool through kindergarten. An arts-integration school, our nurturing faculty is trained and passionate about integrating learning with real life, using different forms of the arts and a hands-on, inquiry-based approach to teaching and learning. We assess each child to learn their strengths and areas for development, and we support their growth with an individualized approach to learning. Students at Stuart-Hobson Middle School come to Peabody regularly as volunteers and tutors, contributing to our mission of building community responsibility and relationships. We use our edible and ornamental gardens, the Capitol Hill neighborhood and all of Washington, DC as an extension of the classroom, preparing our students to be successful at Watkins Elementary for 1st-5th grade and eventually Stuart-Hobson Middle School for 6th-8th grade.

**Mission:**

Powell Elementary School is a small, community-based school focused on academic success for all. We are the winners of the Fight for Children Rising Star Award and finalist for Dual Language School of the Year. Our mission is for every student to reach high levels of academic achievement. At Powell, our primary focus is on rigorous teaching and learning, and educating the whole child in a nurturing community and family-friendly school so that all students are prepared to succeed at the high school and college of their choice. They demonstrate their learning through portfolios, extended projects and investigations, performances, as well as ongoing assessments. All students also take music, art, physical education, foreign language and library media classes. Our comprehensive preschool and prekindergarten program features Tools of the Mind Curriculum (Powell was the pilot for DCPS). Through our Dual Language program (a formal international Spanish Academy), students have the opportunity to become biliterate/bilingual in English and Spanish while acquiring the skills they need to live and work with others in a global society.

Mission:

The River Terrace Special Needs School (K-12) will provide a full complement of academic offerings to DCPS students with unique and profound disabilities. Both Mamie D. Lee (Ward 5) and Sharpe Health (Ward 4) schools will consolidate into this K-12 facility in Ward 7. This newly-constructed school will offer the resources (aquatic therapy facilities, for example) and staff for the academic and personalized support our special needs students require and deserve. Additionally, River Terrace Special Needs School will offer a career services center to identify post-secondary opportunities to students.

**Mission:**

Alfred Kiger Savoy Elementary is a PK3-5 Arts Education Institution centered around the idea of becoming a beacon to the world by creating an exciting environment where young people are peerless in their academic achievements and fearless in their artistic accomplishments. We believe that it is our purpose and responsibility to affirm cultural self-awareness that allows each student to envision and fulfill his or her destiny. As recipients of the 2012 President's Committee on the Arts and Humanities Turnaround: Arts designation, our teachers strive to convey the abilities to think critically, act responsibly and apply these concepts consistently. With at least five computers in every classroom, Promethean Boards in grades 2-5, a library media center with more than 10,000 volumes, and a 25-terminal computer lab, our dedicated faculty is more than prepared to develop lifelong learners for the 21st century and beyond.

Mission:

School Without Walls (SWW) is a public magnet high school established in 1971 and accredited by the Middle States Association of Colleges and Schools. Over the years, the school has become one of the most outstanding schools in the District of Columbia Public School system. In 2010, Walls was recognized by the U.S. Department of Education as a Blue Ribbon School, a program that honors schools whose students achieve at high levels. Newsweek's 2013 list of America's best high schools ranked School Without Walls as a top school. School Without Walls provides a quality student-centered environment that maximizes integrative, interactive and experiential learning within the framework of a humanities approach. This program is achieved by using the city and the world as a classroom for our students.

**Mission:**

Located in the historic Shaw neighborhood, Seaton Elementary has an extremely diverse, multicultural staff and student population. Although our students hail from different cultural backgrounds, they have formed strong bonds and have created a thriving school community. At Seaton, we have a strong English as a Second Language program that serves students who speak Chinese, Spanish and Amharic. When our students leave Seaton, they should be able to excel in middle school and throughout the rest of their academic careers.

Mission:

Stoddert Elementary School serves approximately 400 students in prekindergarten through 5th grade. The students hail from very diverse backgrounds, representing 26 different countries and speaking over 28 languages. We pride ourselves on our strong parental involvement and community interest. In 2011 Stodert was recognized by the U.S. Green Building Council as a LEED Gold status. Our students learn in a beautiful geothermal, renewable-energy modernized school, complete with a state-of-the-art gym and cafeteria and a rooftop urban garden. We were honored to receive the first Green Ribbon School award for exemplary achievement in environmental impact and energy efficiency, health and wellness, and environmental education from the U.S. Department of Education and continue our focus to educate students and the community in understanding the world and our impact on it. We have earned autonomy status after a quality school review by demonstrating an outstanding record of high student achievement. Stoddert Elementary is one of the first schools in the District of Columbia to receive 'Reward School' status based on our students' achievement on the 2012 DC CAS.

Mission:

Our goal at Truesdell Education Campus is for every child we serve to receive the character, education and academic development necessary to be successful in college, in their careers and in life. We start talking about college with our three-year-old preschool students. The educators in the building are extremely committed to helping children develop in all areas, with many volunteering to stay after school and on weekends to work with children. The staff truly goes above and beyond.

Mission:

At Tyler, we offer three unique programs that address the needs of each individual student while contributing to a tight-knit school community. Our Spanish immersion program serves approximately 160 students in preschool through 3rd grade. Tyler is also an Arts Integration Catalyst school, which means that students incorporate the arts into all subjects. Finally, Tyler serves a Special Education population that consists primarily of autistic and intellectually disabled students. All three of these programs are compassionate and connected the values that we try to exemplify and instill in our students at Tyler. Our vision at Tyler is for all students to experience an engaging and rigorous curriculum so they can grow and read at and above grade level. Our mission statement is "Tyler grows students, arts, language, technology, global citizens."

Mission:

With five classes in each grade from first through fifth, Watkins is a safe, comfortable and engaging learning environment for students. Watkins develops well-rounded students who work collaboratively and recognize their role as members of a larger community. With a curriculum focused on non-fiction writing, critical thinking skills and conceptual math, teachers emphasize the application of numeracy and literacy to real-world situations, use multiple methods to teach each skill and encourage students to explain and discuss their approach to solving problems. Five special subjects art, music, computer, library and physical education reinforce and enhance the academic curriculum. Watkins employs Responsive Classroom, a research-based approach to education that encourages cooperation, empathy, responsibility, self-control and collaborative problem solving.

Mission:

Housed in a brand new, state-of-the-art facility, Wheatley Education Campus is a school with caring teachers and staff who believe that every child can succeed inside and outside of the classroom. We believe that the mental health and wellbeing of our students is essential, so we have social workers and a psychologist on staff to meet our students' needs. At Wheatley, the key to our success is the quality of our teachers and dedicated staff who work incredibly hard to ensure that every child is successful and growing both academically and socially.

Mission:

As a K-8 education campus, Whittier's activities focus on rigorous instruction that is inclusive of active learning strategies, differentiated instruction, excellence in technology instruction, hands-on experiences and authentic assessments. Advancements in the field of Science, Technology, Engineering and Mathematics (STEM) have radically changed the way we function. In order to adapt to the fast-changing technology in our world and be leaders in using, creating and developing the next line of advancements in any field or career, our students need exposure to and adequate training in the STEM field. Our STEM school designs lessons and a school culture to promote STEM issues and skills. In a STEM classroom at any level and in any subject, students actively learn through discovery. Students and teachers are engaged and motivated, and they work together as fellow-adventurers to explore while they learn.

**Mission:**

Washington Metropolitan conveys to students that our aim is to help them discover their talents and set goals for their future. We are continuously improving our program by increasing instructional technology, improving intervention opportunities, extending service-learning throughout the curriculum, providing leadership and character-building opportunities, and monitoring student's academic progress. We are committed to serving some of the District of Columbia's most disengaged students and providing services, supports and opportunities for all students to become successful

Mission:

DCPS @ Youth Services Center is an alternative school within a youth detention facility. The school is designed to meet the needs of students who are currently detained by the juvenile justice system regardless of academic career history and current academic standing. Our mission is to meet the academic needs of at-risk students by creating an energetic environment conducive to learning. Our academies cater instruction to each student's learning style and ability through the use of staff who foster academic excellence, build character and re-engage students who may not have attended school for a significant period of time. To improve student learning and success we focus on reading, writing and numeracy.

Performance Plan Endnotes:

¹As of the 2014-2015 school year, all public schools in the District of Columbia have replaced the DC CAS with the Partnership for the Assessment of Readiness in College and Careers assessments. After the baseline year of data is available, projections for FY 2016 and beyond will be provided.

²DCPS uses what is known as a “value-added” measure to quantify the impact that a teacher has on student learning. For the past four years, DCPS has calculated value-added scores for teachers whose students take DC’s “state” assessment, the DC CAS. Though it is possible to do the same with the PARCC assessment, DCPS has decided to pause this calculation for one year because the data from the new test may not be available in time for the school system to generate reliable and final teacher ratings by mid-summer, when it traditionally informs educators of their scores. DCPS will return to using value-added measurements during the 2015-16 school year (FY 2016).

³The Mayor’s goal is to decrease non-public enrollments to 1,100 (50 percent reduction) by the end of FY 2015. This target means DCPS would reach that goal a year early.

⁴As of the 2014-2015 school year, all public schools in the District of Columbia have replaced the DC CAS with the Partnership for the Assessment of Readiness in College and Careers assessments. After the baseline year of data is available, projections for FY 2016 and beyond will be provided.

⁵This metric is new in FY 2015 and reflects the expanded scope of the Office of Specialized Instruction to include the Language Acquisition Division, which focuses on programming for English Language Learners (ELLs).

⁶As of the 2014-2015 school year, all public schools in the District of Columbia have replaced the DC CAS with the Partnership for the Assessment of Readiness in College and Careers assessments. After the baseline year of data is available, projections for FY 2016 and beyond will be provided.

⁷OSSE calculates ACGR and excludes non-public students for the purpose of this calculation. DCPS counts non-public students in our internal reporting and that makes our ACGR 56 percent.

⁸The 2014 adjusted cohort graduation rate (ACGR) has not been released by OSSE as of the submission of this document.

⁹The Office of Innovation and Research is a new office in FY 2016.

The Teachers' Retirement System provides the District's required contribution to this retirement plan, which is administered by the District of Columbia Retirement Board (DCRB).

Under provisions of the Police Officers, Firefighters, and Teachers Retirement Benefit Replacement Plan Act of 1998 ("the Act"), the federal government assumed the District's unfunded pension liability for the retirement plans for teachers, police officers, firefighters and judges. Pursuant to the Act, the federal government will pay the retirement and death benefits, and a defined share of disability benefits, for employees for service accrued prior to July 1, 1997. The costs for benefits earned after June 30, 1997 are the responsibility of the Government of the District of Columbia. This budget reflects the required annual District contribution to fund these earned benefits. Pursuant to District Code section 1-907.03(b) (2006 Repl.), the District is required to budget the pension contribution at an amount equal to, or greater than, the amount certified by the DCRB on the basis of a prescribed actuarial study and formula calculation that is set forth in section 1-907.03. On January 7, 2015, DCRB transmitted the certified contribution for inclusion in the District's FY 2016 proposed budget as reflected in this chapter.

The agency's FY 2016 proposed budget is presented in the following tables:

FY 2016 Proposed Budget Changes

The Teachers' Retirement System's (TRS) proposed FY 2016 gross budget is \$44,469,000, which represents a 12.5 percent increase over its FY 2015 approved gross budget of \$39,513,000. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple programs/divisions, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 4 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

TRS's FY 2016 CSFL budget is \$39,513,000, which represents no change from the FY 2015 approved Local funds budget.

Agency Budget Submission

Technical Adjustment: The proposed Local funds budget for TRS reflects an increase of \$4,956,000. This adjustment is based on the District of Columbia Retirement Board's approved actuarial certification as of January 7, 2015.

Mayor's Proposed Budget

No Change: The Teachers' Retirement System's budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.

FY 2016 Proposed Budget Changes

The Office of the State Superintendent of Education's (OSSE) proposed FY 2016 gross budget is \$448,030,086, which represents a 2.8 percent increase over its FY 2015 approved gross budget of \$435,917,922. The budget is comprised of \$131,956,082 in Local funds, \$4,305,560 in Dedicated Taxes, \$60,000,000 in Federal Payments, \$212,557,880 in Federal Grant funds, \$103,679 in Private Grants, \$990,877 in Special Purpose Revenue funds, and \$38,116,006 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple divisions, and it estimates how much it would cost an agency to continue its current divisions and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

OSSE's FY 2016 CSFL budget is \$139,902,978, which represents a \$2,072,244, or 1.5 percent, increase over the FY 2015 approved Local funds budget of \$137,830,734.

CSFL Assumptions

The FY 2016 CSFL calculated for OSSE included adjustment entries that are not described in detail on table 5. These adjustments include a reduction of \$563,000 to account for the removal of one-time funding appropriated in FY 2015 for a pilot school-based food pantry program. Additionally, adjustments were made for a net increase of \$715,015 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements implemented in FY 2015, and an increase of \$369,149 in nonpersonal services based on the Consumer Price Index factor of 2.2 percent.

OSSE's CSFL funding for the restoration of one-time salary lapse reflects an adjustment for an increase of \$600,000 to account for a one-time reduction in personal services costs based on salary lapse. Adjustments were made for \$82,965 for Fixed Costs Inflation Factor to account for increases of \$136,338 in Rentals – Land and Structures, \$12,296 in Security Services, and \$6,792 in Energy; offset by a decrease of \$72,461 in Occupancy, based on estimated costs by the Department of General Services. Additionally, an increase of \$868,115 and 5.2 FTEs based on Other Adjustments occurred to support costs associated with compensation and classification and specific unions for attorneys.

Agency Budget Submission

In OSSE's role as the District of Columbia's State Education agency, the agency is tasked with ensuring that all District students receive the same level of education regardless of their demographics relating to race, ethnicity, special education needs, or other factors. Their continued success in meeting this goal is most evident in the District's improved citywide graduation rates; improvements in reading, math, and science assessments; and increased in-seat attendance rates.

In an effort to continue making improvements to the District's Education System, a new D.C. State Assessment called Partnership for Assessment of Readiness for College and Careers (PARCC) has been implemented in 2015. PARCC is a computer-based K-12 assessment that will help improve proficiency in English Language, Arts/Literacy and Mathematics because it challenges students and promotes critical thinking. PARCC will replace the D.C. Comprehensive Assessment System (DC CAS) and will assist OSSE in measuring student growth and preparing high school graduates for college and careers.

Increase: To assist OSSE in achieving its mission, the following budget adjustments are being proposed: In Local funds, OSSE's Contractual Services budget supports an increase of \$6,222,774, primarily in the Early Childhood Education division. This increase is a result of a reclassification of the Professional Development contract for Information Technology Data, from Subsidies and Transfers to Contractual Services. The personal services budget supports an increase of \$1,676,830 and 16.5 FTEs to align the budget with projected salary and Fringe Benefits increases and support staffing needs, primarily in the Office of the Director's division. In nonpersonal services the proposed budget includes an increase of \$706,418 and is comprised of increases of \$95,769 in supplies, \$56,102 in Equipment and Equipment Rental, and \$554,547 primarily for professional service fees in the Post- Secondary Education and Workforce Readiness division. In Fixed Costs, the proposed budget increased \$24,962 for telecommunications to align with the Department of General Services' estimates.

In Dedicated Taxes, the proposed personal services budget supports an increase of \$39,560 to align with projected salary and Fringe Benefits costs in the Wellness and Nutrition's division for the Healthy Schools Act.

In Federal Grant funds, OSSE proposes an increase of \$12,442,642 and 3.8 FTEs to align the budget with projected grant awards, and is primarily allocated in the Office of Wellness and Nutrition Services division.

In Special Purpose Revenue, OSSE proposes an increase of \$542,750 primarily in the Elementary and Secondary Education division and the Office of Wellness and Nutrition Services division.

In Intra-District funds, OSSE's proposed budget includes an increase of \$138,601, which is comprised of the Memorandum of Understanding (MOU) agreements with the District of Columbia Public Schools to strengthen the capacity of assessing trends in priority health, and with the District of Columbia Public Charter Schools to administer public charter school payments.

Decrease: In Local funds, OSSE's personal services budget decreased \$1,656,863 and 16.8 FTEs primarily from the Agency Financial Operations division to align resources with operational goals throughout multiple divisions. OSSE's nonpersonal services budget was reduced by \$6,974,120, and includes decreases of \$6,060,402 due to a reallocation of funds from Subsidies and Transfers to Contractual Services within the Early Childhood Education division, and \$1,500,000 in Blackman Jones special education services; offset by an increase of \$586,282 to align other subsidy services with projected costs.

In Federal Grant funds, OSSE's proposed budget includes a decrease of \$1,890,595 and 4.6 FTEs in multiple divisions due to grants expiring in fiscal year 2015 and projected grant award amounts.

In Private Grant funds, OSSE proposes a decrease of \$13,468 in personal services within the Office of the Director's division due to projected salary and Fringe Benefit estimates.

In Intra-District funds, the proposed budget includes a decrease of \$210,883 in the Early Childhood Education division to align contracts with projected costs.

Shift: In Federal Grant funds, the proposed budget includes a decrease of \$8,055,038 and 6.5 FTEs to reflect Federal Payment funding incorrectly classified as Federal grant funding.

Technical Adjustment: In Local funds, OSSE's proposed budget includes an adjustment of \$39,241 to support performance-related pay adjustments for attorneys previously budgeted for in the Office of the Attorney General's agency.

The FY 2016 Federal Payments request for OSSE includes an increase of \$15,000,000 to align the budget with the President's budget request. The increase is comprised of \$10,000,000 in the Post-Secondary Education and Workforce Readiness division for the purpose of resident tuition assistance and \$5,000,000 in the Elementary and Secondary Education division for school improvements for District of Columbia Public Charter Schools. The increase also includes 1.4 FTEs to support staffing needs within the Post Secondary Education and Workforce Readiness division.

Mayor's Proposed Budget

Enhance: OSSE's Local funds budget proposal includes an increase of \$200,000 within the Elementary and Secondary Education division for the establishment of a new community school.

Reduce: OSSE's Local funds budget proposal includes decreases of \$1,585 for telephone equipment and data plans and \$234,084 in office supplies, software, and equipment purchases. Additionally, a decrease of \$928,425 was made to professional service fees, primarily in the Post-Secondary Education and Workforce Readiness division for savings in the Career Academy Networks grant program.

The proposed budget also includes a decrease of \$2,175,438 in Contractual Services, primarily in the General Education Tuition division as a result of lower enrollment numbers for children in foster care, and the Post-Secondary Education and Workforce Readiness division for costs savings in the Accelerated Learning Initiative and Career Academy Networks programs. Additionally, a decrease of \$3,051,000 was made to the Healthy Tots program to align nutrition services with projected costs. OSSE's budget also includes a \$2,000,000 shift in funding within the Office of Early Childhood Education, from early learning contracts to support quality initiatives and professional development, with no net effect on the budget.

In Federal Grant funds, OSSE's proposed budget includes a decrease of \$6,756 and 0.1 FTE, which represents the Federal portion of a position eliminated from Local funds.

Transfer-out/Reduce: In personal services, the budget was adjusted by \$1,795,604 and 15.9 FTEs. The adjustment is comprised of decreases of \$302,295 and 3.0 FTEs to reflect a transfer of procurement services and personnel to the Office of Contracting and Procurement to support the Procurement Practices Reform Act of 2010 and \$1,493,309 and 12.9 FTEs to reflect the elimination of vacant positions across multiple divisions.

Program Description

The District of Columbia Public Charter Schools operates through the following program:

D.C. Charter Schools - Under the provisions of law set forth in Division VI, Title 38, Subtitle IV, Chapter 17 of the District of Columbia Official Code, public charter schools are private, non-profit corporations that operate under the terms and conditions set forth in their charters and as approved by the District of Columbia Public Charter School Board, the chartering authority. The public charter schools are autonomous, nonsectarian institutions that cannot charge tuition to District resident students. Additionally, public charter schools cannot impose discriminatory admissions policies or tests on District resident students.

Public charter schools receive the same level of District funding for their enrolled students as students enrolled in the District of Columbia Public Schools, pursuant to the District's Uniform Per Student Funding Formula (UPSFF) (refer to District of Columbia Official Code Section 38-29). Public charter schools also receive a facilities allowance to maintain and operate their buildings. In addition to District government funding, public charter schools are eligible to receive federal and private grants and may engage in private fund-raising.

The District of Columbia Public Charter Schools operate under these goals:

- Public charter schools will abide by the provisions set forth in their individual charters;
- Individual public charter schools will comply with all reporting requirements set forth by the chartering authority;
- Public charter schools will provide students with exposure to career pathways and focus on particular areas of study to further enhance students' academic experiences;
- Public charter schools will meet all academic performance goals set forth in their individual charter agreements; and
- The chartering authority will monitor and evaluate performance of public charter schools based on the provisions set forth in each school's charter.

Program Structure Change

The District of Columbia Public Charter Schools has no program structure changes in the FY 2016 proposed budget.

FY 2016 Proposed Budget Changes

The District of Columbia Public Charter Schools' (DCPCS) proposed FY 2016 gross budget is \$682,665,961, which represents a 1.1 percent increase over its FY 2015 approved gross budget of \$675,407,996. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DCPCS's FY 2016 CSFL budget is \$688,916,156, which represents a \$13,508,160, or 2.0 percent, increase over the FY 2015 approved Local funds budget of \$675,407,996.

CSFL Assumptions

DCPCS' CSFL funding for Student Funding Formula Inflation Factor reflects an adjustment for an increase of \$13,508,160 to account for an inflation factor of 2.0 percent, which was applied to the UPSFF.

Agency Budget Submission

Operating independent from the District of Columbia Public Schools system, DCPCS' goal is to provide a quality alternative for education that provides both traditional and innovative approaches to learning. DCPCS currently has 58 public charter schools in operation and plans to establish four additional schools in 2015. DCPCS proposes the following budget adjustments:

Increase: DCPCS' budget proposal includes an increase of \$155,496 and 1.0 FTE to support the salary and Fringe Benefits for the Financial Manager position, previously paid for by the District of Columbia Public Charter School Board. The budget also includes an increase of \$120,004 to support a Memorandum of Understanding (MOU) agreement with the Office of the State Superintendent of Education for administering charter school payments.

Decrease: DCPCS' budget also proposes a reduction of \$275,500 in nonpersonal services to offset the cost of a full-time equivalent position as well as costs associated with the administration of their MOU agreement.

Mayor's Proposed Budget

Reduce: DCPCS' budget proposal reflects an adjustment of \$6,250,195. This adjustment was made to align the budget with the revised student enrollment projections made subsequent to publishing the CSFL and removal of the inflation factor made during the development of the CSFL.

Protected Programs: The District's public schools receive Local funding through the UPSFF. This system of funding was established by the District of Columbia School Reform Act of 1995 and was designed to ensure that all public schools across the District receive the same level of funding on a per-student basis, regardless of what neighborhood the school is in or where students live. This formula was estimated to be derived from a market basket of goods and services determined by analysis that uses local, regional, and national education funding research and practices to develop a foundation. The percentage allocation of the market basket dollars has not changed in FY 2016. The UPSFF is intended to cover all local education agency operational costs for District public schools, including school-based instruction, student classroom support, utilities, administration, custodial services, and instructional support, such as curriculum and testing. The UPSFF is based on a foundation amount, which is then enhanced according to different weights for higher cost grade levels and supplemental funding weights for students with special needs. The average cost per student, based on the proposed enrollment of 39,448 and a proposed gross budget of \$682,665,961 is \$17,305.

Additional Resources Available to Charters: The FY 2016 budget continues to support several existing financial programs that meet the unique facility needs of the public charter school community. The Office of the Superintendent of Education (OSSE) manages four programs designed to provide financial support for charter schools' facilities costs:

- **Credit Enhancement Fund:** The Credit Enhancement fund provides support for public charter schools in the form of loan guarantees, collateral, lease guarantees, debt service reserves, and other financing assistance;
- **Direct Loan Fund:** The Direct Loan fund provides loans to public charter schools for acquisitions, construction, renovation, tenant improvement, and maintenance of public charter schools facilities;
- **Facility Grants (Inc. City Build):** The City Build program is a joint education and neighborhood development initiative that promotes community revitalization with a particular emphasis on strengthening public education through public charter schools. The aim of City Build stretches beyond excellence in academics. It also focuses on encouraging the creation of partnerships between public charter schools and community organizations. There are also grants for renovation and modernization, public and special facilities, etc. For FY 2016, up to \$7 million may be available through the Facility Grants; and
- **Incubator Facilities:** OSSE entered into a partnership with Building Hope to develop incubator facilities in the District of Columbia. The Incubator Initiative is funded from the Credit Enhancement Grant awarded by the U.S. Department of Education.

Program Description

The University of the District of Columbia Subsidy Account operates through the following program:

UDC Subsidy – The University, as a component unit of the District of Columbia government, is a legally separate entity for which the elected officials of the District of Columbia are financially accountable. Accountability exists because the Mayor, with the consent of the Council, appoints members to the University Board of Trustees, and pursuant to District of Columbia Official Code Section 38-1202.06(4), approves the University’s budget. In addition, the District provides financial support to the University.

The operating budget of this component unit is shown as an enterprise fund to align the University’s budgetary information with its financial reporting as reflected in the District’s Comprehensive Annual Financial Report, in which the University’s financial data is reported separately from that of the District government. Accordingly, details of the University’s operating budget are provided in its chapter in the Enterprise and Other Funds section of the budget. In FY 2005, a subsidy account for this component was created to show the annual transfer of Local funds support from the District government to the University.

Program Structure Change

The University of the District of Columbia Subsidy Account has no program structure changes in the FY 2016 proposed budget.

FY 2016 Proposed Budget Changes

The University of the District of Columbia (UDC) Subsidy Account's proposed FY 2016 gross budget is \$67,433,444, which represents a 6.9 percent decrease from its FY 2015 approved gross budget of \$72,457,573. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 4 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

The UDC Subsidy Account's FY 2016 CSFL budget is \$70,982,573, which represents a \$1,475,000, or 2.0 percent, decrease from the FY 2015 approved Local funds budget of \$72,457,573.

CSFL Assumptions

The FY 2016 CSFL calculated for UDC Subsidy Account included adjustment entries that are not described in detail on table 4. The adjustment includes a reduction of \$1,475,000 to account for the removal of one-time funding appropriated in FY 2015 in nonpersonal services to support accreditation and marketing activities.

Agency Budget Submission

No Change: The UDC Subsidy Account's budget proposal reflects no change from the CSFL to the agency budget submission.

Mayor's Proposed Budget

Reduce: The UDC's Subsidy Account budget was reduced by \$3,549,129 based on lower projection for subsidy payments to the University.

FY 2016 Proposed Budget Changes

The District of Columbia Public Library's (DCPL) proposed FY 2016 gross budget is \$55,651,144, which represents a 3.6 percent decrease from its FY 2015 approved gross budget of \$57,728,308. The budget is comprised of \$54,175,313 in Local funds, \$918,531 in Federal Grant funds, \$540,000 in Special Purpose Revenue funds, and \$17,300 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple divisions and it estimates how much it would cost an agency to continue its current divisions and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DCPL's FY 2016 CSFL budget is \$57,242,701, which represents a \$957,865, or 1.7 percent, increase over the FY 2015 approved Local funds budget of \$56,284,836.

CSFL Assumptions

The FY 2016 CSFL calculated for DCPL included adjustment entries that are not described in detail on table 5. These adjustments were made for a net increase of \$1,041,144 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements implemented in FY 2015, and an increase of \$20,461 in nonpersonal services based on the Consumer Price Index factor of 2.2 percent.

DCPL's CSFL funding for Operating Impact of Capital, reflects an adjustment for an increase of \$210,000 to account for the operating budget impact of completed capital projects. Additionally, adjustments were made for a decrease of \$313,740 for Other Adjustments to account for proper funding of compensation and classification reforms within the Workforce Investments fund for Compensation Groups 1 and 2.

Agency Budget Submission

Increase: DCPL continues to encourage the passion for reading and life-long learning among children, teens, and adults through various resources that are available in the agency's facilities. In order to maintain these efforts, the agency proposes adjustments in the Local funds budget to reflect a net increase of \$1,088,647 across multiple divisions to fund projected personal services costs related to salary steps, Fringe Benefits, and Overtime.

In the Federal Grant funds budget, DCPL proposes a net increase of \$46,046 in the Library Services division primarily to fund projected increases in equipment costs. The funding source for DCPL's Federal Grant funds budget is the Library Services and Technology Act (LSTA) Grant from the Institute of Museum and Library Services.

In FY 2016, DCPL proposes to establish an Intra-District funds budget for \$17,300. This increase is based on a Memorandum of Understanding with the D.C. Department on Disability Services' Rehabilitation Services Administration to provide blind or low vision individuals access to state and national newspapers, magazines, and wire feeds, as well as television listings.

Decrease: In Local funds, DCPL proposes to streamline operational efficiencies across various divisions in nonpersonal services that will partially offset the increases in personal services. These adjustments include a net decrease of \$266,500 in the Agency Management program based on estimates from the Department of General Services for Fixed Cost commodities such as Energy and Rent. Non-Public Tuition funds a variety of required specialized services, including instruction, related services, educational evaluations, and other supports and services provided by day and residential public and nonpublic special education schools and programs. The agency also funds students with disabilities who are District residents placed by the Child and Family Services Agency (CFSA) into foster homes and attending public schools in those jurisdictions. The budget also provides for supplemental payments to St. Coletta's Public Charter School to cover the costs of students who require specialized services beyond what can be supported through the Uniform Per Student Funding Formula (UPSFF). Administration of the program is supported by providing staff resources to administer the Non-Public Tuition funds.

FY 2016 Proposed Budget Changes

The Non-Public Tuition's (NPT) proposed FY 2016 gross budget is \$74,414,869, which represents a 0.1 percent increase over its FY 2015 approved gross budget of \$74,339,737. The budget is comprised of entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

NPT's FY 2016 CSFL budget is \$74,414,869, which represents a \$75,132, or 0.1 percent, increase over the FY 2015 approved Local funds budget of \$74,339,737.

CSFL Assumptions

The FY 2016 CSFL calculated for NPT included adjustment entries that are not described in detail on table 5. These adjustments were made for increases of \$74,912 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements implemented in FY 2015, and an increase of \$220 in nonpersonal services based on the Consumer Price Index factor of 2.2 percent.

Agency Budget Submission

Increase: Non-Public Tuition's Local funds budget proposal includes an increase of \$184,908 and 1.0 FTE to support a new Medicaid Recovery Director's position and an increase of \$27,000 for general office supplies and travel.

Decrease: Non-Public Tuition's Local funds budget proposal includes a decrease of \$211,908 to align the budget with projected provider service fees and administration costs.

Mayor's Proposed Budget

No Change: Non-Public Tuition's budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.

FY 2016 Proposed Budget Changes

The Special Education Transportation's (SET) proposed FY 2016 gross budget is \$97,305,376, which represents a 1.3 percent decrease from its FY 2015 approved gross budget of \$98,562,426. The budget is comprised of \$93,805,376 in Local funds and \$3,500,000 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

SET's FY 2016 CSFL budget is \$97,440,511, which represents a \$3,878,085, or 4.1 percent, increase over the FY 2015 approved Local funds budget of \$93,562,426.

CSFL Assumptions

The FY 2016 CSFL calculated for SET included adjustment entries that are not described in detail on table 5. These adjustments were made for increases of \$6,055,103 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements implemented in FY 2015, and an increase of \$71,119 in nonpersonal services based on the Consumer Price Index factor of 2.2 percent.

SET's CSFL funding for Fixed Costs Inflation Factor reflects an adjustment for a decrease of \$2,248,137 to primarily account for Department of General Services' (DGS) estimates for rent and security services.

Agency Budget Submission

Increase: Providing quality, reliable transportation services for District students continues to be a priority for SET. To ensure continued quality services, SET proposes the following adjustments: in personal services, the Local budget contains an increase of \$1,684,230 to support projected salary and Fringe Benefit costs. Staffing supports an increase of 11.4 Full-Time Equivalents (FTE) to support Parent Call Center activities, investigations of operations, and Fleet Management services.

In nonpersonal services, the Local funds budget includes a net increase of \$750,538, which is comprised of a decrease of \$188,250 in supplies and an increase of \$938,788, primarily for professional service fees associated with communications and the administration of services to OSSE-DOT staff, District schools, and residents utilizing student transportation. Fixed Costs also reflects a net increase of \$567,391, which is comprised of a decrease of \$212,609 in telecommunications costs and an increase of \$780,000 to align the budget with Department of General Services estimates to support rental property on New York Avenue.

Decrease: SET's Local funds budget proposal for Contractual Services reflects a decrease of \$1,293,611, primarily in terminal operations control, communications, and outreach. In personal services, the budget was decreased by \$1,708,548 and 58.6 FTEs to reflect the removal of vacant positions, primarily Bus Attendants.

In Intra-District funds, SET's budget contains a decrease of \$1,500,000 to reflect projected Federal Medicaid Reimbursements within the Office of the Director program.

Mayor's Proposed Budget

Reduce: SET's Local budget proposal includes a decrease of \$494,659 in contract services for terminal operations, and a decrease in personal services for \$3,005,341 and 65.3 FTEs to reflect the elimination of vacant positions within the Terminal Operations program.

Transfer-Out: SET’s budget includes an adjustment for \$135,135 and 1.0 FTE to reflect the transfer of a procurement services position to the Office of Contracting and Procurement (OCP) for the recently established Procurement Practices Reform Act.

FY 2016 Proposed Budget Changes

The D.C. State Board of Education's (SBOE) proposed FY 2016 gross budget is \$1,104,576, which represents a 4.1 percent decrease from its FY 2015 approved gross budget of \$1,151,555. The budget is comprised of \$1,076,275 in Local funds and \$28,300 in Private Donations.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

SBOE's FY 2016 CSFL budget is \$1,169,864, which represents a \$18,309, or 1.6 percent, increase over the FY 2015 approved Local funds budget of \$1,151,555.

CSFL Assumptions

The FY 2016 CSFL calculated for SBOE included adjustment entries that are not described in detail on table 5. These adjustments were made for a net increase of \$18,309 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements implemented in FY 2015.

Agency Budget Submission

SBOE continues to provide oversight of public education to ensure that all students acquire the skills and knowledge needed to succeed in life. To achieve this mission, SBOE proposes the following budget adjustments:

Increase: In Local funds, SBOE proposes an increase of \$93,839 and 2.0 FTEs in personal services to support projected salary and Fringe Benefits increases and the movement of certain positions from full-time to part-time status. The agency also proposes an increase of \$69,816 in nonpersonal services to align the budget with supplies and equipment upgrades as well as provide professional development for Board members and staff. In Private Donations, the agency proposes an increase of \$28,300 to reflect donations of \$11,500 received from the National Association of the State Board of Education and \$16,800 from the Bennetta Bullock Scholarship fund.

Decrease: SBOE proposes a decrease of \$163,655 and 2.0 FTEs in personal services to properly categorize resources previously classified as Regular Pay - Continuing Full Time to Regular Pay - Term Full Time and other salary savings.

Mayor's Proposed Budget

Reduce: SBOE's Local funds budget proposal includes a decrease of \$46,690 to reflect an adjustment in personal services costs and a \$46,899 decrease in equipment, outreach materials, and membership fees.

FY 2016 Proposed Budget Changes

The Office of Deputy Mayor for Education's (DME) proposed FY 2016 gross budget is \$3,001,327, which represents a 56.6 percent decrease from its FY 2015 approved gross budget of \$6,917,249. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2015 approved budget across multiple divisions, and it estimates how much it would cost an agency to continue its current divisions and operations into the following fiscal year. The FY 2016 CSFL adjustments to the FY 2015 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DME's FY 2016 CSFL budget is \$3,001,327, which represents a \$3,915,922, or 56.6 percent, decrease from the FY 2015 approved Local funds budget of \$6,917,249.

CSFL Assumptions

The FY 2016 CSFL calculated for DME included adjustment entries that are not described in detail on table 5. These adjustments were made for a net increase of \$64,478 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements implemented in FY 2015, and an increase of \$19,600 in nonpersonal services based on the Consumer Price Index factor of 2.2 percent. Additionally, adjustments were made for a decrease of \$4,000,000 for the removal of One-Time funding for facilities planning grants for D.C. Public Charter Schools.

Agency Budget Submission

Increase: DME's budget includes an increase of \$93,300 in nonpersonal services to align the budget with programmatic needs and \$29,444 in personal services budget to support projected changes in salary steps and Fringe Benefits costs.

Decrease: The agency projects a savings of \$122,745 in Contractual Services as activities such as external evaluations, citywide anti-truancy campaign, communications, and funds for school lottery applications will operate at lower levels while maintaining the same level of service.

Mayor's Proposed Budget

No Change: The Office of Deputy Mayor for Education's budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.
