*Distinguished
Budget Presentation
Award*

PRESENTED TO

District of Columbia Government

District of Columbia

For the Fiscal Year Beginning

October 1, 2015

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to District of Columbia Government, District of Columbia, for its annual budget for the fiscal year beginning October 1, 2015. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications device. This award is the sixteenth in the history of the District of Columbia.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Transmittal Letters

GOVERNMENT OF THE DISTRICT OF COLUMBIA
OFFICE OF THE CHIEF FINANCIAL OFFICER

Jeffrey S. DeWitt
Chief Financial Officer

March 24, 2016

The Honorable Muriel Bowser
Mayor of the District of Columbia
John A. Wilson Building
1350 Pennsylvania Avenue, NW, Room 306
Washington, DC 20004

Dear Mayor Bowser:

I am pleased to transmit the Fiscal Year 2017 Proposed Budget and Financial Plan. The Fiscal Year 2017 Proposed Budget includes \$7.3 billion in Local funds and \$13.4 billion in Gross funds (excluding Intra-District funds).

The Office of the Chief Financial Officer (OCFO) worked closely with your executive leadership team, the City Administrator's Office of Budget and Finance (OBF) staff, and agency program staff to produce a balanced budget and five-year financial plan. The FY 2017 policy budget reflects your administration's funding priorities and determinations.

After careful review, I certify that the FY 2017 – FY 2020 Budget and Financial Plan, as proposed, are balanced.

REVENUE OUTLOOK

The revenue outlook is predicated on continuing moderate growth in the national economy and assumes similar growth in the District's economy, with added jobs and residents over the period of the financial plan.

Measures to constrain federal spending, however, are expected to be in effect during the period of the financial plan, with the severity of their impact diminishing over time.

Population growth has been a major factor in increasing the District's income and sales tax bases, and a major driving force behind rising home values. In the last five years (2010 to 2015),

the District's population has grown by 67,102 (11.1 percent), an increase that has averaged more than 1,000 net new residents per month over this period. Currently, about one third of the District's population growth is from natural increase (births minus deaths), and the rest is from migration from the rest of the U.S. and from overseas.

The FY 2016 baseline estimate of \$6.90 billion in total Local Fund Revenue, excluding Dedicated Taxes and Special Purpose Revenue, is essentially unchanged from FY 2015. FY 2015 revenues included more than \$300 million in one-time revenues related to capital gains and deed transfer and recordation taxes, as well as an on-line travel settlement of \$73.6 million. These extraordinary gains are not expected to recur in FY 2016. Furthermore, enacted tax policy proposals, which lower the corporate and individual income tax rates, also contribute to flat growth in FY 2016. The \$7.14 billion estimate for FY 2017 is an increase of \$233.7 million (3.4 percent) over FY 2016 and reflects continued strength across the major revenue sources, particularly in real property taxes. Including Dedicated General Fund Tax Revenue, Special Purpose Revenues, and policy initiatives, total FY 2016 General Fund Revenue in the financial plan is \$7.7 billion. Total General Fund Revenue in FY 2017 is \$8.0 billion, \$269.6 million more than FY 2016.

Various policy initiatives increase General Fund Revenue by \$3.7 million in FY 2016, \$26.7 million in FY 2017, and by nearly \$9.5 million through the remainder of the Financial Plan. Some of the major policy proposals are listed below:

- A delay of five years, from tax year 2016 to tax year 2021, in the implementation of a business franchise tax deduction, known as FAS 109 that was enacted with combined reporting laws in the FY 2011 legislation, raises \$3.7 million in FY 2016, increasing to \$7.4 million in FY 2017 through FY 2020
- An extension, on a one-time basis, of the hospital gross receipts tax, which authorizes the District to tax hospitals' inpatient and outpatient revenues, is expected to raise almost \$17 million in FY 2017
- A City Clean Hands initiative, which identifies delinquent (non-filer) sales and withholding tax returns, will increase revenues by \$2.0 million annually throughout the Financial Plan

EXPENDITURES

Local Funds

The FY 2017 Mayor's Proposed Budget includes \$7.3 billion in spending supported by \$7.3 billion of resources, with an operating margin of \$0.5 million, as shown in Table 1.

MAJOR COST DRIVERS – LOCAL FUNDS

Overall, the proposed FY 2017 Local funds budget increased by \$222.4 million, or 3.1 percent, over FY 2016. Table 3 provides a snapshot of the major cost drivers associated with the increase.

All Other Agencies	(19.9)
Total Changes	\$ 222.4
FY 2017 Proposed Local Funds Budget	\$ 7,285.4

Note: Details may not add to totals due to rounding

Primary Cost Drivers

- **Pay-As-You-Go Capital Fund (Paygo):** \$54.3 million increase is primarily due to \$21.7 million towards the District's contribution to WMATA's capital improvements program and \$39.4 million for the United Medical Center capital project. The remaining amounts are the result of smaller changes to various projects.
- **D.C. Public Charter Schools (DCPCS):** \$46.0 million increase over FY 2016, primarily due to increased enrollment from 38,962 in SY 2016 to 40,953 in SY 2017 (a 5.1% increase) and the opening of four new Charter schools.

- **Department of Human Services (DHS):** \$31.1 million increase in Local funds primarily due to \$10.0 million for additional housing resources for individuals and families, \$3.1 million for shelter and housing resources targeted to homeless youth, \$10.1 million of one-time funding to support TANF policy, \$4.9 million of one-time funding for the D.C. Access system, and \$1.5 million of one-time funding to support the Parent Adolescent Support Services (PASS) and Alternatives to the Court Experience Diversion (ACE) programs.
- **D.C. Public Schools (DCPS):** \$28.9 million increase over FY 2016, primarily due to increased enrollment from 49,190 in SY 2016 to 50,016 in SY 2017 (a 1.7% increase) and the costs associated with opening two new schools.
- **Repayment of Loans and Interest:** \$28.6 million increase in Local funds, which is the result of the District's increased borrowing for capital projects.
- **Fire and Emergency Medical Services Department:** \$19.7 million increase in Local funds, primarily due to a one-time increase of \$12.0 million for a third-party Emergency Medical Services provider contract for ambulance services. This service is a pilot program in FY 2016 and FY 2017.
- **Teachers' Retirement System:** \$12.3 million increase over FY 2017, which is based on the District of Columbia Retirement Board's approved actuarial certification that was transmitted to the Mayor in a letter dated January 11, 2016.
- **Metropolitan Police Department (MPD):** \$10.8 million increase in Local funds, primarily due to \$2.8 million for an initiative to civilianize 35 positions in MPD, thereby freeing sworn officers from administrative responsibilities to perform strictly law enforcement activities; \$4.9 million to support the Automated Traffic Enforcement program; \$3.1 million to implement full funding for the Body Worn Camera Program to cover the costs of 2,800 cameras; and additional spending requirements for personnel and equipment to handle Freedom of Information Act (FOIA) requests.
- **Department of Public Works (DPW):** \$10.6 million increase in Local funds, primarily due to \$4.0 million for additional staffing resources and increased salary and fringe benefits; \$4.0 million to support a pilot program for central management of DDOT fleet costs; \$1.5 million to support contract escalations for disposal of recycling waste; and \$1.1 million to support contract rate escalations for disposal of municipal waste.
- **All Other Agencies:** \$19.9 million reduction is the net of policy increases and decreases to various agency programs.

CAPITAL IMPROVEMENTS PLAN

The District is addressing its continuing infrastructure needs through its Capital Improvements Plan (CIP). The total proposed appropriation request for the FY 2017 through FY 2022 CIP is \$6.27 billion from all sources. The majority of the budget will be financed with municipal bonds totaling \$4.25 billion, along with Pay-As-You-Go (Paygo) transfers from the General Fund, Federal Grants, a local match to the grants from the Federal Highway Administration, private donations, sale of assets and local transportation fund revenue.

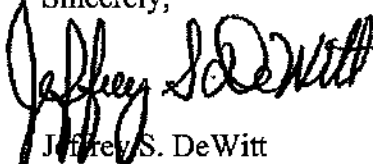

The proposed FY 2017 capital program includes \$1.31 billion in planned capital expenditures to be financed by \$865 million in new I.T. or G.O. bonds, \$6.5 million from new short-term bonds, \$94 million from Grant Anticipation Revenue Vehicle (GARVEE) bonds, \$80.2 million in Paygo, \$160.6 million in federal grants and payments, \$27.3 million in the Local Match to the Federal Highway Administration grants, \$45.1 million from the Local Transportation Revenue Fund, \$5 million from private grants, and \$26.3 million from the Sale of Assets. Debt service within the CIP period remains below the 12 percent debt cap.

MULTI-YEAR FINANCIAL PLAN

The plan shows substantial growth in debt service costs during the plan period to support the \$6.27 billion Capital Improvements Plan through FY 2022. Because of the growth in these costs, labor costs and other non-capital costs must be constrained at low to moderate growth levels throughout the financial plan. Careful monitoring of these costs, as well as execution of the capital plan, is required to ensure the plan remains balanced in the future.

The leadership provided by you and your team, along with the hard work of the Office of Budget and Planning and others in the OCFO, allowed us to work effectively together to produce a balanced budget. I look forward to continuing to work with you and the Council during the upcoming budget deliberations.

Sincerely,

Jeffrey S. DeWitt
Chief Financial Officer

How to Read the Agency Chapters

The agency chapters describe available resources for an agency, how the agency will spend them, and the achieved and anticipated outcomes as a result of these expenditures. For a detailed explanation of the fiscal tables and narrative sections, please see the “How to Read the Budget and Financial Plan” chapter in *Volume 1: Executive Summary*.

Each chapter contains the following, if applicable:

The first page of each agency chapter displays the agency name and budget code, website address, and telephone number. The page also shows a table that contains the agency’s gross funds, or total operating, budget. The table shows the Fiscal Year (FY) 2015 actual expenditures and Full-time Equivalents (FTEs); the FY 2016 Approved budget and FTEs; the FY 2017 Proposed budget and FTEs; and the percent change from the previous year for the budget and FTEs. Lastly, this page typically contains the agency mission statement and a summary of its services.

Subsequent pages reflect agency fiscal and programmatic levels and changes. The information varies by agency but typically contains the following financial tables and narrative sections:

- ***Proposed Funding by Source and Full-Time Equivalents table*** displays the agency FY 2015 actuals, the FY 2016 Approved, and the FY 2017 Proposed dollars by fund type.
- ***Proposed Expenditure by Comptroller Source Group (CSG) table*** identifies the gross fund changes by CSG, which is a type of budgetary classification that identifies category spending within personal services (personnel costs, such as salaries and fringe benefits) and nonpersonal services (operational costs, such as contracts, supplies, and subsidy payments).
- ***Proposed Operating Budget and FTEs, by Division/Program and Activity table*** shows the gross fund changes by dollars and FTEs. The Division/Program descriptions section that precedes this table explains the purpose of the divisions/programs and activities funded in the FY 2017 Proposed budget.
- ***FY 2016 Approved Budget to FY 2017 Proposed Budget reconciliation table*** shows the FY 2017 Proposed budget and FTE changes, by division or program, from the FY 2016 Approved budget. This table also includes a brief description of the change. A detailed narrative of the changes is found in the FY 2017 Proposed Budget Changes section that precedes this table.

District of Columbia Public Schools

Agency Budget Guide for FY 2017

Dear District of Columbia Public Schools Community:

I am pleased to share with you the DCPS budget priorities for Fiscal Year 2017. This year, we started the budget development process by identifying persistent challenges facing our students and schools, and asking for your guidance on how best to address those challenges. Through parent surveys, a public hearing, Local School Advisory Team (LSAT) meetings, and even a student hearing, we received input that significantly influenced our investments for the 2016-2017 school year.

To start, I want to highlight a major improvement to the budget timeline itself. We launched budget season in October, a full three months earlier than usual, to give our school communities, LSATs, and school leaders more time to make thoughtful budget decisions. With two additional weeks for school budget planning, LSATs and school leaders can better align resources to their goals for their students in a deliberate and data-driven way.

In the last seven years, DCPS provided schools with more money each year, culminating in an increase of 22 percent for school budgets, while Central Office funding has remained flat. Our investments over the last several years include:

- \$17.5 million in music, art, world language, physical education, and other courses in elementary schools;
- \$12.7 million in elective courses, more core curriculum offerings, excursions and enrichment opportunities, and social and emotional services in middle schools; and
- \$14.5 million in expanding AP courses, extracurricular activities, athletics, and career academies in high-wage, high-growth fields such as engineering, hospitality, and technology.

Additionally, the budget allocation for teachers has increased by 14 percent since Fiscal Year 2013. This investment in the teaching force enabled DCPS to retain 93 percent of its highly effective teachers and expand its work force in response to new course offerings for students.

This year, our budget is designed to maintain these investments and meet rising fixed costs, while also investing in three key priorities: (1) Extended Year Education, (2) Alternative schools, and (3) New schools and programs.

Extended Year Education

Eleven elementary and middle schools will offer extended year in School Year 2016-2017. Extending the school year will give our students the equivalent of an extra year of learning by 8th grade, and will minimize summer learning loss. In addition to more time, these schools will receive additional resources to support social emotional needs of students, pre-K learning, and teacher development. The ten schools moving to extended year are: Garfield Elementary School, H.D. Cooke Elementary School, Hart Middle School, Hendley Elementary School, Johnson Middle School, Kelly Miller Middle School, King Elementary School, Randle Highlands Elementary School, Thomas Elementary School, and Turner Elementary School. Raymond Education Campus will continue offering extended year after a successful pilot in School Year 2015-2016.

Alternative Schools

We also asked for input on how to reduce the dropout rate and make sure that every one of our high school students is on track toward graduation, college, and career. In SY16-17, our investments will include individual plans for every over-age, under-credited high school student to reach graduation and beyond at traditional high schools, with support from a new position in each school. Additionally, we are revamping programs at alternative high schools (Luke C. Moore High School, Washington Metropolitan High School, Ballou STAY High School, and Roosevelt STAY High School) with the same individualized, dedicated support, as well as an emphasis on social-emotional learning and career pathways.

New Schools and Programs

In addition to our key priorities, we also plan to open five new programs for SY16-17.

- First, the Empowering Males High School will open at the Ron Brown campus in Ward 7 with 150 students in its 9th grade class.
- Second, we will open MacFarland Middle School with a 6th grade Dual Language program. The school will be located in the MacFarland Middle School facility and will ultimately grow into a full neighborhood middle school in SY18-19.
- Third, we are launching the re-envisioned Roosevelt Senior High School with a global studies focus and a new Dual Language 9th grade program. Roosevelt will remain a neighborhood school and will move into its newly modernized facility in August 2016.
- Fourth, we will introduce a Spanish Dual Language program at Houston Elementary School in PreK-3. This program will also grow a grade each year until it is a full-school model.
- Fifth, Eliot-Hine Middle School will provide a rigorous curriculum as an International Baccalaureate school.

As a district, we continue to drive toward the five Capital Commitment goals we set in 2012: better student outcomes, improved student achievement in our 40 lowest-performing schools, increased graduation rates, improved student satisfaction, and rising student enrollment. While we have made incredible progress toward these goals, we cannot accept that more than half of our young people are still not on track for college and career. Friends, we have so much more work to do.

This year, we continue to put our resources toward our greatest challenges. Thank you for the ideas and energy you brought to the table as we made these plans. Now, our teams are ready to support your school communities as you prepare your budgets to best serve students in the year ahead. This work is impossible without your wisdom, passion, and relentless drive to set our children up for the success they deserve. I am so proud to have you as partners.

With sincere appreciation,

A handwritten signature in black ink, appearing to read 'Kaya Henderson', followed by a long horizontal line extending to the right.

Kaya Henderson
Chancellor, DCPS

Our Goals are ambitious. Based on the hopes and dreams of DCPS stakeholders, these goals will help us align our resources and measure our success.

1. Improve achievement rates

2. Invest in struggling schools

3. Increase graduation rate

4. Improve satisfaction

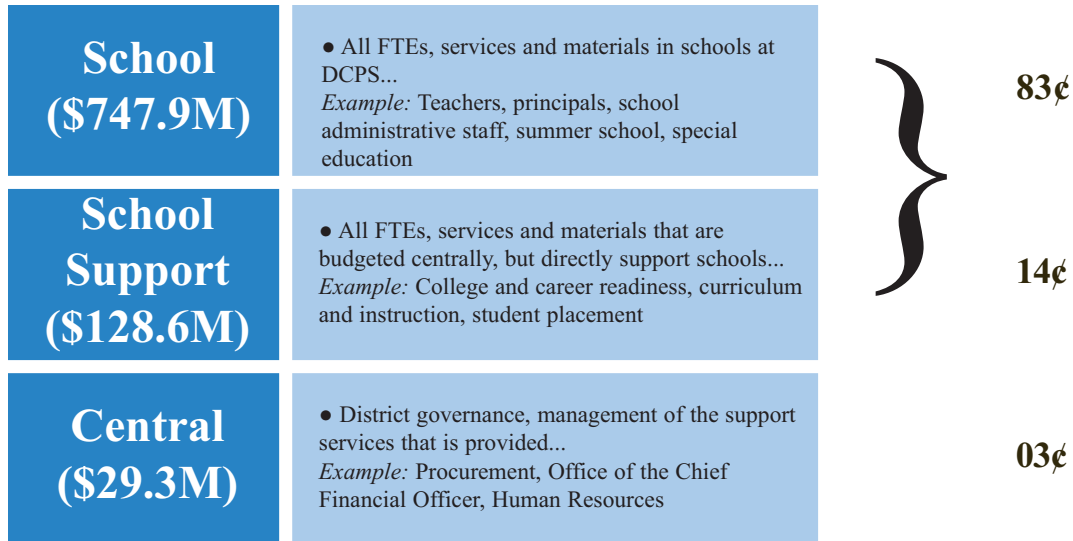

5. Increase enrollment

**For Every Dollar DCPS spends...
97 cents goes to support work in schools**

As the figure above shows, in FY 2017:

- 83 percent of DCPS’ overall budget is classified as a “school” cost – funds that support staff and non-personnel costs necessary for day-to-day school operations, instruction, and student service provision.
- 14 percent of DCPS’ overall budget is classified as a “school support” cost – programs, services, and people providing support to schools.
- The remaining 3 percent of DCPS’ budget is classified as “central” cost – funds management, oversight, and centralized administration for the school district.

Summary of Grants and Payments

DCPS receives approximately 83 percent of its budget through the Uniform Per Student Funding Formula (UPSFF) allocation of District-generated (Local) tax dollars. The remaining 17 percent of DCPS' budget comes from Special Purpose Revenue, Intra-District, Federal Grant, and Medicaid Assistance funds. Below are highlights of grants and payments DCPS receives that are over \$1M.

The mission of the D.C. Public Schools (DCPS) is to ensure that every DCPS school provides a world-class education that prepares ALL of our students, regardless of background or circumstance, for success in college, career, and life.

Summary of Services

DCPS delivers all services required to provide students with a quality education. These include:

- Operating schools that provide a consistent foundation in academics, strong support for social/emotional needs, and challenging themes and programs;
- Hiring, developing, and rewarding teachers, principals, aides, and other staff;
- Developing and implementing academic programs that provide all students with meaningful options for life;
- Collecting data and providing policymakers with accurate information about how our students and the school district are performing; and
- Providing schools the administrative and operational support they need to foster student achievement, creating forums for interaction and continued dialogue between DCPS and its community stakeholders.

The Local funds budget for the District of Columbia Public Schools is developed through the Uniform Per Student Funding Formula (UPSFF). It provides a per-student base foundation funding level as well as weighting factors for grade level. The UPSFF assigns additional funds for special education categories and English language learners through add-on weights. For more information, refer to District of Columbia Official Code Section 38-29.

Division Structure Change

The proposed division structure changes are provided in the Agency Realignment appendix to the proposed budget, which is located at www.cfo.dc.gov on the Annual Operating Budget and Capital Plan page.

FY 2017 Proposed Budget Changes

The District of Columbia Public Schools’ (DCPS) proposed FY 2017 gross budget is \$905,881,570, which represents a 2.3 percent increase over its FY 2016 approved gross budget of \$885,942,345. The budget is comprised of \$756,389,181 in Local funds, \$21,647,522 in Federal Grant funds, \$20,000,000 in Federal Payments, \$219,555 in Private Grant funds, \$6,109,069 in Special Purpose Revenue funds, and \$101,516,243 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple divisions, and it estimates how much it would cost an agency to continue its current divisions and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described under the CSFL Assumptions section below. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DCPS’ FY 2017 CSFL budget is \$741,521,511, which represents a \$14,029,756, or 1.9 percent, increase over the FY 2016 approved Local funds budget of \$727,491,755.

CSFL Assumptions

The FY 2017 CSFL calculated for DCPS included a reduction of \$504,000 to account for the removal of one-time funding appropriated in FY 2016 to support the DCPS enrollment fund to ensure the school funding for the FY 2016 year is aligned with projected enrollment.

CSFL funding for DCPS also reflects adjustments for an increase of \$14,533,756 for the Student Funding Formula Inflation Factor to account for an inflation factor of 2.0 percent, which was applied to the Uniform Per Student Funding Formula (UPSFF).

Agency Budget Submission

DCPS continues to advance its mission of providing quality education to all District students. For FY 2017, the agency proposes the following new initiatives: Extended Year Education, which will minimize the lapse in time between learning and summer breaks, helping students retain information longer; Alternative Schools, which will focus on helping over-age students to achieve success through education and/or careers; and the establishment of two new schools. To support these goals and other initiatives, DCPS proposes the following FY 2017 budget adjustments:

In Local funds, DCPS proposes a budget of \$756,389,181 and 7,245.9 Full-Time Equivalents (FTEs), which represents an increase of \$28,897,426, or 4.0 percent, over the FY 2016 approved Local funds budget of \$727,491,755. The proposed budget will support projected changes in student enrollment.

DCPS' proposed Special Purpose Revenue budget includes a decrease of \$1,028,616, primarily for contracts associated with technical and system support. In Federal Payments, the budget proposal is \$20,000,000 to align the budget with the President's budget request.

In Federal Grants, DCPS' proposed budget includes a decrease of \$9,582,860 and 57.8 FTEs, which can be attributed to expiring grants in FY 2016 and projected award amounts. In Private Grants, DCPS includes a budget of \$219,555 for projected grant awards.

In Intra-District funds, DCPS' proposed budget includes an increase of \$1,433,720 and 65.3 FTEs from the 2016 approved budget, due to projected Memorandum of Understanding agreements with other District agencies, primarily the Office of the State Superintendent of Education for services such as the provision of meals to students, education improvements for students, and other education-related initiatives.

Mayor's Proposed Budget

No Change: The District of Columbia Public Schools' budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.

Mission:

Anacostia High School has four distinct learning academies that are divided by grade level, within the greater Anacostia body. These learning academies provide students personalized, comprehensive instruction and greater individual support. Each learning academy is equipped with its own administrator (Principal or Assistant Principal), dean, counselor, staff and teachers. All Anacostia students have the opportunity to enroll in Advanced Placement courses. In addition, students have the opportunity to enroll in one of two career pathway programs: an Allied Health and certificate program in Emergency Management Technician (EMT), as well as, a program in Homeland Security and Law Enforcement.

Mission:

Ballou High School offers a myriad of academic programs that allow students to explore and reach their maximum potential. These programs include honors and AP courses, grade-level Academies, an Arts and Technology Academy for students with special needs, and the 21st Century Community Learning Center. We also offer the AVID program and school-wide advisory for students. More than 10 percent of graduating seniors are selected for the Achievers Scholarship from the Bill & Melinda Gates Foundation. Ballou students also benefit from more than 50 partnerships with national and community organizations.

Mission:

Ballou STAY's diverse student body of more than 700 students is a testament to its motto, 'It's Never Too Late to Earn Your High School Diploma.' Ballou STAY's mission is to deliver a high-quality academic and career/technical program that will lead to a high school diploma or vocational certificate. Ballou STAY offers traditional and accelerated diploma programs in addition to GED Prep and External Diploma programs; Ballou STAY also offers vocational programs such as automotive technology, barbering, cosmetology, Microsoft Office courses and culinary arts. The vocational program, along with sports and clubs at Ballou STAY, empowers young adults with the career skills to succeed in the real world.

Mission:

At Bancroft Elementary School, our mission is to meet the educational, developmental and social needs of all students, inspiring and enabling them to reach their full potential in and beyond elementary school. We are guided in this work by our vision for Bancroft to be a diverse and vibrant community of learners preparing all students to be high-achieving, bilingual global citizens who lead in the 21st century. As a community of learners which includes students, families, teachers and staff, we are committed to working together to ensure all our students achieve at high levels through a rigorous dual language program which promotes biliteracy and bilingualism. All this is done in a compassionate, safe and nurturing environment where diversity and self-expression are valued and celebrated.

Mission:

Our School motto is Only The Best Is Good Enough. Our strong community involvement and dedicated staff are reasons that Barnard has been recognized twice with the Together Everyone Achieves More (TEAM) Award. High expectations for all students resulting in academic excellence are central to Barnard's philosophy. We have strong programs that appeal to our students, like our Early Financial Literacy program that teaches age-appropriate financial skills. Barnard also hosts the Flagship Autism Program for DCPS, and students from all over the city are enrolled in this program. One of our parents summarized it best: Barnard accepts all children where they are and takes them to unbelievable levels!

Mission:

Beers maintains strong community and business partnerships which support student learning and nurtures meaningful, on-going relationships. Students engage in a variety of learning experiences which integrate subject matter in a holistic manner. Technology is integration throughout the content areas. Beers provides off-campus learning opportunities to strengthen and increase the relevance to the real-world. Beers is a welcoming family oriented school. Staff conduct home visits in order to build relationships and equip families to help students achieve at high levels. Upon promotion from Beers, a student will be a global citizen who is caring, collaborative, critical-thinking, solution-oriented, and ready to lead.

Mission:

The Benjamin Banneker Academic High School is one of the District's International Baccalaureate (IB) Diploma Program sites and offers Pre-IB, Advanced Placement (AP) and its own summer institute as additional rigorous academic options. The Teacher-Advisor and Community Laboratory programs offer one-on-one advising and encourage students to engage in relationships that will shape their futures. Students are admitted through an application process and supported by a variety of character- and skills-building extracurricular activities. The Banneker student experience affords students the opportunity to develop knowledge, talents and exceptional post-secondary experiences.

Mission:

At Browne Education Campus, educators develop rigorous, student-centered lessons aligned to the Common Core State Standards to better prepare students for success in college and future careers. We incorporate the core values of the International Baccalaureate program to develop internationally-minded, knowledgeable, reflective and principled thinkers. We challenge ourselves, our students, our parents, and our surrounding community to become caring, educated risk-takers who inquire and take action to create a better world. We work to accomplish this by ensuring purposeful teaching and learning by every staff member, while maintaining high expectations for all learners in a stimulating and secure learning environment.

Mission:

John Burroughs Elementary School (JBES) is a Science, Technology, Engineering and Mathematics (STEM) school serving pre-kindergarten to 5th grade. STEM is the foundation at JBES with a school-wide focus on data-driven instruction enabling learners to become college and career ready. Our vision is to provide a safe and diverse learning environment that operates as a collaborative community, where all stakeholders are responsible for student success. We strive to be self-initiated, active and engaged, well-rounded learners who are technology savvy possessing 21st century skills. It is our aim to produce global citizens who are respectful, responsible, resourceful and safe. Our administration and staff are committed to involving the community to assist in creating an atmosphere of higher learning, focusing on excellence!

Mission:

C.H.O.I.C.E. Academy school provides a specialized alternative setting for students in grades 6-12 who are in a long-term suspension or expulsion status due to an infraction of the Student Discipline Code of Conduct Chapter 25. Our goal is to offer a structured program of academic support with behavior modification strategies that prepares students for a successful re-entry into their home schools.

Mission:

We envision our school as a caring community where all students reach their fullest potential in preparation for becoming productive members of society. Our mission is to educate the whole child for a whole world through the use of the Montessori philosophy and materials. Our concept of whole child encompasses and celebrates the social, emotional, physical, spiritual (non-religious) and intellectual aspects of being human. Capitol Hill Montessori provides unique learning environments where students, under the guidance of Association of Montessori Internationale-trained and certified teachers, explore their world within a structured but creative framework. Parents will find several mixed-age groups of children when observing the Montessori classrooms at the Logan School building which allows more experienced children to share what they have learned with those who are new to the group.

Mission:

Cardozo creates educational and social experiences that prepare students with the knowledge and skills necessary for success in the global community. Cardozo's International Academy, the TransSTEM Academy, and the Academy of Information Technology position our students for success. In addition to a newly renovated, state-of-the-art building, Cardozo offers science and humanities AP courses, technology courses, JROTC, and athletics teams. Students enhance their coursework through Saturday Scholars Academy, credit recovery and after-school tutoring programs. The Francis L. Cardozo Education Campus provides a safe, supportive, and nurturing environment that fosters the growth of all educational stakeholders through a social contract that is based on teamwork, work ethic, integrity, respect and leadership.

Mission:

At Cleveland Elementary School, we believe that the elementary level is where the foundation for our students' future is built. Our mission is to build a foundation to enable each student to successfully compete and stand on his/her own wherever they go. Our building is a warm and nurturing place where students thrive academically, socially and emotionally. Half of our classes on each grade level participate in our Dual Language program, where students take half of their classes in English and half in Spanish. The other half participates in a traditional program where all subjects are taught in English.

Mission:

Columbia Heights Educational Campus is a unique globally themed bilingual campus that serves grades 6 through 12 and prepares all of its students for success in college and in their careers. CHEC has been recognized as one of the top schools in the area and country on the Advanced Placement Challenge Index for offering Advanced Placement to all students. It also has the only Spanish language dual immersion high school program in Washington, DC. Students can take a full bilingual program through the 12th grade. CHEC students come from over 20 countries and we use this diversity to complement our globally themed curriculum. Every grade explores a global theme, which ties together their learning and builds their global awareness.

**Mission:**

Alice Deal Middle School combines a rigorous academic program with the nurturing environment of a neighborhood school. Located in the heart of northwest DC, Deal's campus boasts a recently completed \$70 million renovation that has preserved a beautiful, historic building and merged it with dynamic new spaces for instruction. At Deal, students receive an extremely challenging academic program, which encompasses participation in the International Baccalaureate Middle Years Program as well as music and visual arts. We also offer three foreign languages: Spanish, French and Mandarin Chinese, as well as, a variety of extracurricular activities.

Mission:

At Drew Elementary School, our primary objective is student progress and achievement. While we celebrate individual student differences, every student is encouraged and expected to do his or her best. In order to help our students succeed in the classroom, we individualize learning through the use of technology, as well as, small group instruction. Through our core values, we focus on developing students' character. We treasure and promote our partnerships with parents, which also support our students' academic achievement and social emotional growth. At Drew ES, we discover success in every child, every day.

Mission:

Our mission is to provide an all-inclusive instructional program for students that fosters maximum academic achievement, enabling them to enjoy lifelong learning while becoming productive citizens. Dunbar aims to serve as a learning community where students undergo diverse, meaningful opportunities and experiences, and receive a quality education. All students are encouraged to be well-rounded scholars by participating in Dunbar's numerous extracurricular activities. Alumni continue to support the mission of the school with millions of dollars in scholarships annually.

Mission:

Eastern Senior High School provides engaging, college preparatory coursework and extracurricular learning experiences that ensure all students graduate with the content knowledge, character, and confidence to serve as innovative and inclusive global leaders. With support from exemplary teachers and a diverse set of community partners, students build upon rich traditions and set a course of excellence on our modernized campus. Eastern is an International Baccalaureate (IB) Diploma Programme World School, and in 2015 issued its first IB World Diploma. Our vision is to become the highest performing comprehensive high school in DCPS by 2020.

Mission:

John Eaton Elementary School attracts a diverse group of students from all four quadrants of the city. Due to our rich diversity, Eaton has been designated a World Cultures school. At John Eaton we believe in educating the "whole child," and we invest ourselves in developing an enriching learning experience for our students. Eaton's staff and community provide opportunity for students to excel in academics, the arts, and athletics. Our students gave us a 97% satisfaction rating last school year. Eaton has been designated a Reward School for two consecutive years. Our mission is to provide each Eaton student with a well-rounded 21st century education that prepares him or her, regardless of background or circumstance, for success in and beyond elementary school.

Mission:

Eliot-Hine Middle School is an official candidate school for International Baccalaureate Middle Years Programme. We offer a rigorous academic program supplemented by a variety of extracurricular activities like basketball, yearbook, a robotics team and the only radio broadcast program ran by middle school students in the city. At Eliot-Hine MS, we strive to provide a high-quality education in a nurturing environment where teachers and administrators care about their students and are committed to helping all students succeed at high levels.

Mission:

Duke Ellington School of the Arts is the only high school in the District of Columbia that combines a full college-preparatory curriculum with intensive pre-professional arts training. With the support of its partners, Ellington serves diverse and talented students from all wards of the city. Students are admitted through an audition and interview process into one of eight majors: Dance, Instrumental Music, Literary Media & Communications, Museum Studies, Technical Design & Production, Theater, Visual Arts and Vocal Music. Students perform and exhibit their work at the Kennedy Center, the White House, and national and international events.

Mission:

Garfield Prep is an inquiry-based and blended learning school. Our vision is to deliver a year-round, inquiry-based and blended learning instructional model that is structured to develop rich content knowledge across all grade levels. As a result, our students will have the foundation needed to defy the rigors of college and excel in their future careers. We have a data-driven focus on fully integrating and coordinating resources and services to improve academic and socio-emotional outcomes for all students. Frequent and ongoing formative assessments help us determine the instructional approaches best suited to meet each student's needs. We work closely with our family and community partners to create a safe and orderly learning environment and to increase academic achievement for all students. Garfield ES will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

Our mission at Garrison is to create a collaborative community, where students and staff are invested in their work and question the world around them as responsible citizens and where teachers, parents and students work together to achieve excellence. We want to develop a community of learners with active, creative and empathetic minds, challenging students and staff to strive for growth. Our staff and students will be engaged in the community as our students find their place in the traditions of this historic neighborhood. We build our community through the principles of Responsive Classroom working to teach our children CARES: Cooperation, Assertion, Responsibility, Empathy and Self-control. Our goal is to create thoughtful, intelligent students through a rigorous and relevant curriculum.

Mission:

HD Cooke is an authorized International Baccalaureate World School serving students PK3 - 5th Grade. At Cooke we use our IB Program to provide a framework of academic challenge that encourages students to embrace and understand the connections between traditional subjects and the real world. In addition to our IB program, we also will begin a Schoolwide Enrichment Model this year, with 3rd - 5th grade students participating in Enrichment Clusters. Cooke was the first District of Columbia Public School System facility to achieve LEED Gold certification, and this year Cooke was on DCPS Recycles! Honor Roll with special distinction for our composting program. Students receive art, music, PE, and world language classes (including Spanish and Arabic) every week. H.D. Cooke ES will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

Hardy Middle School is a comprehensive 6th through 8th grade school offering students and their families a dynamic educational environment, to include strong core academic curriculum with a focus on differentiation and the School Enrichment Model. We offer students advanced study opportunities in the classroom, selected team-taught extension modules, and semester electives. Students and teachers benefit from Pre-AP (Advanced Placement courses, College Board) support in connection with Wilson High School. Hardy Middle School shines its brightest; however, with a music and art program that is unparalleled at the middle school level throughout the Washington, DC metro region. Hardy Hawks show their spirit to fly above others with a focus on advancing their academic skills and their enthusiasm for music and the arts.

Mission:

Charles Hart Middle School proudly serves the students and families in our community. We value education and uphold a culture of transparency, open communication and collaboration among all of our stakeholders. We encourage our students to be lifelong learners and positive citizens. Hart MS will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

Our vision for Hearst is to be the best little school in the District. We are committed to providing all students with a rigorous curriculum integrated with exposure to the arts. We are also committed to ensuring that our school is responsive to the needs of our diverse learners, both tall and small. Our goals are to improve student learning, to partner with families to support students, and to provide our staff with a community that supports their professional learning. New this year at Hearst is our schoolwide enrichment program, a variety of intervention programs, and a beautiful expanded facility.

Mission:

At Hendley Elementary School, our goal is to help all of our students learn to think analytically and become independent well-rounded individuals. We currently serve students in preschool through 5th grade. All of our students take music, art, physical education and library classes, as well as, their core academic courses. When asked, our students say that one of the things they like best about Hendley are the field trips they take to supplement what they learn in the classroom. For students, as well as, staff and parents, our school is a warm, welcoming place to be. Hendley ES will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

Charles H. Houston Elementary School prides itself on offering an excellent educational program that fosters the whole development of each student. In partnership with our students' families, we promote the intellectual, social, emotional, cultural and physical development of our students. We believe that all children can be successful when they learn to recognize their own strengths and needs, as well as, those of others. At Houston, we strive to educate students so that they will develop into informed citizens, who are productive and can make positive contributions in the world they live in.

Mission:

It is the mission of the Inspiring Youth Program to promote academic rigor, to provide opportunities for academic success through experiential learning and to foster a climate that both develops and supports students and welcomes the involvement of parents and community partnerships. The Inspiring Youth Program enables students to acquire the academic knowledge, interpersonal skills and values necessary to become productive community members.

Mission:

J. O. Wilson's mission is to provide a comprehensive educational experience within an environment that is nurturing, receptive, and responsive to the needs of our students, staff, parents and the community as a whole. We commit to using best practices in developing programs that will ensure the intellectual, emotional and physical well-being of our students. We strive to provide an environment that promotes academic excellence and produces citizens who are prepared to meet the demands of higher education and life. We employ a challenging, innovative, and student-focused curriculum. We believe in supporting our teachers in their own continued professional development, so that every teacher can continue to inspire their students.

Mission:

Janney Elementary School is exceptional because of our beliefs, our role in the community, our people and our programs. Our students contribute to an atmosphere centered on respect, curiosity and diligence. Our experienced staff leads students toward these high ideals by functioning as constant co-learners. In addition to our core curriculum, students also take art, music, technology, physical education and Spanish classes. Our parents work tirelessly with the school and are always ready to support our students. Our goal at Janney is to be a community of learners built on a foundation of inquiry, equity, reflection, collaboration and experimentation.

Mission:

Jefferson Academy is one of the most outstanding middle schools in Washington, DC. Recently boasting academic gains in both reading and math on the DC CAS, significant increases in partnerships, family engagement, extracurricular options and a rigorous but supportive learning environment. Jefferson is designed to meet the needs of students at all ability and interest levels. Over the next two years, Jefferson will engage in a challenging academic plan to integrate the International Baccalaureate curriculum and an extensive building renovation, making it a school of choice for DC families.

Mission:

John Hayden Johnson Middle School provides a safe environment that promotes high academic achievement, instills character and empowers students to be productive citizens. Students are encouraged to contribute positively to their communities. In order to move students towards college and career readiness, Johnson implements the Blended Learning small group rotation model, which integrates the use of technology throughout interdisciplinary activities. All stakeholders at John Hayden Johnson Middle School are expected to demonstrate pride and leadership skills in order to promote a legacy of achievement. Johnson MS will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

John H. Ketcham Elementary School is located in Historic Anacostia. We are proud of our rich history and our strong group of dedicated community partners, staff, and parents, all of whom work with our scholars to enrich their lives. We strive to ensure that each scholar develops academically and socially as we seek to equip scholars with the skills needed to be successful in higher education and in a global society. Our motto at Ketcham Elementary School is 'Our Students. Our Future. Our Responsibility.'

Mission:

Key Elementary School was recognized as a Blue Ribbon School that strives to achieve four goals for every student from pre-kindergarten to 5th grade: to help each child master critical learning skills; to encourage every student to discover his or her unique abilities while respecting the accomplishments of others; to ensure a healthy physical environment that promotes each student's mental and physical development; and to provide the leadership, planning and resources necessary to accomplish these goals. At Key, our students' success is made possible by the high level of parental involvement and our outstanding staff.

Mission:

The Kimball School family consists of a supportive and cohesive group of staff, parents, students and community stakeholders whose goal is to prepare students to meet the challenges of their world today and tomorrow. Our vision is to enhance our community by inspiring independent thinkers, learners, and leaders who are committed to achieving excellence. We are committed to providing students a safe, challenging and joyful environment to learn and grow. By maintaining the highest expectations for our children and ourselves, we foster in them the habits, mindset and skills to make their hopes and goals a reality.

Mission:

Located in Congress Heights in Southeast DC, Martin Luther King, Jr. Elementary School seeks to inspire young learners to become highly motivated contributors to society. We believe in a demanding educational agenda that builds on the active engagement of school, parents and community and our staff maintains a steadfast commitment to continuous student achievement. King's best practices for academic excellence are enhanced by a variety of community partnerships. The success of King is a responsibility shared by dedicated staff, students, families and members of the community. King ES will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

Lafayette provides a special learning environment with talented, dedicated teachers and other staff members supported by an active community body. Lafayette was recognized as a National Blue Ribbon School of Excellence by the United States Department of Education and a Red Ribbon School by the DC State Office of Education for outstanding academic achievement. Lafayette is also a member of the Changing Education Through the Arts program, a nationally recognized arts integration instructional model sponsored by the Kennedy Center for the Performing Arts. Additionally, we have a school wide Peace and Mindfulness program to support our positive school culture.

Mission:

At Langdon Elementary School, we serve students in pre-kindergarten through 5th grade in a learning environment that promotes the acquisition of valuable knowledge and skills and serves as a foundation for each student to progress successfully through all educational levels. Our curriculum consists of a traditional course of study with a focus on science, technology, engineering, arts, and math (STEAM), which makes education and careers in the sciences and the arts more accessible for our students. We foster an ongoing exchange of ideas and resources for our students, parents and educators to achieve our goals.

Mission:

Located in Northeast Washington DC, Langley is a neighborhood school for students from the NoMA, Eckington, Bloomingdale and Edgewood communities. Langley provides services to students from around the city through the out-of-boundary process and in our citywide Intellectual Disability Program. Langley Elementary School is a fully modernized campus whose goal is to ensure that students are inspired to imagine, inquire and innovate. Our vision is to provide a rich, rigorous and relationship-oriented education that is infused with cultural relevance, inquiry and STEM that prepares the whole child for life in the global community.

Mission:

Leckie ES is a Multicultural School housed in the far Southwest area of DC near the South Gate of Bolling AFB. We serve students from 3 to 10 years of age. Our vision at Madeline Victoria Leckie School is a child-centered and diverse learning community that provides each student with the opportunity, resources and foundation to reach his or her full potential, achieve well-rounded citizenship and enjoy multicultural enrichment in a safe, supportive and challenging environment. We strive to increase students' awareness of personal responsibility and to instill a love of lifelong learning. We actively involve parents and the community in supporting student learning and development. We are committed to the academic success of every student and will ensure each student has access to quality learning opportunities within a rigorous and relevant curriculum. We strive to create and maintain a safe and culturally enriched community where students leave motivated to reach their goals and inspired to fulfill their dreams.

Mission:

Ludlow-Taylor is a Title I elementary school on Capitol Hill. The focus of our work has been to build the expertise of our teaching staff so that our instructional program is powerful! Our data reflects impressive growth, kindergarten up through grade 5. Our DC CAS scores moved from 61 percent up to 79 percent in reading and from 59 percent up to 76 percent in math with our intermediate students scoring at the proficient and advanced levels. Our PTA is strong and active and our parents have created a House of Representatives to act as informational liaisons for our many engaged but busy parents. We are an Arts Integration School and our ECE classrooms implement that through Reggio Emilia. Ludlow-Taylor ES recently underwent a modernization. Come join us - Ludlow-Taylor a Reward School!

Mission:

The mission of the Luke C. Moore High School is to provide a high-quality and compassionate secondary educational setting for disengaged youth ages 17–20 who have dropped out of high school, may have adjudication issues, or have had difficulties in traditional school settings. The school seeks to provide each student with an individualized program that addresses both their academic and socio-emotional needs. Luke C. Moore challenges students to become educated, productive and responsible contributors to society.

Mission:

Malcolm X Elementary school provides a safe and nurturing program that produces a rigorous academic environment for our students in grades preschool through fifth grade. Our staff is committed to delivering a challenging academic program that supports social emotional growth for every child. At Malcolm X, our school community embraces each child's unique learning style by individualized instruction with the use of technology, small group learning, school-based initiatives, and parental involvement. As leaders of learning, we strive to create positive lifelong learners ready to succeed in the global community.

Mission:

A four-time recipient of the US Department of Education's Blue Ribbon School Award, Horace Mann Elementary School is a lively place of learning where curiosity and connection are celebrated. With our diverse, multi-national population, we are both a global and close community of learners. We embrace academic choice and responsive teaching. Our recently renovated and expanded campus which features a rooftop farm, arts classrooms, and an expansive outside playscape, invites us to learn within and beyond our school walls. Serious about our students' academic growth, we also believe that a school community must be a place of joy and celebration.

Mission:

Marie Reed is a wonderfully diverse school located in the Adams Morgan neighborhood. Marie Reed is proud of its many services, partnerships, and course offerings. We offer English monolingual and English-Spanish Dual Language strands as learning environments for our children. In both cases, our teachers are dedicated to creating rigorous, authentic learning experiences in every class at every level. Our parent community is active, as evidenced by our wonderful PTA that sponsors several successful events every school year and has raised thousands of dollars. We're preparing all students for college and professional futures starting right now!

Mission:

Maury Elementary School is a small community-based school that offers students a personalized learning environment. Through work and in play, students discover their potential, embrace diversity and benefit from strong relationships with staff, parents and volunteers. Maury is committed to providing inquiry-based learning experiences, arts enrichment and academic programs that enhance students' growth and development. Parents are always welcome and work closely with teachers to ensure that each child receives the attention he/she needs to succeed. At Maury, we educate the whole child in a safe multidimensional environment.

Mission:

McKinley Technology High School is a Science, Technology, Engineering and Mathematics (STEM) school. It is one of five specialized secondary schools in the district with an application process for enrollment. The high school offers courses in engineering, biotechnology, mass media and information technology. With a variety of rigorous academic options and character development and a motto of "No Excuses. Just Solutions!" our program offers the opportunity to develop a well-rounded student. McKinley Middle School is associated with McKinley Technology High School; however, the middle school is a non-specialized neighborhood school with out-of-boundary lottery options.

Mission:

At Moten Elementary School, our mission is to meet the academic, social and individual needs of our students by actively promoting a community of learners and valuing our parents as partners. We work together to develop a caring and nurturing environment where students feel safe to explore and reach their highest potential. Our staff and intervention team work hard to provide students with the tools they need to succeed. We value parents as our partners and are committed to establishing strong parental involvement. To help achieve our goals, we engage actively in community partnerships, host sports and extracurricular activities, and take advantage of the latest technology in our newly renovated school.

Mission:

Murch is a Pre-K through 5th grade school. As an organization, we believe in continuous improvement, having each child reach high levels of achievement, and maintaining a focus on results. Our teachers operate in a collaborative culture in order to plan for and provide quality instruction that meets the individual learner's needs. We provide enrichment for students who need a greater challenge and intervention for those students who struggle with the formal curriculum and need additional support to develop an understanding of the concepts being taught. We have many opportunities for students to be involved in after school clubs and activities. Murch is a strong and tight-knit community that celebrates its diversity, its sense of community, and its history.

Mission:

At John Carroll Nalle Elementary School our vision is to develop academically talented scholars with a heart to serve the local and global community. Through strong partnership with Freddie Mac and the National Center for Children and Families, we have provided wrap around supports for students and their families utilizing the community schools approach. Our school has an extended day with students arriving as early as 8:00am and dismissed by 5:30pm. Students receive course offerings in art, music, technology, Spanish, Health and Physical Education, and Library. The Kennedy Center and the Washington Performing Arts Society provide students with artist in residency experiences, in school performances, field trips to plays and musical performances. We continue to implement a 1:1 iPad program with a strong emphasis on blended learning.

Mission:

At Noyes Elementary, we have incorporated President Obama's Turnaround Arts integration program into our curriculum. It is a way for classroom teachers to infuse art strategies such as movement, song and visual thinking into daily math, reading, social studies and science to help students learn and retain information better. Turnaround Arts has made the school climate more positive, collaborative, and fun. To extend this creative learning process beyond the school and into students' homes, we hold events during the school year, wherein students and families participate.

Mission:

Orr Elementary School College and Career Academies is a DC3 Collaborative School located in Southeast DC. In addition to offering a high-quality core curriculum and teaching Social Studies and Science, our students also have the opportunity to participate in our arts program, library media center, music, computer, art, foreign language, and physical education classes. To supplement our rigorous academic curriculum, we offer a variety of extracurricular activities including our partnerships with Washington Ballet, Language Stars and Art Around the Corner. We offer our working parents before and after care while also including soccer, basketball, Girls Who Run and many clubs to keep students engaged after school. We have a brand new state-of-the-art library and a parent center run by our full-time parent coordinator.

Mission:

For more than 40 years, Oyster-Adams Bilingual Education Campus has served as a model for dual-language education in the District of Columbia and nationwide. Children learn 50% of their academic content in English and 50% in Spanish. While learning in a bilingual environment, our students develop their intellect and academic knowledge in two languages at the same time. The cultural diversity within Oyster-Adams forges long-lasting friendships among students and families from different cultural and linguistic backgrounds, nationalities and socio-economic levels and fosters fairness and leadership for everyone. Oyster-Adams is housed at two separate facilities. Our Primary Campus (serving grades pre-kindergarten to 3) is in Woodley Park and our Intermediate Campus (serving grades 4–8) is in Adams Morgan. Both campuses implement a full dual-immersion program.

Mission:

At W.B. Patterson Elementary School, we are dedicated to serving our students in preschool through the 5th grade. Located in Southwest DC, our faculty and staff work extremely hard to ensure that our students are successful both inside and outside the classroom. Our teachers, parents and community partners interact collaboratively to create a safe and nurturing environment that provides access to the highest quality education to all students through instructional excellence, technology integration and artistic expression.

Mission:

The historic Peabody Elementary School building is the early childhood campus of the Capitol Hill Cluster School, serving students in preschool through kindergarten. An arts-integration school, our nurturing faculty is trained and passionate about integrating learning with real life, using different forms of the arts, and a hands-on inquiry-based approach to teaching and learning. We assess each child to learn their strengths and areas for development, and we support their growth with an individualized approach to learning. Our fellow Cluster School students at Stuart-Hobson Middle School come back to Peabody regularly as volunteers and tutors, contributing to our mission of building community responsibility and relationships. We use our edible and ornamental gardens, the Capitol Hill neighborhood and all of Washington, DC, as an extension of the classroom, preparing our students to be successful at Watkins Elementary for 1st-5th grade and eventually Stuart-Hobson Middle School for 6th-8th grade.

Mission:

Phelps is a city-wide, comprehensive application high school with rigorous, innovative curricula. We aim to prepare students for higher education and careers in architecture, construction and engineering. Students will be prepared to succeed in college through a strong academic program with Honors and Advanced Placement courses. We have a modern, brand-new facility that gives our students the state-of-the-art tools they need to become college-ready with a CTE certificate of completion. Our new building also boasts computers in every classroom, a virtual heavy equipment simulation lab and Wi-Fi accessibility.

Mission:

Powell Elementary is a joyful community school focused on academic success for all. We are the winners of the Fight for Children Rising Star Award and Dual Language School of the Year Award. Our mission is for every student to reach high levels of academic achievement through rigorous teaching and learning in a nurturing family-friendly school. Students demonstrate their learning through portfolios, investigations, performances, and ongoing assessments. All students take music, art, PE, Latin and library media classes. Our comprehensive prekindergarten-kindergarten program features Tools of the Mind Curriculum. Through our International Spanish Academy Dual Language program students have the opportunity to become biliterate/bilingual while acquiring the skills they need to succeed in a global society.

Mission:

Randle Highlands Elementary School represents a partnership of students, faculty and administrators who are united in their commitment to common objectives. Collectively, we work to be a positive force in the community that inspires and prepares all students to become contributing and productive members of society. Through a rigorous blended learning program, students achieve measurable successes in their academic endeavors. Dedicated and motivated learners, engaged in hands-on, student-led experiences that are applicable to the global community. Our staff is dedicated to fostering a culture that addresses each child's unique learning style through targeted instruction, community partnerships, school-based initiatives and parental involvement. Randle Highlands ES will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

Raymond Education Campus has been selected to pilot DCPS' first extended school-year model. Raymond EC's dedicated team is passionate about providing a world-class education with the ambition of creating an exemplary learning community. We will empower students to communicate effectively, solve problems independently, demonstrate effective leadership skills, and become responsible citizens in a global society. Our instructional program incorporates inclusion, co-teaching, small class sizes and blended learning. Students in grades pre-kindergarten through 8 participate in our World Language program. Eighth grade students have the opportunity to receive HS credit in Spanish and Algebra I. These academic and social connections will provide the necessary skills to attend college and succeed in our global society. Raymond EC piloted an extended year calendar during school year 2015-2016 and will continue to operate an extended year program for school year 2016-2017.

Mission:

River Terrace Education Campus is a city-wide school, which serves the 1% of the DCPS student population with the greatest needs. Our center offers individualized wrap-care services for our students. In addition to differentiated instruction, our students receive related services such as Speech and Language, Occupational and Physical Therapy, Vision, Orientation and Mobility, and Audiology. We also offer aquatic therapy, medical and dental screening services. Our mission at River Terrace Education Campus is to promote the individual success of our students through diversified instruction, support services, integrated technology, collaboration, parental engagement, and community partnerships that empower all students to reach their full potential as global citizens.

Mission:

The mission of Theodore Roosevelt Senior High School is to provide a supportive environment in which every student will be prepared and empowered for success at the collegiate and career level so as to be a contributing member of society. Roosevelt is a premier comprehensive neighborhood high school serving the Ward 4 community of Washington DC. We serve all students in our boundary and fully embrace the rich academic, cultural and social diversity of our population. For families and students seeking rigorous career and college preparation, who want to be a part of a transformative movement, Roosevelt is the multicultural comprehensive high school of choice. Roosevelt meets students where they are, helps them in life management, promotes superior student achievement and grassroots community involvement.

**Mission:**

As the premier Alternative School in DCPS Roosevelt S.T.A.Y. High School exists to serve the unique academic, physical, social and emotional needs of students who are in a critical period of their lives as they change from adolescence to adulthood. The staff at Roosevelt S.T.A.Y. High School is committed to creating and maintaining an orderly, trusting, and caring environment where rigorous teaching and learning are exciting and students are assisted as they develop responsibility. All aspects of the school's organization, curricular, and co-curricular activities are created and designed to accommodate individual learning styles so that all may experience success.

Mission:

Alfred Kiger Savoy Elementary is a PK3–5 Arts Education Institution centered around the idea of becoming a beacon to the world by creating an exciting environment where young people are peerless in their academic achievements and fearless in their artistic accomplishments. We believe that it is our purpose and responsibility to affirm cultural self-awareness that allows each student to envision and fulfill his or her destiny. As a past recipient of the President's Committee on the Arts and Humanities Turnaround: Arts designation, our teachers strive to convey the abilities to think critically, act responsibly and apply these concepts consistently. With at least five computers in every classroom, Promethean Boards in grades 2–5, a library media center with more than 10,000 volumes, and a 25-terminal computer lab, our dedicated faculty is more than prepared to develop lifelong learners for the 21st century and beyond.

Mission:

School Without Walls at Francis Stevens will provide every student with a rigorous college preparatory, humanities program that incorporates global and local resources in an experiential and interdisciplinary methodology to teaching and learning. We prepare our students for their academic futures and ensure that they have the proper social and life skills to be responsible global citizens. Our dedicated staff truly care about our students and are committed to providing a rigorous and high-quality education. All of the instruction students receive is standards-based and we offer a variety of enrichment activities, such as Latin foreign language classes, to supplement our core academic program.

Mission:

School Without Walls (SWW) is a public magnet high school established in 1971 and accredited by the Middle States Association of Colleges and Schools. Over the years, the school has become one of the most outstanding schools in the District of Columbia Public School system. Walls was recognized by the U.S. Department of Education as a Blue Ribbon School, a program that honors schools whose students achieve at high levels. Newsweek's list of America's best high schools ranked School Without Walls as a top school. School Without Walls provides a quality student-centered environment that maximizes integrative, interactive and experiential learning within the framework of a humanities approach. This program is achieved by using the city and the world as a classroom for our students.

Mission:

School-Within-School @ Goding (SWS) is a teacher-directed, Reggio Emilia-inspired school. We are a vibrant, early childhood and elementary learning environment for preschool through 4th grade students (we will add 5th Grade in 2016-2017). SWS is located at 920 F Street, NE. Our mission is to support and develop children's potential through a uniquely child-centered, collaborative teaching and learning environment inspired by the philosophy and practice of the Reggio Schools for children in Reggio Emilia, Italy.

Mission:

Located in the historic Shaw neighborhood, Seaton Elementary has an extremely diverse, multicultural staff and student population. Although our students hail from different cultural backgrounds, they have formed strong bonds and have created a thriving school community. At Seaton, we have a strong English as a Second Language program that serves students who speak Chinese, Spanish and Amharic. When our students leave Seaton, they should be able to excel in middle school and throughout the rest of their academic careers.

Mission:

Shepherd Elementary School is an International Baccalaureate (IB) school. Our goal is to develop inquisitive, international-minded learners who think globally and act compassionately. We offer French and Spanish instruction beginning in Pre-Kindergarten and we focus on learning through inquiry-based instruction. We have a vibrant, dedicated school community, where all stakeholders work collaboratively to ensure that all students meet and exceed our high expectations.

Mission:

Abram Simon Elementary School has created a learning environment that educates the whole child. Core academic subjects are supported and enhanced through the arts and technology. Our school serves students in the general education setting as well as provides service for students requiring support services such as speech and language, social work services, occupational services and physical therapy services. Our mission is to, in concert with students, families, the broader community and the support of management and operations, prepare all students to be responsible citizens and afford them the opportunity to acquire the skills, knowledge and abilities necessary to make decisions that lead to meaningful and productive lives.

Mission:

Smothers Elementary is a community-based and achievement focused school. Smothers is a founding school of the DC Collaborative for Change (DC3); which aims to develop highly effective teaching and learning practices in order to ensure success for all scholars. The mission of Smothers Elementary, in partnership with our entire community, is to foster a safe and nurturing environment that promotes creativity, curiosity, and develops lifelong learners. This requires a rigorous developmentally appropriate model of education which is centered around students, facilitated by teachers, and supported by home and community. We live our vision by practicing our five core principles represented by the acronym P.R.I.D.E. (Proud of self and community, Respectful of self and others, Invested in our future, Determined to excel, and Excited for learning).

Mission:

John Philip Sousa Middle School is housed in a newly modernized building that highlights the school's proud history while simultaneously providing our students with a state-of-the-art facility. Our goal is to help our students become change agents in their communities and the world at large. We set extremely high expectations for our students and utilize technology to enrich our strong academic programs. We offer a variety of classes that push students to become productive citizens. Additionally, we provide resources that promote social growth and character development.

Mission:

DC Scholars Stanton Elementary, operated as a partnership school by Scholar Academies, prepares students for the path to college and provides students with a foundation of life skills required to become productive members of their communities. We believe that every student can succeed when they are held to the highest expectations. DC Scholars Stanton Elementary students receive double reading and double math in addition to science, social studies, art and music. A core philosophy of DC Scholars Stanton Elementary is that we must make a collective commitment to ensure our students are receiving the highest quality education.

Mission:

Stoddert Elementary School serves over 400 students in prekindergarten through 5th grade. The students hail from very diverse backgrounds, representing 26 different countries and speaking over 28 languages. We pride ourselves on our strong parental involvement and community interest. Stoddert was recognized by the U.S. Green Building Council as LEED Gold status. Our students learn in a beautiful geothermal, renewable-energy modernized school, complete with a state-of-the-art gym and cafeteria and a rooftop urban garden. We were honored to receive the first Green Ribbon School award for exemplary achievement in environmental impact and energy efficiency, health and wellness, and environmental education from the U.S. Department of Education. We continue our focus to educate students and the community in understanding the world and our impact on it. We have earned autonomy status, after a quality school review, by demonstrating an outstanding record of high student achievement.

Mission:

Stuart-Hobson offers a comprehensive academic program appropriately rigorous for the learning needs of young adolescents. We have accelerated Humanities, Pre-Algebra and Algebra I, Science and Social Studies courses. Our dedicated faculty engages all students in participation in National History Day, Citywide Science Fair and School-wide Enrichment Model. We also offer Studio Art, Project Lead the Way, Brainology, Band/Orchestra and Physical Education core courses. Electives are also offered during our optional extended day in conjunction with our After School All Stars program. Additionally, our school is widely known for our 8th grade graduates attending most competitive public and private high schools in the DC region including students admitted to The Sidwell Friends School, Elizabeth Seton, and Bishop McNamara private high schools.

Mission:

At Takoma Education Campus, our motto is 'Takoma students work hard, get smarter, go to college.' Our goal for our students is to have a strong academic foundation that will lead to success in college and beyond. To that end, we have been committed to providing a high-quality education to students in preschool through 8th grade for more than 30 years. Takoma is an Arts Integration school. Arts Integration instruction blends content skills from a visual or performing arts discipline with another academic subject. At Takoma, arts integration opportunities happen inside the classroom, as well as, through engaging partnerships and cultural experiences. Our after school program offers sports and a variety of extracurricular activities for our middle school students.

Mission:

At Neval Thomas Elementary School, our mission is to help our students excel academically while becoming well-rounded, global citizens. We partner with the DC Promise Neighborhood Initiative which supports our approach that focuses on fully integrating and coordinating resources to improve academic and social outcomes for all students in our footprint. In order to provide our students with additional academic support, we also offer tutoring, academic enrichment and interventions. Thomas ES will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

Strong John Thomson Elementary School is a rigorous and multicultural environment where students grow into global citizens possessing a sense of inquiry, values and a desire for high academic achievement. Strong John Thomson Elementary School is renowned for its diversity and academics, making steady gains over the last four years. Thomson was the first DCPS elementary school to become an International Baccalaureate (IB) PYP World School. As an IB school, we prepare students to be active participants in a lifelong journey of learning. Our diverse staff is committed to excellence and working with our families and the community to provide a challenging academic program that prepares students for their future success both inside and outside of the classroom.

Mission:

Our goal at Truesdell Education Campus is for every child we serve to receive the character, education and academic development necessary to be successful in college, in their careers and in life. We start talking about college with our three-year-old preschool students. The educators in the building are extremely committed to helping children develop in all areas, with many volunteering to stay after school and on weekends to work with children. The staff truly goes above and beyond.

Mission:

Tubman offers a comprehensive, rigorous academic program serving the needs of all learners. We offer rich math and literacy programs. All students take Spanish, STEM, art, music and PE. We believe in applied learning and use the resources we have living in DC including rich field trips, partnerships with Live It, Learn It, Young Playwrights' Theater and organizations focusing on health and local food. We use the Tools of the Mind curriculum for our youngest learners allowing them to learn organically through exploration and play. The Tubman community is hard working, passionate about learning and eager to partner with families to best support our children in becoming informed and compassionate citizens. Along with our community partners and families, we are putting students on a path to college and empowering them to change the world.

Mission:

At Turner Elementary School, we prepare students in every possible way for academic success. Our mission is to facilitate a love for learning and to transform our students into lifelong learners. We are fortunate to have the support of many community partners and organizations to supplement our rigorous academic program. We are poised for success, because we are turning potential into reality. Parents, staff and administrators are fully committed to creating an inclusive, engaging and rich learning environment for all of our students. Turner ES will participate in extended year starting in school year 2016-2017 and will therefore have a calendar that includes more than the standard number of days of instruction.

Mission:

Tyler Elementary School, located on Capitol Hill, is a vibrant learning community that supports all learners. Written in Haiku form, Tyler's mission statement, "Tyler Grows Learners; Arts, Language, Technology; Global Citizens," summarizes the hopes Tyler has for all of its students. With a focus on arts integration, language learning and strong standards-based instruction, Tyler offers programming that includes Dual Language Spanish Immersion for preschool to fifth grade, an Arts-Focused program with deep exploration in a range of expressive arts, and specialized instruction for a variety of learners including students with Autism Spectrum Disorder. At Tyler, we ensure student success through strong partnerships with our families and the community.

**Mission:**

The Van Ness community is excited about the school's inaugural year! We have an amazing, award-winning staff, a warm and positive culture, and student-centered learning in every classroom. Early childhood classes follow the Creative Curriculum, which is supplemented by opportunities for experiential learning connected to the units of study. Our aim is to cultivate critical thinkers and develop a generation of confident, curious, and compassionate members of society.

**Mission:**

Housed in a brand new state-of-the-art facility near the heart of Washington DC, the Walker-Jones Education Campus is a prekindergarten through 8th grade community-based and success-oriented school. The Walker-Jones Education Campus mission is to provide each student a diverse education in a safe, supportive environment that promotes self-discipline, motivation and excellence in learning. The Walker-Jones Education Campus team joins the parents and community to assist the students in developing skills to become independent and self-sufficient adults who will succeed and contribute responsibly in a global community. This is demonstrated by practicing our four core principles of Knowledge, Service, Leadership, and Character.

Mission:

Watkins is a safe, comfortable and engaging learning environment. Watkins develops well-rounded students who work collaboratively and recognize their role as members of a larger community. With a curriculum focused on non-fiction writing, critical thinking skills and conceptual math, teachers emphasize the application of numeracy and literacy to real-world situations, use multiple methods to teach each skill and encourage students to explain and discuss their approach to solving problems. Five special subjects art, music, computer, Spanish and physical education reinforce and enhance the academic curriculum. Watkins employs Responsive Classroom, a research-based approach to education that encourages cooperation, empathy, responsibility, self-control and collaborative problem solving.

**Mission:**

West Education Campus is one of more than six DCPS funded School-wide Enrichment Model (SEM) schools that provide advanced-level enrichment opportunities for all scholars. Throughout the day, scholars have enrichment opportunities via online tools, small group interactive experiences, as well as, off-campus excursions. West is characterized by a compassionate and joyful learning environment. Our dedicated staff is committed to ensuring success for all scholars by challenging each scholar and fostering their academic achievement and social development. At West, we work in partnership with our families as we collectively grow and empower our school community.

Mission:

Housed in a brand new, state-of-the-art facility, Wheatley Education Campus is a school with caring teachers and staff, who believe that every child can succeed inside and outside of the classroom. We believe that the mental health and well-being of our students is essential, so we have social workers and a psychologist on staff to meet our students' needs. At Wheatley, the key to our success is the quality of our teachers and dedicated staff, who work incredibly hard to ensure that every child is successful and growing both academically and socially.

Mission:

As a pre-kindergarten to 8th grade education campus, Whittier's activities focus on rigorous instruction that is inclusive of active learning strategies, differentiated instruction, excellence in technology instruction, hands-on experiences and authentic assessments. Advancements in the field of Science, Technology, Engineering and Mathematics (STEM) have radically changed the way we function. In order to adapt to the fast-changing technology in our world and be leaders in using, creating and developing the next line of advancements in any field or career our students need exposure to and adequate training in the STEM field. Our STEM school designs lessons and a school culture to promote STEM issues and skills. In a STEM classroom, at any level and in any subject, students actively learn through discovery. Students and teachers are engaged, motivated, and they work together as fellow-adventurers to explore while they learn.

Mission:

Woodrow Wilson High School, DC's largest high school, is home to a diverse student population defined by tolerance, acceptance and academic rigor. At Wilson, we strive to 'make decisions based on student learning.' The recently modernized eight acre, seven building campus was awarded LEED certification and Green Ribbon School status. More than 90% of Wilson graduates attend college and members of last year's class were accepted to over 200 colleges, universities, and junior colleges across 41 states and the District of Columbia and offered over \$28 million in scholarships. Wilson currently offers college-level courses in 30 AP subject areas, as well as, Engineering and Bio-Medicine. Over 850 Wilson scholars are in one of the seven rigorous college and career-readiness academies. Wilson fields 20 DCIAA teams and another 20 club teams.

Mission:

DCPS @ Youth Services Center is an alternative school within a youth detention facility. The school is designed to meet the needs of students who are currently detained by the juvenile justice system regardless of academic career history and current academic standing. Our mission is to meet the academic needs of at-risk students by creating an energetic environment conducive to learning. Our academies cater instruction to each student's learning style and ability through the use of staff who foster academic excellence, build character and re-engage students who may not have attended school for a significant period of time. To improve student learning and success we focus on reading, writing and numeracy.

The Teachers' Retirement System provides the District's required contribution to this retirement plan, which is administered by the District of Columbia Retirement Board (DCRB).

Under provisions of the Police Officers, Firefighters, and Teachers Retirement Benefit Replacement Plan Act of 1998 ("the Act"), the federal government assumed the District's unfunded pension liability for the retirement plans for teachers, police officers, firefighters and judges. Pursuant to the Act, the federal government will pay the retirement and death benefits, and a defined share of disability benefits, for employees for service accrued prior to July 1, 1997. The costs for benefits earned after June 30, 1997 are the responsibility of the Government of the District of Columbia. This budget reflects the required annual District contribution to fund these earned benefits. Pursuant to District Code section 1-907.03(b) (2006 Repl.), the District is required to budget the pension contribution at an amount equal to, or greater than, the amount certified by the DCRB on the basis of a prescribed actuarial study and formula calculation that is set forth in section 1-907.03. On January 11, 2016, DCRB transmitted the certified contribution for inclusion in the District's FY 2017 proposed budget as reflected in this chapter.

The agency's FY 2017 proposed budget is presented in the following tables:

Program Description

The Teachers' Retirement System operates through the following program:

Teachers' Retirement System – D.C. Code section 1-907.03(b) requires the District to appropriate funds that are equal to, or greater than, the actuarially determined amount as the District's annual contribution to the retirement plan.

Program Structure Change

The Teachers' Retirement System has no program structure changes in the FY 2017 proposed budget.

FY 2016 Approved Budget to FY 2017 Proposed Budget, by Revenue Type

Table GX0-5 itemizes the changes by revenue type between the FY 2016 approved budget and the FY 2017 proposed budget. For a more comprehensive explanation of changes, please see the FY 2017 Proposed Budget Changes section, which follows the table.

FY 2017 Proposed Budget Changes

The Teachers' Retirement System's (TRS) proposed FY 2017 gross budget is \$56,781,000, which represents a 27.7 percent increase over its FY 2016 approved gross budget of \$44,469,000. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

TRS's FY 2017 CSFL budget is \$47,434,000 which represents a \$2,965,000, or 6.7 percent, increase over the FY 2016 approved Local funds budget of \$44,469,000.

CSFL Assumptions

The FY 2017 CSFL calculated for TRS included an adjustment entry that is not described in detail on table 5. This adjustment made for an increase of \$2,965,000 to reflect the FY 2017 Financial Plan projection.

Agency Budget Submission

Technical Adjustment: TRS's proposed budget reflects an increase of \$9,347,000. This adjustment is based on the District of Columbia Retirement Board's approved actuarial certification that was transmitted to the Mayor in a letter dated January 11, 2016.

Mayor's Proposed Budget

No Change: The Teachers' Retirement System's budget reflects no changes from the agency budget submission to the Mayor's proposed budget.

The mission of the Office of the State Superintendent of Education (OSSE) is to remove barriers and create pathways so District residents receive an excellent education and are prepared for success in college, careers, and life.

Summary of Services

The Office of the State Superintendent of Education serves as the District of Columbia's State Education Agency (SEA), thereby granting OSSE oversight responsibility over all federal education programs and related grants administered in the District of Columbia. OSSE has responsibility for setting state-level standards and annually assessing student proficiency, ensuring universal access to childcare and pre-k programs, providing funding and support to adult education providers and Local Education Agencies (LEAs) in achieving objectives, ensuring the state tracks and makes available accurate and reliable data, and assessing meaningful interventions to ensure quality improvements and compliance with state and federal law.

OSSE also leads Special Education Transportation and Non-Public Tuition, and administers the District of Columbia Public Charter Schools payments.

The agency's FY 2017 proposed budget is presented in the following tables:

FY 2017 Proposed Gross Funds Operating Budget and FTEs, by Revenue Type

Table GD0-2 contains the proposed FY 2017 budget by revenue type compared to the FY 2016 approved budget. It also provides FY 2015 actual data.

Division Description

The Office of the State Superintendent of Education (OSSE) operates through the following 10 divisions:

Front Office – drives overall change management and improvement, in coordination with leadership team members; fosters coordination within the agency and ensures strong and effective relationships with external partners; ensures internal and external stakeholders are clear on the agency's role, its direction and priorities, day-to-day decisions and actions, and the rationale behind them.

This division contains the following 2 activities:

- **Office of the State Superintendent** – provides executive leadership to OSSE's mission; and
- **Office of the Chief of Staff** – drives overall change management and improvement, in coordination with leadership team members; executes the agency's approach to recruit, develop, and retain talent; and sets up structures for ongoing feedback and performance management, including building capacity within existing staff members.

Data, Assessments, and Research – responsible for the agency's data management, District-wide student assessment administration and oversight, the performance of critical analyses to inform District policies, and other key functions.

This division contains the following 3 activities:

- **Office of the Assistant Superintendent** – supports the division through developing strategic community partnerships and coordinating engagement around OSSE's data tools and reports;
- **Office of Assessments and Accountability** – leads OSSE's Next Generation Assessment annual test administration coordination, policy portfolio, and test integrity procedures; and
- **Office of Longitudinal Data Systems** – provides strategic support to local education agency (LEA) and school operations by ensuring secure access to high quality historical and current student level data.

Business Operations – provides and facilitates a wide variety of services for both OSSE employees and external customers, including building and facility management, the resolution of parental disputes involving residency status and special education hearings, grants management and compliance oversight, coordination and oversight of the District's annual enrollment audit, and management of residency investigations.

This division contains the following 5 activities:

- **Office of the Chief Operating Officer** – oversees all activities within the Division of Business Operations, and works with the Office of Contracting and Procurement;
- **Office of Building Operations** – provides operational and facility logistical support to all OSSE divisions, including risk management, customer service, and language access;
- **Office of Dispute Resolution** – conducts due process special education hearings, residency fraud hearings, mediation, and Equal Employment Opportunity oversight;
- **Office of Grants Management and Compliance** – provides the agency with grants management, fiscal, and compliance support; manages the agency's annual A-133 audit; and the Enterprise Grants Management System; and
- **Office of Student Enrollment and Residency** – oversees the annual enrollment audit, manages residency verification; investigates residency fraud; and facilitates charter school closures.

Systems Technology – manages all aspects of information technology systems within OSSE.

This division contains the following 4 activities:

- **Office of the Chief Information Officer** – grows OSSE’s portfolio via visioning, strategic themes, roadmaps, and enterprise consolidation;
- **Office of Applications** – supports, develops, and manages OSSE’s internal and external applications;
- **Office of Project Management** – manages OSSE’s IT portfolio, internal staff resources, vendors, and coordination between programmatic divisions and IT; and
- **Office of Infrastructure and Technology Support** – provides day-to-day support of the agency’s computer systems, service desk, email, and network resources.

Health and Wellness – encourages, educates, and engages District residents, educators, community partners, and schools to develop sustainable wellness and nutrition strategies; operates the DC State Athletic Association.

This division contains the following 2 activities:

- **Office of Health and Wellness** – supports schools with Healthy Schools Act compliance, technical assistance, and grant management; supports the Healthy Youth and Schools Commission; manages federally and locally funded programs that focus on sexual health, mental health, and physical health of District students; and
- **District of Columbia State Athletic Association** – serves member schools within the association by providing leadership and support for interscholastic athletic programming that will enrich the education experiences of all participants.

Elementary, Secondary, and Specialized Education – oversees elementary, secondary, and specialized education activities within the District’s LEAs.

This division contains the following 8 activities:

- **Office of the Assistant Superintendent** – provides LEAs with a combination of meaningful supports and interventions to accelerate school improvement and student outcomes, in accordance with the Individuals with Disabilities Education Act (IDEA) and the Elementary and Secondary Education Act (ESEA), soon to be the Every Student Succeeds Act (ESSA);
- **Office of Accountability, Performance, and Support** – creates regulatory and policy framework to support compliance, drive achievement, foster innovation, and disseminate best practices across sectors;
- **Office of Teaching and Learning** – supports the development of great teachers and leaders who have the skills and knowledge to effectively reach all learners, including students with disabilities and English Language Learners;
- **Office of Community Learning and School Support** – fosters community-parent-school connections and out of school learning opportunities that support students with disabilities, students who are homeless, home schooled, or in private schools;
- **Office of Special Programs** – oversees nonpublic placement and ensures appropriate oversight of programming for students with disabilities in private schools, and coordinates behavioral health and community school partnerships;
- **Office of Policy, Planning, and Charter School Support** – supports specialized charter sector planning and funding initiatives;

- **Office of Strategic Operations** – coordinates strategic fiscal spending plan that supports core work, and ensures that staff have supporting conditions to be effective, through the creation of sound operational procedures and tracking systems; and
- **Office of CFSA General Education Tuition** – provides payments to neighboring jurisdictions' public school systems to cover the general education costs of wards of the state.

Post-secondary and Career Education – assists District residents in accessing adult and post-secondary education opportunities, and additionally helps provide them with career and technical education.

This division contains the following 9 activities:

- **Office of the Assistant Superintendent** – works with division programs to develop policy, procedures and strategic interventions that improve program efficiency and outcomes;
- **Office of Higher Education Financial Services and Preparatory Programs** – provides grants in excess of \$30 million to District students for tuition assistance at colleges and universities throughout the country;
- **Office of Adult and Family Education** – provides services to support adult learners in increasing literacy levels and obtaining a GED, post-secondary education, or job training;
- **Office of Career and Technical Education** – provides funding to support Career and Technical Education programming;
- **Office of GED Testing** – facilitates the administration of GED examinations within the District and supports certification attainment for high school students;
- **District of Columbia Education Licensure Commission** – licenses degree-granting and non-degree-granting postsecondary institutions in the District of Columbia;
- **Office of College and Career Readiness** – establishes programs and provides services to support middle and high school students as they prepare for postsecondary education and careers;
- **Office of Career Education Development** – administers the District's CTE Innovation Fund, including establishing Career Academy Networks within District schools; and
- **District of Columbia Reengagement Center** – reconnects youth, ages 16-24, to educational options and provides wrap-around services to support reengagement.

Early Learning – provides leadership and coordination to ensure access to high-quality early learning programs for all District children from birth to kindergarten to ensure every child is ready for school.

This division contains the following 6 activities:

- **Office of the Assistant Superintendent** – oversees all activities within the division, including the awarding of early learning grants, the development of early learning-related policies within the District, and Head Start state collaboration activities;
- **Office of Licensing and Compliance** – licenses and monitors child development centers and homes; sets policy for the child care subsidy program and administers subsidy payments;
- **Office of Early Intervention** – ensures full implementation of IDEA Part C and a comprehensive statewide system of early intervention services; serves as the District's point of entry for infants and toddlers with delays and disabilities, ages birth to age 4, and their families;
- **Office of Program Quality** – works to boost the quality of early learning programs and shares information with families about quality throughout the District;
- **Office of Professional Development** – develops and implements the state's professional development system for professionals serving children birth to age five and provides support for parent engagement; manages and supports the Quality Improvement Network (QIN) related to early learning in the District; and
- **Office of Pre-Kindergarten Enhancement** – oversees and distributes funds from the Pre-K Enhancement Program.

General Counsel – provides legal services, assists in cases of litigation, and conducts other support activities for the agency. This division provides legal review of key documents, legal research, and advice; leads litigation and hearings; and supports drafting of statutes and regulations.

Agency Financial Operations – provides comprehensive and efficient financial management services to, and on behalf of, District agencies so that the financial integrity of the District of Columbia is maintained. This division is standard for all agencies using performance-based budgeting.

Division Structure Change

The proposed division structure changes are provided in the Agency Realignment appendix to the proposed budget, which is located at www.cfo.dc.gov on the Annual Operating Budget and Capital Plan page.

GROSS FOR GD0 - OFFICE OF THE STATE SUPERINTENDENT OF EDUCATION		506,458	403.3

(Change is calculated by whole numbers and numbers may not add up due to rounding)

FY 2017 Proposed Budget Changes

The Office of the State Superintendent of Education's (OSSE) proposed FY 2017 gross budget is \$506,457,847, which represents an 11.5 percent increase over its FY 2016 approved gross budget of \$454,033,526. The budget is comprised of \$142,523,210 in Local funds, \$4,282,274 in Dedicated Taxes, \$60,000,000 in Federal Payments, \$260,802,963 in Federal Grant funds, \$1,047,018 in Special Purpose Revenue funds, and \$37,802,382 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple divisions, and it estimates how much it would cost an agency to continue its current divisions and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

OSSE's FY 2017 CSFL budget is \$138,241,015, which represents a \$281,493, or 0.2 percent, increase over the FY 2016 approved Local funds budget of \$137,959,522.

CSFL Assumptions

The FY 2017 CSFL calculated for OSSE included adjustment entries that are not described in detail on table 5. These adjustments include a reduction of \$1,600,000 to account for the removal of one-time funding appropriated in FY 2016 for the Early Literacy Grant program. Additionally, adjustments were made for increases of \$776,122 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements, and an increase of \$526,058 in nonpersonal services based on the Consumer Price Index factor of 2.3 percent.

CSFL funding for OSSE also reflects adjustments for increases of \$577,864 for the Fixed Costs Inflation Factor to account for Telecommunications, Fleet services, and other fixed costs estimates, and \$1,449 for personal services adjustments to account for the projected impact of new positions requested in FY 2016 budget, approved union contracts, and corresponding salary and other adjustments.

Agency Budget Submission

As the District of Columbia's State Education Agency, OSSE is responsible for the oversight and administration of education-related grants and programs that help to ensure the success of District residents in education, careers, and life. In FY 2017, OSSE is reorganizing its agency structure to achieve greater operational efficiencies within its programs and corresponding activities.

Increase: In Local funds, OSSE's budget proposal increased by \$1,377,904 and 12.1 Full-Time Equivalents (FTEs). This adjustment includes the addition of 8.0 Data Systems Analyst positions for the newly created Division of Data, Assessments, and Research. These positions will be tasked with the development and management of the agency's data systems that will be used for reporting and assessment purposes. The remaining 4.1 positions are existing positions that were previously inactivated.

In Dedicated Taxes, the budget proposal for personal services is increased by \$518,600 and 5.1 FTEs to align salaries and Fringe Benefits with projected costs associated with the Healthy Schools Act.

OSSE's proposed Federal Payments budget remained unchanged from the FY 2017 President's budget request. However, the budget does reflect a 1.3 FTE increase in the Post Secondary and Career Education program due to savings in other programmatic areas.

In Federal Grant funds, OSSE proposes an increase of \$48,245,082 and 6.0 FTEs to align the budget with projected grant awards.

OSSE's Special Purpose Revenue budget proposal includes an increase of \$56,141 and 0.4 FTE, based primarily on revenue projections for the State Athletic Acts Program and Office Fund.

Decrease: In Local funds, OSSE's budget proposal reflects a nonpersonal services decrease of \$3,695,710 to achieve programmatic cost savings across operational and administrative areas, of which \$1,377,904 was used to offset projected personal services costs.

In Dedicated Taxes, OSSE's budget proposal includes a net decrease of \$541,887 primarily in Contractual Services for the Youth Risk Behavior Survey, which was used to offset the projected personal services increases.

In Private Grants, OSSE proposes a reduction of \$103,679 and 0.9 FTE based on projected grant awards.

In Intra-District funds, OSSE's budget proposal includes a reduction of \$313,625 and 0.8 FTE based on Memoranda of Understanding with the Department of Human Services, the District of Columbia Public Schools, the Department of Health, and the Department of Corrections.

Mayor's Proposed Budget

Enhance: The Office of the State Superintendent of Education's (OSSE) budget proposal includes an overall increase of \$8,600,000 in Local funds. This adjustment includes \$3,600,000 to support the new Federal Child Care Development fund legislation that requires states to perform background checks on child care providers; create searchable childcare provider websites listing licenses, inspections, and complaints; and increase the availability for higher quality childcare providers within the District. In

addition, the increase includes \$2,300,000 to support the IDEA, Part C federal grant Maintenance of Effort (MOE) requiring OSSE to dedicate a specified amount of Local funds toward infant and toddler special education services; a one-time increase of \$1,600,000 to support the Early Literacy Grant program for third grade reading success; and \$1,100,000 for 10.0 FTEs to support the development of a Longitudinal Data System by conducting updates, performing quality assurance checks, and creating rules and guidelines for data system development and analysis.

Reduce/Shift: OSSE's budget proposal includes a reduction of \$2,000,000 to reflect the realignment of the agency's Local resources while ensuring the continued support of the Healthy Tots services with existing Healthy Schools Dedicated Taxes.

The mission of the District of Columbia Public Charter Schools (DCPCS) is to provide an alternative free education for students who reside in the District of Columbia.

The District of Columbia Public Charter School Board is authorized to grant charters. Each charter school is a private, non-profit corporation. This agency includes the District of Columbia appropriations to the DCPCS system. Payments from this agency to individual charter schools are made quarterly on the basis of enrollment as set forth in the District of Columbia Official Code, Section 38-2906.02.

The agency's FY 2017 proposed budget is presented in the following tables:

Program Description

The District of Columbia Public Charter Schools operates through the following program:

DC Charter Schools – Under the provisions of law set forth in Division VI, Title 38, Subtitle IV, Chapter 17 of the District of Columbia Official Code, public charter schools are private, non-profit corporations that operate under the terms and conditions set forth in their charters and as approved by the District of Columbia Public Charter School Board, the chartering authority. The public charter schools are autonomous, nonsectarian institutions that cannot charge tuition to District resident students. Additionally, public charter schools cannot impose discriminatory admission policies or tests on District resident students. Public charter schools receive the same level of District funding for their enrolled students as students enrolled in the District of Columbia Public Schools, pursuant to the District's Uniform Per Student Funding Formula (UPSFF) (refer to District of Columbia Official Code Section 38-29). Public charter schools also receive a facilities allowance to maintain and operate their buildings. In addition to District government funding, public charter schools are eligible to receive federal and private grants and may engage in private fund-raising.

The District of Columbia public charter schools operate under these goals:

- Public charter schools will abide by the provisions set forth in their individual charters;
- Individual public charter schools will comply with all reporting requirements set forth by the chartering authority;
- Public charter schools will provide students with exposure to career pathways and focus on particular areas of study to further enhance students' academic experiences;
- Public charter schools will meet all academic performance goals set forth in their individual charter agreements; and
- The chartering authority will monitor and evaluate performance of public charter schools based on the provisions set forth in each school's charter.

Program Structure Change

The District of Columbia Public Charter Schools has no program structure changes in the FY 2017 proposed budget.

FY 2017 Proposed Budget Changes

The D.C. Public Charter Schools' (DCPCS) proposed FY 2017 gross budget is \$723,717,252, which represents a 6.8 percent increase over its FY 2016 approved gross budget of \$677,743,501. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DCPCS' FY 2017 CSFL budget is \$691,292,861, which represents a \$13,549,360, or 2.0 percent, increase over the FY 2016 approved Local funds budget of \$677,743,501.

CSFL Assumptions

CSFL funding for DCPCS reflects an increase of \$13,549,360 for the Student Funding Formula Inflation Factor to account for an inflation factor of 2.0 percent, which was applied to the UPSFF.

Agency Budget Submission

DCPCS continues to provide a quality alternative for education that provides both traditional and innovative approaches to learning for District residents. DCPCS currently has 61 public charter schools operating in the District. In FY 2017, DCPCS will be opening four additional schools. DCPCS proposes the following budget adjustments:

Increase: DCPCS' budget proposal includes an increase of \$32,411,435 to support a projected increase to student enrollment and four additional charter schools. The budget proposal also includes an additional \$12,956 to support an existing FTE, which will cover increases to salary and Fringe Benefit costs.

DCPCS' projected FY 2017 student enrollment is 40,953 students, which represents a 5.1 percent, or 1,991 student, increase over the FY 2016 proposed enrollment of 38,962 students.

Mayor's Proposed Budget

No Change: The District of Columbia Public Charter Schools' budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.

Protected Programs: The District's public schools receive Local funding through the UPSFF. This system of funding was established by the District of Columbia School Reform Act of 1995 and was designed to ensure that all public schools across the District receive the same level of funding on a per-student basis, regardless of what neighborhood the school is in or where students live. This formula was estimated to be derived from a market basket of goods and services determined by analysis that uses local, regional, and national education funding research and practices to develop a foundation. The percentage allocation of the market basket dollars has not changed in FY 2017. The UPSFF is intended to cover all local education agency operational costs for District public schools, including school-based instruction, student classroom support, utilities, administration, custodial services, and instructional support, such as curriculum and testing. The UPSFF is based on a foundation amount, which is then enhanced according to different weights for higher-cost grade levels and supplemental funding weights for students with special needs. The average cost per student, based on the proposed enrollment of 40,953 and a proposed gross budget of \$723,717,252 is \$17,672.

Additional Resources Available to Charters: The FY 2017 budget continues to support several existing financial programs that meet the unique facility needs of the public charter school community. The Office of the State Superintendent of Education (OSSE) manages four programs designed to provide financial support for charter schools' facilities costs:

- **Credit Enhancement Fund:** The Credit Enhancement fund provides support for public charter schools in the form of loan guarantees, collateral, lease guarantees, debt service reserves, and other financing assistance;
- **Direct Loan Fund:** The Direct Loan fund provides loans to public charter schools for acquisitions, construction, renovation, tenant improvement, and maintenance of public charter schools facilities;
- **Facility Grants (Including City Build):** The City Build program is a joint education and neighborhood development initiative that promotes community revitalization with a particular emphasis on strengthening public education through public charter schools. The aim of City Build stretches beyond excellence in academics. It also focuses on encouraging the creation of partnerships between public charter schools and community organizations. There are also grants for renovation and modernization of public and special facilities; and
- **Incubator Facilities:** OSSE entered into a partnership with Building Hope to develop incubator facilities in the District of Columbia. The Incubator Initiative is funded from the Credit Enhancement Grant awarded by the U.S. Department of Education.

Program Description

The University of the District of Columbia Subsidy Account operates through the following program:

UDC Subsidy – The University, as a component unit of the District of Columbia government, is a legally separate entity for which the elected officials of the District of Columbia are financially accountable. Accountability exists because the Mayor, with the consent of the Council, appoints members to the University Board of Trustees, and pursuant to District of Columbia Official Code Section 38-1202.06(4), approves the University's budget. In addition, the District provides financial support to the University.

The operating budget of this component unit is shown as an enterprise fund to align the University's budgetary information with its financial reporting as reflected in the District's Comprehensive Annual Financial Report, in which the University's financial data is reported separately from that of the District government. Accordingly, details of the University's operating budget are provided in its chapter in the Enterprise and Other Funds section of the budget. In FY 2005, a subsidy account for this component was created to show the annual transfer of Local funds support from the District government to the University.

FY 2017 Proposed Budget Changes

The University of the District of Columbia (UDC) Subsidy's proposed FY 2017 gross budget is \$76,200,000, which represents a 7.4 percent over increase its FY 2016 approved gross budget of \$70,942,472. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

The UDC Subsidy Account's FY 2017 CSFL budget is \$68,984,413, which represents a \$1,958,059, or 2.8 percent, decrease from the FY 2016 approved Local funds budget of \$70,942,472.

CSFL Assumptions

The FY 2017 CSFL calculated for the UDC Subsidy Account included adjustment entries that are not described in detail on table 5. These adjustments include a reduction of \$3,509,028 to account for the removal of one-time funding appropriated in FY 2016 to support UDC and the Community College. Additionally, adjustments were made for an increase of \$1,550,969 based on the Consumer Price Index factor of 2.3 percent.

Agency Budget Submission

Increase: To support the University's operational needs, the proposed Local funds budget for the subsidy increased by \$1,967,424.

Mayor's Proposed Budget

Enhance: To enhance the University's ability to maintain quality academic programs, the proposed Local funds budget reflects a one-time increase of \$5,248,162.

The District of Columbia Public Library (DCPL) supports children, teens, and adults with services and materials that promote reading, success in school, lifelong learning, and personal growth.

Summary of Services

The District of Columbia Public Library (DCPL) is a dynamic source of information, programs, books and other library materials and services that improve the quality of life for District residents of all ages that, when combined with expert staff, helps build a thriving city. The Library provides environments that invite reading, community conversation, creative inspiration and exploration, lectures, films, computer access and use, workforce and economic development, story times for children, and much more. DC Public Library includes a central library and 25 neighborhood libraries and also provides services in non-traditional settings outside of the library buildings. DCPL enriches and nourishes the lives and minds of all District residents, provides them with the services and tools needed to transform lives, and builds and supports community throughout the District of Columbia.

Division Description

The District of Columbia Public Library operates through the following 5 divisions:

Office of the Chief Librarian – provides executive direction to the Chief Business Officer, the Director of Public Services, and the Director of Communications. With the Board of Library Trustees, the Executive Director develops and then implements the Library's long-range services and facilities.

This division contains the following 2 activities:

- **Intergovernmental Affairs** – performs liaison services on behalf of the Library to community groups, civic associations, Advisory Neighborhood Commissions, and elected officials; and
- **Executive Management Office** – coordinates with the Board of Library Trustees, tracks library transformation – the strategic changes to the operations of the Library to improve the way library services are delivered to District residents - and monitors innovation in library systems outside of the District.

Library Services – selects all books and other library materials available in libraries; manages all services to children, teens, and adults including programs like story time, summer reading, job support and book clubs; provides information and research to residents; and provides training to use library resources and technology.

This division contains the following 9 activities:

- **Children and Young Adult Services** – promotes reading to children and teens from birth to age 19 to build a foundation of reading, a love of the library, and most importantly, a love of reading; encourages school retention and graduation through homework help and other educational supports; and instills in youth a lifelong love of learning;
- **Martin Luther King, Jr. Memorial Library** – serves as the central library; hosts District-wide programs of interest; and provides a broad range of books and library materials including the special collections on District of Columbia history, large meeting rooms for Library and public use, and more than 100 public access computers;
- **Neighborhood Libraries** – offers programs and services for residents in neighborhoods across the District including story times, summer reading, activities for children and teens and book clubs, and computer training assistance at 25 neighborhood libraries;
- **Adult Services** – provides library services and programs to adults 20 and older in areas of literacy, workforce development, technology, and cultural enhancement. Also includes services to the inmates of the D.C. Jail;
- **Adaptive Services** – supports outreach and library services to the blind and physically disabled, and provides support including access to and training for specialized technology such as large font computer screens, Braille, audio or recorded books, and programs in American Sign Language;
- **Literacy Resources** – assists adult learners in finding tutors and educational resources, and administers the practice General Equivalency Diploma (GED) test;
- **Volunteers** – coordinates the many volunteers serving the Library through recruitment and training;
- **Collections** – acquires all of the books and magazines, media, and movies made available in the libraries to District residents; and
- **Library Program Information** – provides District residents with library cards and information about library services.

Business Operations – provides effective support services that facilitate customers' access to materials, information, programs, and services that position the Library system as an employer of distinction. The division is committed to making a positive difference to District residents and has the responsibility to provide welcoming, clean and safe environments to attract residents to the libraries through building and

maintaining state-of-the-art facilities with capacities for new and emerging technologies that help bridge the digital divide. The division also strives to position the D.C. Public Library as an employer of distinction through the hiring and training process, fiscal accountability, standards of excellence, and innovative business practices.

This division contains the following 5 activities:

- **Custodial and Maintenance** – supports all library locations (central and neighborhood libraries) by maintaining a clean and inviting environment for District residents;
- **Public Safety** – supports security staff that provides public oversight and accountability, resulting in improved safety in libraries;
- **Asset Management** – is accountable for all District government library properties, including their use and disposal;
- **21st Century Capital Projects** – is responsible for rebuilding and renovating all libraries in the District; and
- **Public Service Technology** – manages the network connecting the library’s 26 facilities, maintains the library’s online catalog and website, and creates new library applications for smart phones and other portable devices.

Agency Management – provides for administrative support and the required tools to achieve operational and programmatic results. This division is standard for all agencies using performance-based budgeting.

Agency Financial Operations – provides comprehensive and efficient financial management services to, and on behalf of, District agencies so that the financial integrity of the District of Columbia is maintained. This division is standard for all agencies using performance-based budgeting.

Program/Division Structure Change

The proposed division structure changes are provided in the Agency Realignment appendix to the proposed budget, which is located at www.cfo.dc.gov on the Annual Operating Budget and Capital Plan page.

GROSS FOR CE0 - DISTRICT OF COLUMBIA PUBLIC LIBRARY		58,624	551.3

(Change is calculated by whole numbers and numbers may not add up due to rounding)

FY 2017 Proposed Budget Changes

The District of Columbia Public Library's (DCPL) proposed FY 2017 gross budget is \$58,623,914, which represents a 2.1 percent increase over its FY 2016 approved gross budget of \$57,402,378. The budget is comprised of \$56,372,556 in Local funds, \$924,058 in Federal Grant funds, \$1,310,000 in Special Purpose Revenue funds, and \$17,300 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple divisions, and it estimates how much it would cost an agency to continue its current divisions and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DCPL's FY 2017 CSFL budget is \$58,190,002, which represents a \$2,263,455, or 4.0 percent, increase over the FY 2016 approved Local funds budget of \$55,926,547.

CSFL Assumptions

The FY 2017 CSFL calculated for DCPL included adjustment entries that are not described in detail on table 5. These adjustments include increases of \$1,457,492 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements, and an increase of \$15,493 in nonpersonal services based on the Consumer Price Index factor of 2.3 percent.

CSFL funding for DCPL also reflects adjustments of \$50,136 for the Fixed Cost inflation factor based on estimates from the Department of General Services (DGS) and \$740,334 for the Operating Impact of Capital for various capital projects.

Agency Budget Submission

Increase: In Federal Grants funds, the proposed budget includes a net increase of \$41,565 in the Library Services division primarily to support various Library Services and Technology Act (LSTA) projects. This adjustment includes increases of \$189,206 in Other Services and Charges and \$7,325 in Supplies, partially offset by a decrease of \$154,966 in Equipment cost. In Special Purpose Revenue funds, the proposed budget is increased to reflect the increased revenue projections primarily generated by the E-rate award. This funding supports telecommunication (internet, voice, and data) services for the agency's facilities in the Business Operations division. For FY 2017, DCPL allocated a net increase of \$722,500 in nonpersonal services to fund its operational objectives. This adjustment includes increases of \$702,000 in Other Services and Charges, \$398,000 in Equipment, and \$2,500 in Supplies, partially offset by a decrease of \$380,000 in Contractual Services. DCPL proposes an increase of \$47,500 in the Business Operations division to support Overtime expenses for security personnel.

Decrease: In Local funds, DCPL proposes a savings to personal services of \$159,365 and the elimination of 45.8 vacant FTEs. The budget proposal also includes a reduction of \$471,425 to Fixed Costs in the Agency Management division to align the budget for Rent with the estimates provided by DGS and a net decrease of \$1,425,272 across multiple divisions. These reductions are as follows: \$744,241 in Supplies, \$632,126 in Contractual Services – Other, and \$371,163 in Equipment, partially offset by an increase of \$322,258 in Other Services and Charges costs. In Federal Grant funds, the budget proposal reflects a net decrease in the Library Services division of \$36,038 and 1.0 FTE to account for projected personal services adjustments related to salary steps and Fringe Benefits costs.

Mayor's Proposed Budget

Enhance: DCPL's Local funds budget proposal reflects an increase of \$238,616 in Other Services and Charges in the Library Services division to support the Books from Birth program.

Program Description

The District of Columbia Public Charter School Board does not use the District's financial system. For budget presentation, its budget is shown as operating through the District's standard administrative program.

D.C. Public Charter School Board – is responsible for the organizational development, administration, and workforce management for the agency in addition to the periodic review of PCSB's academic, financial, and governance platforms. The agency's operations are funded by Special Purpose Revenue funds derived from an administrative fee charged to each charter school's annual budget [refer to the District of Columbia Public Charter Schools budget chapter] that is authorized under Section 38-1802.11 (b) (2) of the District of Columbia Official Code. This program serves as the PCSB's Agency Management.

Program Structure Change

The District of Columbia Public Charter School Board has no program structure changes in the FY 2017 proposed budget.

The District of Columbia Public Charter School Board's (PCSB) proposed FY 2017 gross budget is \$8,013,987, which represents a 0.2 percent increase over its FY 2016 approved gross budget of \$8,000,000. The budget is comprised entirely of Special Purpose Revenue funds.

Agency Budget Submission

Increase: PCSB's FY 2017 Special Purpose Revenue budget reflects an increase of \$13,987 based on authorization granted under Section 38-1802.11(b) (2) of the District of Columbia Official Code for funding to support the D.C. Public Charter School Board. This provision assesses schools a fee to cover operational costs.

Mayor's Proposed Budget

No Change: The District of Columbia Public Charter School Board's budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.

The mission of the Non-Public Tuition agency is to provide funding, oversight, and leadership for required special education and related services for children with disabilities who attend special education schools and programs under the federal Individuals with Disabilities Education Act (IDEA).

Non-Public Tuition funds a variety of required specialized services, including instruction, related services, educational evaluations, and other supports and services provided by day and residential public and nonpublic special education schools and programs. The agency also funds students with disabilities who are District residents placed by the Child and Family Services Agency (CFSA) into foster homes and attending public schools in those jurisdictions. The budget also provides for supplemental payments to St. Coletta's Public Charter School to cover the costs of students who require specialized services beyond what can be supported through the Uniform Per Student Funding Formula (UPSFF). Administration of the program is supported by providing staff resources to administer the Non-Public Tuition funds.

Program Description

Non-Public Tuition operates through the Non-Public Tuition program:

This program contains the following 2 activities:

- **Non-Public Tuition** – provides compliance with court-established vendor payment mandates covering all non-public special education schools and related service providers; and
- **Non-Public Administration** – provides staff resources to administer the Non-Public Tuition fund.

Program Structure Change

Non-Public Tuition has no program structure changes in the FY 2017 proposed budget.

(Change is calculated by whole numbers and numbers may not add up due to rounding)

FY 2017 Proposed Budget Changes

Non-Public Tuition's (NPT) proposed FY 2017 gross budget is \$74,460,953, which represents a 0.1 percent increase over its FY 2016 approved gross budget of \$74,414,869. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

NPT's FY 2017 CSFL budget is \$74,472,603, which represents a \$57,734, or 0.1 percent, increase over the FY 2016 approved Local funds budget of \$74,414,869.

CSFL Assumptions

The FY 2017 CSFL calculated for NPT included adjustment entries that are not described in detail on table 5. An adjustment was made for an increase of \$57,711 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements, and an increase of \$23 in nonpersonal services based on the Consumer Price Index factor of 2.3 percent.

Agency Budget Submission

Decrease: Non-Public Tuition's Local funds budget proposal includes a net decrease of \$11,651 in personal services to align the budget with projected salary and Fringe Benefit costs. The adjustment is comprised of a \$16,274 decrease to salaries, offset by a \$4,623 increase to Fringe Benefits.

Mayor's Proposed Budget

No Change: Non-Public Tuition's budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.

The mission of Special Education Transportation, also known as the Office of the State Superintendent of Education, Division of Student Transportation (OSSE-DOT), is to provide safe, reliable, and efficient transportation services that positively support learning opportunities for eligible students from the District of Columbia. The agency's work is designed to achieve four main objectives: Safety, Efficiency, Reliability, and Customer Focus.

Summary of Services

OSSE-DOT provides safe and efficient student transportation services for eligible students as determined by Local Education Agencies (LEAs). The agency maintains the means to transport eligible students safely and on time and continuously aims to improve service levels by collaborating with parents, school staff, and special education advocates.

The agency's FY 2017 proposed budget is presented in the following tables:

Program Description

Special Education Transportation operates through the following 7 programs:

Office of Director – provides the following activities: Communication, Outreach and Administration; Risk Management; and Program Management and Resource Allocation; and coordinates with the Office of the State Superintendent of Education (OSSE).

This program contains the following 3 activities:

- **Communication, Outreach and Administration** – coordinates and executes strategic communications to more than 1,500 OSSE-DOT staff, more than 250 schools, and more than 3,200 families who use student transportation;
- **Risk Management** – provides ongoing bus and equipment safety inspections and continuous driver accident prevention training; and

- **Program Management and Resource Allocation** – formulates and manages the annual budget, and tracks actual and obligated expenditures. This activity also receives and processes invoices for payments, handles requests for supplies, conducts bi-weekly payroll certification and analyses, and oversees OSSE-DOT procurement activity.

Performance Management – provides the following activities: Training Coordination and Logistics; Data Analysis; and Administrative Support.

This program contains the following 3 activities:

- **Training Coordination and Logistics** – provides ongoing defensive driving and first aid training to bus drivers and attendants;
- **Data Analysis** – conducts continual data analysis to ensure on-time arrivals at school and efficiency across the Division; and
- **Administrative Support** – provides support to all programs within OSSE-DOT.

Parent Call Center – acts as the primary link between DOT, parents/guardians, school personnel, social workers, and advocates, and responds to calls from parents, school staff, and other stakeholders regarding student transportation.

Routing and Scheduling – creates and optimizes routes and schedules for the transport of students between home and school according to mandated ride time guidelines, to ensure that more than 3,200 students are accounted for on a bus route and that the route complies with best practices.

Investigations – initiates investigations into complaints, incidents, and accidents that involve a bus during daily operations by interviewing or reviewing written statements from all parties involved in the incident and documenting the information gathered into final investigative reports.

Terminal Operations – provides the following activities: Terminal Operations Control; 5th Street (terminal) - Drive and Attend Students; New York Avenue (terminal) - Drive and Attend Students; Southwest (terminal) - Drive and Attend Students; and Adams Place (terminal) - Drive and Attend Students.

This program contains the following 5 activities:

- **Terminal Operations Control** – responsible for the consistent and safe operations of all bus terminals to ensure timely departures for all school bus routes;
- **5th Street – Drive and Attend Students** – one of four bus terminals where bus routes originate;
- **New York Avenue – Drive and Attend Students** – one of four bus terminals where bus routes originate;
- **Southwest – Drive and Attend Students** – one of four bus terminals where bus routes originate; and
- **Adams Place – Drive and Attend Students** – one of four bus terminals where bus routes originate.

Fleet Management – provides the following activities: Contracted Maintenance and Repairs; DOT Maintenance and Repairs; and Inspections and Fleet Management.

This program contains the following 3 activities:

- **Contracted Maintenance, Repairs and Others** – manages contracts for five repair vendors who provide repair services for more than 700 vehicles;
- **DOT Maintenance and Repairs** – coordinates maintenance activities for more than 700 vehicles to ensure compliance with regulations and safe transport for more than 3,200 students; and

- **Inspections and Fleet Management** – coordinates activities to ensure more than 700 school buses pass twice-yearly Department of Motor Vehicles inspections.

FY 2017 Proposed Budget Changes

Special Education Transportation's (SET) proposed FY 2017 gross budget is \$99,070,026, which represents a 1.8 percent increase over its FY 2016 approved gross budget of \$97,305,376. The budget is comprised of \$96,070,026 in Local funds and \$3,000,000 in Intra-District funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

SET's FY 2017 CSFL budget is \$90,286,614, which represents a \$3,518,762, or 3.8 percent, decrease from the FY 2016 approved Local funds budget of \$93,805,376.

CSFL Assumptions

The FY 2017 CSFL calculated for SET included adjustment entries that are not described in detail on table 5. These adjustments were made for increases of \$2,229,792 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements, and an increase of \$34,857 in nonpersonal services based on the Consumer Price Index factor of 2.3 percent.

CSFL funding for SET also includes a decrease of \$5,783,410 for the Fixed Costs Inflation Factor to account for projected estimates for Telecommunications and Fleet services.

Agency Budget Submission

Increase: SET's Local funds budget proposal includes a net personal services increase of \$1,764,807 across multiple programs. This adjustment includes a net increase of \$1,778,967 and a net reduction of 2.4 FTEs to reflect projected salary steps, Fringe Benefits, and other personal services adjustments, partially offset by a reduction of \$14,160 for projected overtime costs.

Decrease: In Local funds, SET's nonpersonal services budget proposal includes a net reduction of \$4,884,418 across multiple programs to reflect projected costs for professional services fees, land rentals, and contractual services for outreach and program management.

In Intra-District funds, the proposed budget includes a decrease of \$500,000 to reflect projected federal Medicaid reimbursements within the Office of the Director's program.

Technical Adjustment: SET's budget proposal includes a net increase of \$8,903,023, primarily for automotive fuel, along with costs associated with vehicle maintenance and repairs, uniforms, and contracts for terminal operations control. This includes an increase of \$9,394,876 to reflect a reforecast of centralized fixed costs estimates along with increased operating costs, partially offset by \$491,853 that is included elsewhere in the budget.

Mayor's Proposed Budget

No Change: Special Education Transportation's budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.

FY 2017 Proposed Budget Changes

The D.C. State Board of Education's (SBOE) proposed FY 2017 gross budget is \$1,247,608, which represents a 5.6 increase over its FY 2016 approved gross budget of \$1,181,926. The budget is comprised of \$1,229,308 in Local funds and \$18,300 in Private Donations.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

SBOE's FY 2017 CSFL budget is \$1,188,185, which represents a \$34,560, or 3.0 percent, increase over the FY 2016 approved Local funds budget of \$1,153,625.

CSFL Assumptions

The FY 2017 CSFL calculated for SBOE included adjustment entries that are not described in detail on table 5. These adjustments were made for an increase of \$34,560 in personal services to account for Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements.

Agency Budget Submission

To continue to provide oversight and guidance on academic policies and education standards, SBOE proposes the following budget adjustments:

Increase: In Local funds, the proposed SBOE budget increased by \$7,172 in personal services to support projected salary and Fringe Benefits adjustments. In nonpersonal services, SBOE's budget increased by \$3,000 for equipment and machinery purchases. In addition, SBOE's budget proposal increased by a total of \$30,950 and includes \$14,150 for professional service fees and contracts needed for the repair and maintenance of the agency's QuickBase data system and \$16,800 for other technology upgrades.

Decrease: In Private Donations, SBOE's budget proposal decreased by \$10,000 to reflect the anticipated reduction of a donation made by the National Association of the State Board of Education.

Mayor's Proposed Budget

No Change: The D.C. State Board of Education's budget proposal reflects no change from the agency budget submission to the Mayor's proposed budget.

FY 2017 Proposed Budget Changes

The Office of the Deputy Mayor for Education's (DME) proposed FY 2017 gross budget is \$3,132,667, which represents a 12.3 percent decrease from its FY 2016 approved gross budget of \$3,571,327. The budget is comprised entirely of Local funds.

Current Services Funding Level

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2016 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2017 CSFL adjustments to the FY 2016 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DME's FY 2017 CSFL budget is \$3,082,667, which represents a \$488,660, or 13.7 percent, decrease from the FY 2016 approved Local funds budget of \$3,571,327.

CSFL Assumptions

The FY 2017 CSFL calculated for DME included adjustment entries that are not described in detail on table 5. These adjustments include a reduction of \$570,000 to account for the removal of one-time funding appropriated in FY 2016 for advocacy services, individual counseling, academic support, enrichment, life-skills training, and employment readiness for at-risk high school students; a music instruction program serving elementary school students; and a feasibility study to relocate the University of the District of Columbia Community College. Additionally, adjustments were made for increases of \$62,838 in personal services and Fringe Benefit costs based on trend and comparative analyses, the impact of cost-of-living adjustments, and approved compensation agreements, and an increase of \$18,119 in nonpersonal services based on the Consumer Price Index factor of 2.3 percent.

CSFL funding for DME also includes an increase of \$383 for the Fixed Costs Inflation Factor to account for fleet services.

Agency Budget Submission

Increase: To continue supporting the Mayor's goal of achieving academic excellence, DME's budget proposal includes an increase of \$74,948 in contractual services to support the implementation of the My School DC (MSDC) lottery application by the Office of the Chief Technology; provide seasonal help for the School Lottery hotline; examine charter school facilities costs; and provide advertisement for EdFEST. In addition, the proposed budget reflects an increase of \$67,580 for the MSDC lottery, printing services, travel, and telecommunications expenses.

Decrease: DME's budget proposal includes a net decrease of \$142,528 to align the budget with projected costs for salaries, Fringe Benefits, and other personal service adjustments. This adjustment includes an increase of 2.0 Full-Time Equivalent (FTE) positions whose associated costs will be absorbed within the proposed budget.

Mayor's Proposed Budget

Enhance: DME's budget proposal includes an increase of \$50,000 to support an assessment of the children of incarcerated parents to determine their programmatic educational needs.
