District of Columbia Unified Economic Development Budget Report

METHODOLOGY

The Office of the Chief Financial Officer (OCFO) of the District of Columbia is pleased to present the Fiscal Year 2023 Year-End Unified Economic Development Budget Report (Report) which provides information on how economic development dollars were allocated in the District of Columbia during the past fiscal year. The Report, which was mandated by the Unified Economic Development Budget Transparency and Accountability Act of 2010 (Act)¹, identifies all economic development incentives in excess of \$75,000 provided in Fiscal Year 2023.²

The Act defines “economic development incentive” as:

“...any expenditure of public funds by a granting body for the purpose of stimulating economic development or creating affordable housing within the District of Columbia, including any funds from the District or funds that, in accordance with a federal grant or otherwise, the District government administers, including land disposition and development agreements, financial subsidies, or expenditures of the Housing Production Trust Fund or of the Housing Preservation Fund, or any bond issuance, including pilot bond, tax increment financing bond, or revenue bond issuances, grant, loan, loan guarantee, fee waiver, land price subsidy, matching fund, tax credit, or any other tax expenditure.”

Based on this definition and ongoing evaluation of the types of expenditures and funding commitments made by the District, the OCFO includes the following activities in the Report as economic development incentives.

- Issuances of, and payments for, tax increment financing (TIF) bonds
- Issuances of, and payments for, payment in lieu of taxes (PILOT) bonds
- Issuances of, and payments for, revenue bonds
- Expenditures on contracts for certain activities related to construction, provision of services, or acquisition of property by the District
- Grants, loans, and loan guarantees

¹ Effective September 24, 2010 (D.C. Law 18-223; D.C. Official Code § 2-1208.01 et seq.).

² Beginning on October 1, 2022 and ending September 30, 2023.

- Land price subsidies and certain property dispositions
- Tax abatements, tax exemptions, and tax credits
- Fee waivers

The following is a complete list of District agencies submitting data included in the Report³.

- District of Columbia Housing Enterprises (DCHE), a subsidiary of District of Columbia Housing Authority
- District of Columbia Housing Financing Agency (DCHFA)
- District of Columbia Public Libraries (DCPL)⁴
- District of Columbia Public Schools (DCPS)⁵
- Department of Housing and Community Development (DHCD)⁶
- Department of Employment Services (DOES)⁷
- Department of Small and Local Business Development (DSLBD)
- Office of the Deputy Mayor for Planning and Economic Development (DMPED)
- District Department of Transportation (DDOT)⁸
- Office of the Chief Financial Officer (OCFO)

In the process of compiling the Report data, fiscal officers and program staff in each of the agencies listed above provided expenses obtained from the District's financial reporting systems. Agency staff validated expense data and ward information. The Economic Development Finance (EDF) group within OCFO's Office of Finance and Treasury (OFT) then reviewed and aggregated the data. As required under the Act, the Report presents expenditures by type of incentive, by ward, by granting body, and by recipient.

³ Other agencies were contacted, but had no economic development activity to report this year.

⁴ Includes only capital expenditures for construction projects.

⁵ Includes only capital expenditures for new construction and modernization projects (as managed by Department of General Services).

⁶ Includes spending only in the following activities: Affordable Housing Project Financing; Property Acquisition; Administration of the Federal Government's Homeowner Assistance Fund, Single Family Home Rehabilitation, Small Business Technical Assistance.

⁷ Includes only expenditures under select employment programs.

⁸ Includes contract expenditures only on the 11th Street Bridge Park project.

FINDINGS

The Findings section summarizes the District’s economic development incentives for FY 2023. We summarize the data by incentive type, the entity providing the incentive, and the geographic location of the incentive. The Background section that follows describes each category of incentive and provides further detail on expenditures and awards by category.

Dollars by Incentive Type

In the past fiscal year, the District spent approximately \$555 million on the reported economic development incentives impacting the FY 2023 budget, as seen in Table 1. In addition to spending by agencies, these expenditures include reductions to District revenue stemming from tax incentives pertaining to economic development including abatements, exemptions and credits. These revenue reductions are also described as “tax expenditures.”

This Report also details economic incentives provided during FY 2023 that either have no impact on the District’s budget or will impact a future year’s budget. Such activity included enacted tax abatements and exemptions, bond issuances,⁹ the administration and management of federal grant money, and land dispositions. Activity not impacting the FY 2023 budget totaled approximately \$1.76 billion.

The incentives were allocated by type of expenditure as shown in Table 1.

Table 1: Incentives by Expenditure Type

	Aggregate Expenses	Activity Not Impacting the Budget	Number of Recipients
Total	\$555,295,882	\$1,761,884,891	2,666

Revenue Bond Issuance		1,636,203,524	48
Tax Abatements & Exemptions	23,199,386	7,747,192	105

⁹ Debt service on the revenue bonds issued under the DMPED Revenue Bond Program or by DCHFA is paid by third parties, and therefore is not included in the District budget. Reported TIF and PILOT debt issuances are not aggregate expenses of the District, but any debt payments on new issuances are reported as TIF and PILOT debt service expenses in this report.

Detailed information for the expenses aggregated above, including recipient and ward data, can be found in each of the Report’s appendices.

Total spending on reported economic development incentives impacting the FY 2023 budget decreased by 25 percent over the prior fiscal year as seen in Table 2. Decreases occurred in almost all categories. Notable decreases include TIF Debt Service, due to decreases in early redemption of bonds compared to FY 2022, as well as a substantial decrease in District Tax Credits such as QHTC and Small Retailer Property Tax Relief. Decreased grant expenditures are due to smaller dollar-value business development grants being issued in FY 2023.

For activity not impacting the FY 2023 budget, as presented in Table 2, the value of incentives increased by 135 percent from the prior fiscal year. This increase was driven by the sharp increase in revenue bond issuances by DMPED, as well as the shift to grants funded with federal dollars.

The allocation of total economic development dollars by granting body, or agency, is provided in Table 3 and in Appendix II. District of Columbia Public Schools (DCPS), for expenditures on contracts for school modernizations, accounted for approximately 40 percent of fiscal year expenditures.

2. Estimate of total foregone tax revenue (includes QHTC and Small Retailer tax credit recipients)
3. Includes Ballpark, Convention Center, Convention Center Hotel, and Housing Production Trust Fund bonds
4. Revenue bonds included are not repaid from the District's budget
5. Estimated foregone revenue over the term of the abatement

Agency Key

DCHE - District of Columbia Housing Enterprise
DCHFA - District of Columbia Housing Finance Agency
DCPL - District of Columbia Public Libraries
DCPS - District of Columbia Public Schools
DDOT - District Department of Transportation
DHCD - Department of Housing and Community Development (includes the Housing Production Trust Fund and the Housing Preservation Fund)
DMPED - Office of the Deputy Mayor for Planning and Economic Development
DOES - Department of Employment Services
DSLBD - Department of Small and Local Business Development
Misc. Funds - Tax revenue transfer agencies in the District's budget created for debt issuance purposes
None- Abatements, Exemptions and Tax Credits are not attributable to an agency

The Deputy Mayor's Office for Planning and Economic Development (DMPED) was responsible for the largest share of non-expense activity, issuing \$1.16 billion of revenue bonds to support construction projects for nonprofit organizations in the District. Revenue bonds issued by DC Housing Finance Agency (DCHFA) were a similarly large share of non-expense activity, at \$473 million.

Dollars by Ward

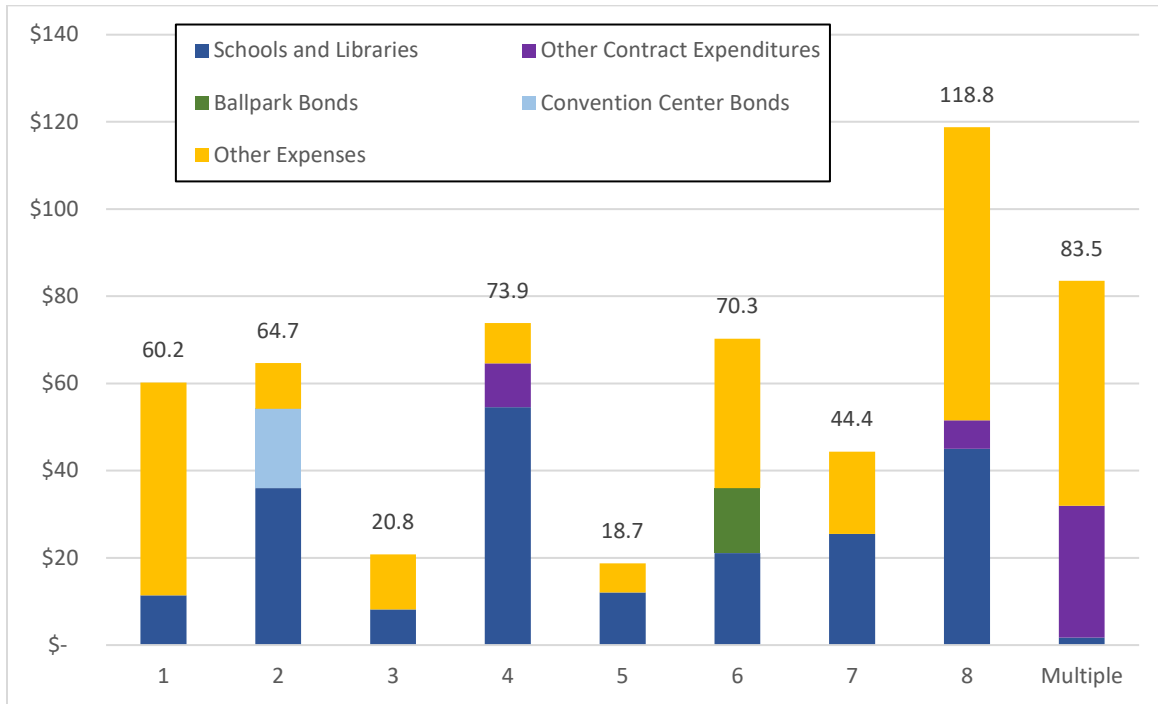

As required by the Act, this Report includes project data by ward. The Report separates incentives among the District's eight wards. Table 4 below provides the dollars per ward for each type of incentive, while Charts 1 and 2 on the following pages displays the overall data by ward in major categories.

As the data demonstrate, the categories of expenses vary by ward. As displayed in Chart 1, below, expenditures on school and library capital contracts were concentrated in Wards 2, 4, and 8 in the past fiscal year. Notable expenditures in the “other expenses” category include \$12.8 million in QHTC across all wards, \$17.2 million in Housing Preservation Fund grants available to all wards, and \$40 million and \$62 million in DHCD loan proceeds provided to projects in Wards 1 & 8, respectively.

Chart 1: FY 2023 Economic Development Expenses, by Ward (\$ Millions)

As displayed in Chart 2 on the following page, revenue bond issuance makes up the bulk of non-expense activity in the past fiscal year. DMPED private activity bond issuances impacted every ward except Ward 7 but were concentrated in Wards 1, 2, and 3. DCHFA bond issuances were concentrated on projects in Wards 1 and 8 but also were issued for projects identified in Wards 3, 4, 5, 6, and 7. Funds provided by the federal government through the American Rescue Plan and administered by the District make up the majority of “other expenditures”. Two New Market Tax Credit distributions of \$11 million each were received in Wards 5 and 8, respectively.

Chart 2: Economic Development Activity Not Impacting the FY 2023 Budget, by Ward (in \$ Millions)

The detailed list of ward-by-ward expenditures and other activity can be found in Appendix III, Detailed Economic Development Incentives by Ward.

BACKGROUND

The following is a brief explanation of each economic development category included in the Report.

Expenditures on Contracts

This category includes District Expenditures on Contracts related to economic development, such as construction, planning and asset management services provided by third parties, and may include both operating and capital budget dollars.¹⁰ The total expended in this category during FY 2023 is approximately \$262 million to 103 entities. The complete list of expenditures on contracts begins on page 16.

A separately categorized contract expenditure was DHCD's acquisition of The Ashton, a former university dormitory that will be turned into a shelter, on behalf of the Department of Human Services. This acquisition, valued at \$23.7 million, was paid with non-local funds and did not impact the budget.

Grants

District agencies awarded approximately \$41 million to 81 entities in FY 2023 as Grants. These dollars were provided to a wide range of entities through programs administered by DHCD, DMPED, DOES, and DSLBD. The Report's itemized list of grants begins on page 28.

Land Price Subsidies; Land Dispositions

The District provided no Land Price Subsidies through parcels of land transferred for sale in FY 2023 for economic development purposes. Approximately \$13.2 million in Land Dispositions were effective in FY 2023, and they are identified on page 15.¹¹

¹⁰ Beginning in FY 2012, this report has included contracts for construction and renovation of public schools and libraries. Additional categories added since FY2022 are contracts for the 11th Street Bridge Park and the Cedar Hill Regional Medical Center at St. Elizabeths East Campus.

¹¹ Reported by Office of the Deputy Mayor for Planning and Economic Development. Disposition values are calculated as the difference between the appraised value as improved and the price paid by the purchaser. The value reflects the additional costs of improvements to be made by the purchaser as well as a return on the cost.

Loan; Loan Guarantees; Fee Waivers

Approximately \$144 million in Loans were provided by DHCD from the Housing Production Trust Fund in FY 2023. Details can be found on page 40. No Loan Guarantees over \$75,000 were identified for the Report. No Fee Waivers in FY 2023 were identified for the Report.

New Markets Tax Credit Investment

The District of Columbia Housing Authority has a subsidiary, DC Housing Enterprises (DCHE), which has received allocations of federal New Markets Tax Credits (NMTC). NMTCs function to increase capital to businesses and low-income communities by providing private investor tax credits. As NMTC is a federal program, there is no impact on the DC budget for this spending category. DCHE deployed two tax credits in FY 2023, each worth \$11 million.

PILOT Debt Service and PILOT Issuances

PILOT (Payment in Lieu of Taxes) financing is used for economic development in the District in a similar manner to TIF bonds, where new taxes generated from public land previously exempt from real property taxation is dedicated to bond repayment. In total, the District paid approximately \$9.5 million in debt service on PILOT bonds (see page 43).

PILOT Issuances are the total value of new debt issued in the fiscal year. PILOT Issuances are not aggregate expenses impacting the budget but will require debt service payments that will be reported as expenses. There were no new PILOT issuances in FY 2023.

Revenue Bonds Debt Service

FY 2023 expenses for Revenue Bond debt service payments include bonds repaid with dedicated tax revenues. These include bonds issued to fund the construction of the District's Convention Center and the District's Convention Center Hotel (repaid with dedicated sales taxes), the Nationals Ballpark (repaid with dedicated Ballpark Fee and other tax revenues), and bonds supporting affordable housing (repaid from the Housing Production Trust Fund). District tax revenues totaling about \$36.9 million were dedicated to pay debt service on these bonds, details can be found on page 44.

New Revenue Bond Issuances during FY 2023 include bonds issued by DMPED and by DCHFA. Bonds issued under the DMPED Revenue Bond Program support capital projects of several institutions based in Washington, DC (including universities, schools, and national non-profits). DCHFA's revenue bonds support new construction and renovation of apartment developments, including many reserved as affordable apartments. Debt service for Revenue Bond Program bonds and DCHFA bonds is paid by the project sponsor, not from

the District budget. The total amount of these types of bonds issued in FY 2023 was about \$1.64 billion. Itemized bonds in this category begin on page 44.

Tax Abatements & Exemptions

The total value of economic development tax abatements and tax exemption expenditures in FY 2023 was about \$23.2 million. Tax Abatements reduce the real property tax otherwise payable on a property for a fixed period or by a specific amount, provided the property continues to qualify for the abatement. Tax Exemptions provide real property tax relief to a property based on ownership and use that is not limited by time or amount, provided the property continues to qualify for the exemption. The FY 2023 cost of tax abatements and exemptions provided begins on page 49.

Future Tax Abatements are abatements and exemptions that were enacted and fully funded in the past fiscal year. The values presented are estimates of the cost of each for the duration of the abatement or exemption. For exemptions that have no time limit, the value is typically estimated over 30 years. The DC City Council enacted and/or funded five Future Tax Abatements in FY 2023 with an aggregate future value estimated at approximately \$7.8 million. The full list of Future Tax Abatements is on page 28.

Tax Credits (District)

The District's tax credit programs for economic development include the Qualified High Technology Credit (QHTC), the Certified Capital Company (CAPCO) program, and the Small Retailer Property Tax Relief Credit (SR Credit). QHTC lowers corporate income taxes for qualifying companies that derive at least 51% of their gross revenue from technology-related goods and services and exempts certain high technology goods from sales taxes. In FY 2023 (based on tax returns filed for 2021), approximately \$12.8 million was allocated to 26 taxpayers for QHTC income tax credits.

The SR Credit is a refundable franchise tax credit available to qualified small businesses based on the amount of rent or real property tax paid by the business for a qualified retail location. In FY 2023 (based on tax returns filed for 2022), approximately \$2.6 million was allocated for 585 taxpayers.

The CAPCO program offers insurance companies credits against District premium taxes for investments of private capital in local businesses. The CAPCO investments are made through funds managed by professional venture capital investment managers, who selected the businesses receiving the investments. There were no CAPCO investments made in the District in FY 2023.

District Tax Credits can be found on page 16.

TIF Debt Service and TIF Issuances

FY 2023 expenses include approximately \$23.4 million in Tax Increment Financing (TIF) Debt Service paid by the District. TIF Debt Service in FY 2023 included scheduled interest and principal payments. TIF is used by the District to subsidize a variety of new development projects by providing TIF bond and note proceeds to projects at construction and dedicating the increased real property and sales tax revenues provided by the project to repayment of TIF debt. TIF Debt Service payments are identified on page 58.

TIF Issuances are the total value of new debt issued in the fiscal year. TIF Issuances are not aggregate expenses impacting the budget but will require debt service payments that will be reported as expenses. No TIF Issuances occurred in FY 2023.

Appendix V: Unified Economic Development Budget Transparency and Accountability Act

Excerpted From D.C. Law 18-223, as amended, Effective September 24, 2010.

D.C. Official Code § 2-1208.01. Definitions.

For the purposes of this subchapter, the term:

(1) “Chief Financial Officer” means the Office of the Chief Financial Officer established by § 1-204.24a.

(2) “Economic development incentive” or “incentive” means any expenditure of public funds by a granting body for the purpose of stimulating economic development or creating affordable housing within the District of Columbia, including any funds from the District or funds that, in accordance with a federal grant or otherwise, the District government administers, including land disposition and development agreements, financial subsidies, or expenditures of the Housing Production Trust Fund or of the Housing Preservation Fund, or any bond issuance, including pilot bond, tax increment financing bond, or revenue bond issuances, grant, loan, loan guarantee, fee waiver, land price subsidy, matching fund, tax abatement, tax exemption, tax credit, or any other tax expenditure.

(3) “Granting body” means an agency, board, office, instrumentality, or authority of the District government that provides or authorizes an economic development incentive.

(4) “Recipient” means any non-governmental person association, corporation, joint venture, partnership, or other entity that receives an economic development incentive.

(5) “Tax expenditure” shall include any loss of revenue to the District government that is attributable to an exemption, abatement, credit, reduction, or other exclusion under District tax law.

(6) “Unified Economic Development Budget Report” or “Report” means the document that the Chief Financial Officer is required to create under § 2-1208.02.

§ 2-1208.02. Unified Economic Development Budget Report.

(a)(1) On or before March 1, the Chief Financial Officer shall compile and publish an annual Unified Economic Development Budget Report (“Report”) with regard to the fiscal year just concluded. The report shall be produced in both printed and electronic form and shall be freely available in offices of all District agencies included in the report. A user-friendly electronic version of the report shall be posted on the Government of the District of Columbia’s website in a central location that the public can easily locate.

Appendix V

Unified Economic Development Budget Transparency and Accountability Act

(2) The comprehensive report shall provide the following information regarding the economic development incentives offered by the District:

(A) The name of each recipient receiving one or more economic development incentives with a combined total value equal to or greater than \$75,000;

(B) The dollar value of each economic development incentive received by each recipient; provided, that any economic development incentive received by a recipient with a value less than \$75,000 shall not be itemized; the Chief Financial Officer shall report an aggregate dollar amount of those expenditures and the total number of recipients aggregated;

(C) The aggregate dollar amounts for each type of incentive;

(D) The aggregate dollar amounts expended per ward;

(E) The aggregate number of companies, groups, or individuals receiving each type of economic development incentive; and

(F) The total cost of all economic development incentives appropriated by each granting body categorized by the granting body's name.

(b) The Mayor shall submit annually, as part of the annual budget request to the Council, a single document estimating the costs of all economic development incentives for the fiscal year of the requested budget, including:

(1) The total cost to the District resulting from the proposed economic development incentives, including the costs for each category of proposed tax expenditures, and the amounts of proposed tax expenditures classified by ward;

(2) The cost to the District of all proposed appropriated funds for economic development incentives by District agency, instrumentality, or public institution of higher education;

(3) For each recipient listed in the most recent Unified Economic Development Budget Report prepared pursuant to subsection (a)(2)(A) of this section that has received an economic development incentive in anticipation of, or as the result of, the development or redevelopment of real property, the Mayor shall list all requirements imposed on the recipient in exchange for those incentives, including any requirements related to:

(A) The production or preservation of affordable housing;

(B) The employment of District residents;

(C) The participation of certified business enterprises in the construction or operation of the real property; and

(D) The production of community amenities; and

Appendix V

Unified Economic Development Budget Transparency and Accountability Act

(4) For each recipient that received an economic development incentive in anticipation of, or as the result of, the development or redevelopment of real property within the previous 5 years, the Mayor shall determine whether the recipient is in compliance with any requirements listed in paragraph (3) of this subsection for that recipient and shall list, when applicable:

(A) The current number of affordable housing units on the property, their level of affordability, and the number of bedrooms per unit;

(B) The number of District residents employed as a result of the development or redevelopment of the property, including the average wages of newly employed residents, the value and type of employment benefits provided, and whether the employees are full-time or part-time;

(C) The participation of certified business enterprises in the construction or operation of the real property;

(D) Any realized changes to overall tax revenue resulting from the development or redevelopment.

(c) Any granting authority agencies administering any economic development incentive shall cooperate and assist the Chief Financial Officer in the preparation of the Unified Economic Development Budget Report and all reporting requirements imposed by this subchapter.
