Department of Corrections facilities and contract facilities where District residents are incarcerated. The CIC reports its findings and recommendations on conditions of confinement to the Mayor, District Council, the District's Congressional representatives, corrections agency heads, and the community.

The agency's FY 2021 proposed budget is presented in the following tables:

**FY 2021 Proposed Budget Changes**

The Corrections Information Council's (CIC) proposed FY 2021 gross budget is \$731,948, which represents a less than 1.0 percent decrease from its FY 2020 approved gross budget of \$736,360. The budget is comprised entirely of Local funds.

**Recurring Budget**

**No Change:** The Corrections Information Council's budget proposal reflects no change from the FY 2020 approved budget to the FY 2021 recurring budget

**Mayor's Proposed Budget**

**Reduce:** The proposed budget submission reflects reductions of \$6,963 to account for savings in personal services and \$24,658 in nonpersonal services.

## Agency Performance Plan

Corrections Information Council (CIC) has the following strategic objectives for FY 2021:

### Strategic Objectives

Strategic Objectives describe what the agency will do, at a high level, to achieve its mission. These are action-based sentences that define what an agency does for its customers, whether the customers are residents or other District agencies, and how that improves the District.

### Objectives

1. Improve transparency of the corrections systems through inspections and monitoring.
2. Provide information and education on conditions of confinement, programs, and prison reentry to inform and empower inmates, the community, and policy decision-makers.
3. Provide recommendations to improve conditions of confinement, policies, and procedures affecting incarcerated residents to improve public safety.
4. Improve the transparency of CIC operations, including how the CIC selects facilities to inspect, and how the CIC stores and uses information from stakeholders.

---

### ACTIVITIES

Activities include the work that happens on a daily basis to help achieve the Strategic Objectives. Activity names come from the budget line items. This is further divided into “daily services” (ex. sanitation disposal), and long-term “key projects” that are high profile, one-time and span several years, (ex. redevelopment of Walter Reed Army Medical Center). Many agencies will mostly have daily services, whereas some agencies that have more of their budget come from capital funding will have several key projects.
