\* This data is produced through the Quarterly Covered Employment and Wage (QCEW) Program, a Bureau of Labor Statistics federal/state cooperative statistical program. Release of data under this program is subject to the Confidential Information Protection and Statistical Efficiency Act of 2002. The District cannot release company specific employment information without the written consent of each of the companies that are included in the release of such data. As a result, we are only presenting rank and total employment information for the top ten principal employers.
