\* This data is produced through the Quarterly Covered Employment and Wage (QCEW) Program, a Bureau of Labor Statistics federal/state cooperative statistical program. Release of data under this program is subject to the Confidential Information Protection and Statistical Efficiency Act of 2002. The District cannot release company-specific employment information without the written consent of each of the companies that are included in the release of such data. As a result, we are only presenting rank and total employment information for the top fifteen principal employers.
