(2) Source: D.C. Department of Employment Services, Office of Labor Market Research and Information based on data from U.S. Bureau of Economic Analysis (BEA).

BEA uses slightly different population estimates in its calculation of per capita income. Updates are made each year to prior year numbers, which will not match prior year CAFR figures.

* This data is produced through the Quarterly Covered Employment and Wage (QCEW) Program, a Bureau of Labor Statistics federal/state cooperative statistical program. Release of data under this program is subject to the Confidential Information Protection and Statistical Efficiency Act of 2002. The District cannot release company specific employment information without the written consent of each of the companies that are included in the release of such data. As a result, we are only presenting rank and total employment information for the top fifteen principal employers.
