## **FY 2015 Proposed Budget Changes**

The District of Columbia Office on Aging's (DCOA) proposed FY 2015 gross budget is \$43,267,960, which represents a 22.0 percent increase over its FY 2014 approved gross budget of \$35,458,613. The budget is comprised of \$32,973,922 in Local funds, \$7,735,721 in Federal Grant funds, and \$2,558,317 in Intra-District funds.

#### **Current Services Funding Level**

The Current Services Funding Level (CSFL) is a Local funds ONLY representation of the true cost of operating District agencies, before consideration of policy decisions. The CSFL reflects changes from the FY 2014 approved budget across multiple programs, and it estimates how much it would cost an agency to continue its current programs and operations into the following fiscal year. The FY 2015 CSFL adjustments to the FY 2014 Local funds budget are described in table 5 of this agency's budget chapter. Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

DCOA's FY 2015 CSFL budget is \$24,118,122, which represents a \$1,838,439, or 7.1 percent, decrease from the FY 2014 approved Local funds budget of \$25,956,561.

#### **CSFL** Assumptions

The FY 2015 CSFL calculated for DCOA included adjustment entries that are not described in detail on table 5. These adjustments include a reduction of \$2,150,000 to account for the removal of one-time funding appropriated in FY 2014 for Contractual Services to provide meals to home-bound seniors and to provide grants for senior services. Additionally, adjustments were made for increases of \$119,285 in personal services to account for Fringe Benefit costs based on trend and comparative analyses and the impact of cost-of-living adjustments implemented in FY 2013, and \$111,276 in nonpersonal services based on the Consumer Price Index factor of 2.4 percent. DCOA's CSFL funding for the removal of one-time salary lapse reflects an adjustment for an increase of \$81,000.

#### **Agency Budget Submission**

**Increase:** DCOA's proposed budget includes an increase of \$492,325 in Local funds nonpersonal services in Subsidies and Transfers to support services for seniors. This increase is due to the reallocation of funding from personal services and a shift of Ombudsman funding from Contractual Services. Additional increases include \$67,937 in Other Services and Charges in the Agency Management program, to support additional services for seniors who participate in the Senior Service Network.

In Federal Grant funds, the nonpersonal services budget was increased by \$626,392, of which \$21,468 was allocated to Supplies and Materials in the Agency Management program, \$82,214 to Other Services and Charges in multiple programs for the maintenance of the Aging and Disability Resource Center's (ADRC) website, and \$522,710 to Subsidies and Transfers in the Community-Based Support program. This increase is primarily attributed to additional funding from the Commodity Assistance program grant and the reallocation of contract funding.

In Intra-District funds, the nonpersonal services budget was increased by \$564,492, of which \$218,548 was in Other Services and Charges due to additional funding for two Letters of Intent (LOI) for Money Follows the Person and ADRC Operations, and \$345,944 was for a LOI providing services for the DC Long Term Ombudsman and Independent Living for the Blind. In addition, the personal services budget in the Consumer Information Assistance and Outreach program was increased by \$473,806 and 4.0 FTEs due to an increase in ADRC funding.

**Decrease:** DCOA's proposed FY 2015 budget includes a Local fund reduction of \$189,718 in nonpersonal services across multiple programs. Of this amount, \$184,955 is from Contractual Services due to a shift in Ombudsman funding, \$2,400 is from Equipment and Equipment Rental, and \$2,363 is from Supplies and

Materials. An additional Local fund decrease of \$370,544 and 6.5 FTEs in personal services is due to the elimination of 12 part-time social worker positions and the establishment of 5 full-time positions. The remaining funds were allocated to Subsidies and Transfers in nonpersonal services to support the agency's sub-grants.

In Federal Grant funds, nonpersonal services were decreased by \$221,102 due to the ADRC funding reclassification from Contractual Services to Subsidies and Transfers in the Community-Based Support program. Additionally, the personal services budget was decreased by \$25,128 and 0.5 FTE to reflect the reclassification of recently hired employees from Continuing full time to Term full time.

In Intra-District funds, the Contractual Services budget in the Consumer Information Assistance and Outreach program was decreased by \$626,476 as an offset to the personal services increase to support the new FTEs, as well as projected salary steps and Fringe Benefits adjustments.

**Technical Adjustment:** DCOA's FY 2015 budget request was increased by \$4,900,000 in the Community-Based Support program. Of this amount, \$3,000,000 supports existing transportation contracts for seniors and \$1,900,000 supports the food services contract, which provides meals for seniors.

#### Mayor's Proposed Budget

**Enhance:** The District of Columbia Office on Aging's budget reflects an increase of \$2,705,800 in nonpersonal services, which includes \$2,000,000 in additional funds to enhance programs for seniors and expand access to wellness centers, \$455,800 to support the Community Supplemental Food program and the Community Automated Reliable Electronic System, and \$250,000 to support the "Age Friendly" citywide initiative.

#### **District's Proposed Budget**

**Enhance:** DCOA's FY 2015 proposed Local budget includes a nonpersonal services increase of \$1,250,000 in Subsidies and Transfers to support transportation, housing, and community-based services for the District's senior residents.
