The mission of the Captive Insurance Agency (“the Captive”) is to provide medical malpractice insurance for local non-profit health centers, as well as property insurance for District government real property assets. The Captive was created by statute in 2008 and is administered by the Chief Risk Officer, Office of Risk Management (ORM). ORM incorporated the Captive and began writing medical malpractice insurance policies in FY 2008. In FY 2014, the scope of the Captive was expanded to include property insurance. The liability of the agency is limited to the funds available to the Captive participants.

## Program Description

The District of Columbia Captive Insurance Agency operates through the following program:

**Captive Operations** – funds the management and insurance policies of the Captive Insurance Agency. It also provides property insurance for risks to District government real property assets for various hazards.

This program contains the following 2 activities:

- **Oversight** – the Chief Risk Officer, with the advice of the Captive Advisory Council, administers the Captive by hiring a Captive manager and other staff, including legal staff; and
- **Growth and Income Strategy and Management** – distributes payments and collects premium and interest income on behalf of the Captive for the establishment, operation, and administration of the agency.

Please see the CSFL Development section within Volume 1: Executive Summary for more information regarding the methodology used and components that comprise the CSFL.

The Captive's FY 2016 CSFL budget is \$1,545,145, which represents no change from the FY 2015 approved Local funds budget.
