Program Description

The Tax Increment Financing Program operates through the following program:

Tax Increment Financing – provides budget authority pursuant to the Tax Increment Financing Act of 1998, which established a TIF program to support economic development projects that would not be developed "but for" public financial assistance. The initiative was reauthorized by the Tax Increment Financing

Reauthorization Act of 2002 and the Tax Increment Financing Reauthorization Amendment Act of 2017. In addition, the District Council approved other project-based tax-supported revenue bonds, including Tax Increment Financings, outside the scope of the TIF Act.

This program contains the following 6 projects:

- **Gallery Place** – a mixed-use project that opened in the summer of 2004 and has an estimated debt service payment of \$4,315,000;
- **The Mandarin Oriental Hotel** – opened in March 2004 and has an estimated debt service payment of \$4,504,125;
- **Verizon Center** – funded arena improvements to be repaid using an incremental tax of 4.25 percent on merchandise and tickets sold at the venue, with an estimated debt service payment of \$3,622,503;
- **City Market at O Street** – a mixed-use development project under construction that has an estimated debt service payment of \$2,643,720;
- **Special Retail and Great Streets** – smaller TIF financings issued under a special retail TIF program in the downtown area and retail or mixed-use projects located in Great Streets areas. Estimated debt service for debt issued under these programs is \$947,679; and
- **Convention Center Hotel** – the project opened in May of 2014 and has an estimated debt service of \$9,009,494.

In addition, the budget includes estimated debt service for the following projects expected to be under construction during FY 2019:

- **Skyland** – a mixed-use development project with an estimated debt service payment of \$925,000 to be paid from capitalized interest;
- **Bryant Street** – a residential/retail development project with an estimated debt service payment of \$1,440,000 to be paid from capitalized interest; and
- **Union Market** – a multi-phased, mixed-use development with an estimated debt service payment of \$2,472,000 to be paid from capitalized interest.

For certain projects, a revenue contingency totaling \$30,497,596 is budgeted if projected revenues are higher than minimum debt service payments, in accordance with the bond agreements. Depending on the structure of bond documents, such additional revenues may be used to pre-pay principal on TIF financings, reserved for future debt service payments, or returned to the District's General Fund. For FY 2019, the District is expected to be entitled to refunds from the Gallery Place and Mandarin bond trustees totaling \$9,321,465. This is the amount by which estimated tax increments from the Gallery Place and Mandarin projects exceed scheduled bond debt service. The District also expects to be entitled to \$1,000,000 from the Convention Center Hotel project in accordance with bond agreement provisions on distributing excess revenues. The transfer of these excess revenues to the General Fund will be funded within the revenue contingency budget.

Program Structure Change

The Tax Increment Financing (TIF) Program has no program structure changes in the FY 2019 proposed budget.
