The mission of the Child and Family Services Agency is to ensure the safety, permanence, and well-being of abused and neglected children in the District of Columbia and to strengthen their families.

### **Summary of Services**

The D.C. Child and Family Services Agency (CFSA) investigates reports of child abuse and neglect and provides child protection. Services include supportive community-based services that help families overcome difficulties while keeping their children out of foster care, foster care for children who cannot be safe at home, and adoption for children who cannot go home. CFSA seeks to achieve the highest quality of community-based services, to increase the number of families who receive preventive and supportive services, and to expand the network of resources providing services to at-risk children and their families.

The agency's FY 2020 approved budget is presented in the following tables:

### **Division Description**

The Child and Family Services Agency operates through the following 8 divisions:

**Agency Programs** – provides case management for children and youth in foster care. The Agency Operations program works to ensure the safety and well-being of children and youth in care while moving them to permanence as quickly as possible via reunification, guardianship, or adoption.

This division contains the following 7 activities:

- **Permanency** provides case management and permanency support for children from the inception of concurrent permanency planning through finalization of reunification, guardianship or adoption;
- **Teen Services** provides permanency support, consultation, technical assistance, training, and case management for older youth between the ages of 15 to 21. Teen Services works to achieve permanence for older youth while at the same time providing life skills training, vocational and educational support, and transitional assistance to prepare them for independence after leaving foster care;
- **Family Resources** provides foster and adoptive resource recruitment and support services to current and potential foster, kinship, and adoptive parents;

**Community Services** – is composed of investigative social workers, medical professionals and other professionals responsible for monitoring and overseeing services to children who are placed in foster care. Community Services operates CFSA's on-site clinic and the child abuse hotline.

This division contains the following 5 activities:

- Child Protective Services Family Assessment leads and conducts assessments of suspected child abuse or neglect, assesses families whose children are alleged victims of abuse or neglect, and refers children and their families for services within CFSA or the Healthy Families Thriving Communities Collaboratives. The assessments are designed to prevent further abuse and neglect, strengthen parents' capacity to care for their children, assure that children receive adequate care, and safely prevent out-of-home placement when appropriate;
- Child Protective Services Investigations receives reports of suspected child abuse or neglect through the hotline, investigates families whose children are alleged victims of abuse or neglect, and makes determinations regarding immediate removals and/or court referrals;
- Clinical Health Services provides medical and behavioral health screenings prior to placement and expert consultation in health, residential treatment, developmental disabilities, and 24/7 on-call support for medical and mental health services;
- Nurse Care Management supports a cadre of nurse care professionals to support the medical needs of children in care; and
- **Healthy Horizons Clinic** provides medical health screenings prior to placement and expert consultation in health, residential treatment, developmental disabilities, and 24/7 on-call support for medical services.

**Adoption and Guardian Subsidy** – supports families caring for children and providing a long-term permanent placement for children.

This division contains the following 3 activities:

- Adoption and Guardianship Subsidy provides financial assistance services to eligible relatives and adoptive parents so that they can maintain children in permanent homes;
- **Guardianship Subsidy** provides financial assistance services to eligible relatives and non-family caregivers so that they can maintain children in permanent homes; and
- **Grandparent Subsidy** provides financial assistance services to eligible grandparents so that they can maintain children in permanent homes.

**Policy and Planning** – serves as the "state-level" function for District child welfare and supports CFSA's policy development, planning and data analysis, Fair Hearings, D.C. Child Protection Register, quality assurance, and training functions. In addition, Policy and Planning licenses group homes and independent living facilities that provide services to youth.

This division contains the following 3 activities:

- **Policy** develops agency policy and provides review, interpretation and decision-making services to the Director and staff so that they can make decisions consistent with best practices and with statutory and regulatory requirements;
- **Planning and Data Analysis** provides reporting, data analysis, technical assistance, and research services to the agency and external stakeholders in order to facilitate short and long-term agency strategic planning; and
- Quality Assurance provides assessment, monitoring, and recommendation services to CFSA staff and key stakeholders to improve child welfare practice. In addition, Quality Assurance is responsible for facilitating qualitative review processes such as child fatality reviews and quality service reviews in order to identify areas of strength and need in line with best practices and child welfare standards.

Clinical Practice (Well Being) – provides comprehensive well-being services for children in CFSA's care, including educational services, liaisons for substance abuse and domestic violence services, and day care. This division is responsible for implementing CFSA's trauma-informed practice.

**Community Partnerships** – forges community partnerships and supports community-based programs and strategies designed to strengthen families and promote safety and stability for these families as well as at-risk children.

This division contains the following 3 activities:

- Community Partnership Services provides staffing support and oversight of community-based prevention, supportive and after-care services to families and at-risk children in their homes, maximizing the use of informal and formal support systems;
- **In-Home** serves families in-home through social work units co-located with community partners to provide community-based family supportive services; and
- **Prevention Services** provides direct community-based prevention, supportive and after-care services to families and at-risk children in their homes, maximizing the use of informal and formal support systems.

**Agency Management** – provides for administrative support and the required tools to achieve operational and programmatic results. This division is standard for all agencies using performance-based budgeting.

**Agency Financial Operations** – provides comprehensive and efficient financial management services to, and on behalf of, District agencies so that the financial integrity of the District of Columbia is maintained. This division is standard for all agencies using performance-based budgeting.

The Contractual Services budget in the Policy and Planning division will decrease by \$18,000 in Private Donation funds.

**Enhance:** CFSA will receive several Local fund enhancements in FY 2020. The Community Partnerships division will receive \$4,741,986, which will be used to support the D.C. Families First Prevention Service Act (D.C. Families First). Families First covers a range of activities and programs provided by child welfare agencies. One focus is on prevention activities to provide targeted, evidence-based services to qualified families that, without services, would be at risk for foster care placement. This comprehensive family strengthening and stabilization plan strives to reduce the number of children who are abused and neglected.

The Agency Programs division will receive \$4,634,535 to support placement activities for youth in foster care. In addition, the Agency Management division will receive \$615,465 to support the Comprehensive Child Welfare Information System (CCWIS). This case management system is designed to support child welfare program needs, capturing the entire welfare process from initial reporting to the exit and post exit of the child/adult from agency services.

CFSA is projecting to receive an increase of \$4,514,898 in matching Federal Grant funds, as a result of increased Local resources dedicated to CCWIS and child placement.

#### **District's Approved Budget**

**Enhance:** The approved Local funds budget for CFSA will reflect enhancements across multiple divisions and activities. A one-time enhancement in the amount of \$510,000 will be allocated to the Community Partnerships division. Of this amount, \$200,000 will be used to support targeted legal interventions, \$160,000 will support parenting group sessions and home visiting, and \$150,000 will support programs to improve fathers' parenting skills. The Adoption and Guardian Subsidy division will receive \$503,000 and 1.0 FTE to support the Close Relative Caregiver Subsidy Pilot Program Establishment Act of 2019. The Policy and Planning division will increase by \$442,426 and 5.0 FTEs to provide additional support for the School Safety Omnibus Amendment Act of 2019.

CFSA will receive \$332,554 to support salary and fringe benefits for an additional 3.0 FTEs in the Community Partnerships division, and the Community Services division will receive \$250,000 in one-time funding to support the Safe Shores contract, which, in part, provides intervention, hope and healing for children and families affected by abuse. A one-time enhancement will be made to the Agency Programs division in the amount of \$150,000. These funds will support youth aged 11-24 that are survivors and are at risk of becoming victims of sex trafficking.

**Reduce:** A Local funds reduction of \$785,479 will be made to the Fringe Benefits rate across multiple divisions. A reduction of \$1,336,258 will be made to Subsidies and Transfers in the Community Partnerships division. This amount includes a reduction of \$1,000,000 to Families First D.C. and \$336,258 from nonpersonal services.

### **FY 2020 Approved Budget Changes**

The Child and Family Services Agency's (CFSA) approved FY 2020 gross budget is \$220,273,172, which represents a 1.8 percent decrease from its FY 2019 approved gross budget of \$224,278,974. The budget is comprised of \$160,314,620 in Local funds, \$57,159,318 in Federal Grant funds, \$4,560 in Private Donations, \$1,000,000 in Special Purpose Revenue funds, and \$1,794,673 in Intra-District funds.

#### **Recurring Budget**

The FY 2020 budget for CFSA includes a reduction of \$5,455,000 across multiple divisions to account for the removal of one-time funding appropriated in FY 2019. The amount is comprised of \$2,000,000 to support the Comprehensive Child Welfare Information System, \$2,000,000 to support the costs associated with a reduced cost allocation plan, \$1,105,000 to support specialized modalities services, \$250,000 to support the Safe Shores contract, and \$100,000 to support legal services for families at risk of having a child removed from their home.

#### Mayor's Proposed Budget

**Increase:** The Child and Family Services Agency's proposed Local funds budget submission includes a proposed increase of \$3,250,219 across multiple divisions. This adjustment will bring the projected expenditures for salaries, Fringe Benefits and Overtime Pay in line with historical spending. A one-time increase in the amount of \$2,000,000 in Local funds across multiple divisions will be used to support Indirect Cost Recovery expenditures. The Agency Management division will increase by \$575,448 in Local funds primarily to account for the fixed cost estimates for Energy and Rent.

**Decrease:** A Local funds savings of \$11,353,474 has been identified across multiple divisions in nonpersonal services. This savings includes adjustments to direct services through a process of identifying efficiencies in placement contracts and services.

The proposed budget submission for Federal Grant funds includes a reduction of \$114,674 in personal services costs for salaries and Fringe Benefits across multiple divisions. Also, in Federal Grant funds, a decrease of \$575,448 in the Agency Management division is primarily due to the fixed costs estimate for Energy; and a decrease of \$6,888,000 aligns the budget with projected grant awards, most notably from Title IV-E foster care revenue.

### **Agency Performance Plan\***

The Child and Family Services Agency (CFSA) has the following strategic objectives for FY 2020:

### **Strategic Objectives**

Strategic Objectives describe what the agency will do, at a high level, to achieve its mission. These are action-based sentences that define what an agency does for its customers, whether the customers are residents or other District agencies, and how that improves the District.

#### **Objectives**

- 1. Exit to Positive Permanency Every child and youth exits foster care as quickly as possible for a safe, well-supported family environment or life-long connection. Older youth have the skills for successful adulthood.
- 2. Narrowing the Front Door Children will have the opportunity to grow up with their families and are removed from their families only when necessary to keep them safe.
- 3. Ensure Child Well Being Every child is entitled to a nurturing environment that supports healthy growth and development, good physical and mental health, and academic achievement.
- 4. Foster Care is a Temporary Safe Haven Foster care is a temporary safe haven, with planning for permanence beginning the day a child enters care.
- 5. Create and maintain a highly efficient, transparent, and responsive District government.

### **ACTIVITIES**

Activities include the work that happens on a daily basis to help achieve the Strategic Objectives. Activity names come from the budget line items. This is further divided into "daily services" (ex. sanitation disposal), and long-term "key projects" that are high profile, one-time and span several years, (ex. redevelopment of Walter Reed Army Medical Center). Many agencies will mostly have daily services, whereas some agencies that have more of their budget come from capital funding will have several key projects.
