General Instructions

Declaration of Estimated Franchise Tax for Unincorporated Businesses

Who must file a Form D-30ES?

An unincorporated business must file a declaration of estimated franchise tax if its District of Columbia (DC) franchise tax liability is expected to exceed \$1,000 for the taxable year.

Applying an overpayment from your prior DC Unincorporated Business franchise tax return.

You can apply the full amount of any overpayment of tax from your prior year's DC unincorporated business franchise tax return to the first payment of your estimated tax.

Could you be charged a penalty or fee?

If you underestimate your tax, you will be charged an underpayment penalty on the unpaid amount of tax at a rate of 10% per year compounded daily, unless your withholdings, credits and estimated tax payments equals:

- At least 90% of your 2015 unincorporated franchise tax; or
- 110% of your 2014 DC unincorporated franchise tax for a 12-month period.

What if your estimated tax liability changes during the year?

If initially you are not required to file a declaration voucher but later in the taxable year your estimated unincorporated franchise tax liability for the year increases to an amount greater than \$1,000, begin filing a declaration voucher. Use the next available voucher. See **“When are the declaration vouchers due?”** on page 3 for the due dates. If your estimated tax liability changes substantially, adjust the next payments accordingly.

Extension of Time to File a DC Franchise or Partnership Return (FR-128)

An extension of six months to file a franchise tax return may be granted if a valid extension of time to file is requested. In order to be valid, form FR-128 must be filed by March 15, 2015. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day.

Extension for combined reporting filers. Effective for tax years beginning after December 31, 2010, a calendar or fiscal year taxpayer that is a member of a combined group and that must report income derived from the activities of that group in a combined report, shall receive a 7-month extension. This extension applies to all final zero returns.

The submission of the extension of time to file form is subject to the following considerations:

1. If you expect to have a balance due when you file your D-30, **you must pay with your timely filed extension application.**
2. If you do not expect to have a balance due when you file your D-30, you are not required to file a Form FR-128, if you have:
 - a. Correctly estimated your D-30 tax liability and paid the estimated amount of DC franchise tax through estimated tax payments; and

- b. Filed a request to extend the time to file your federal tax return with the IRS. The timely filed federal extension to file form will satisfy the requirement for filing a Form FR-128 with DC.
- 3. If you do not expect to have a balance due and you have not filed an extension of time to file for your federal return and wish to request an extension for your DC franchise tax return, you should submit a Form FR-128.

If there is an amount due, the DC Form FR-128 is required to be filed with the payment. Penalty charges are imposed on any tax found owing and not paid on time with the extension request.

When are your vouchers due?

File your vouchers by the following dates:

- **Voucher 1:** April 15, 2015;
- **Voucher 2:** June 15, 2015;
- **Voucher 3:** September 15, 2015; and
- **Voucher 4:** December 15, 2015

Fiscal year taxpayers should file the declaration vouchers by the following dates:

- **Voucher 1:** The fifteenth day of the fourth month of your taxable year;
- **Voucher 2:** The fifteenth day of the sixth month of your taxable year;
- **Voucher 3:** The fifteenth day of the ninth month of your taxable year; and
- **Voucher 4:** The fifteenth day of the twelfth month of your taxable year.

If the due date falls on a Saturday, Sunday, or legal holiday, the voucher is due the next business day.

Filing your return

This booklet has all the vouchers and instructions you will need. It is mailed to each registered taxpayer who filed estimated tax payments in the previous year, except those who file electronically or use a substitute form. It also contains mailing labels. You are responsible for filing and submitting the amount due on time whether or not you receive the printed forms.

• Substitute forms

You may file your DC estimated tax payment for unincorporated franchise tax using a computer-prepared or computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Check with the software developer to determine if its form was approved by the DC OTR.

• By mail

If you file using paper, make the check or money order payable to the DC Treasurer. Write your Federal Employer Identification Number (FEIN), D-30ES, and the tax year on the check or money order.

If mailing vouchers send your vouchers and payments to:

Office of Tax and Revenue
PO Box 96020
Washington, DC 20090-6020

Note: Please use the mailing labels provided in this booklet when mailing your vouchers.

• By accessing the DC Electronic Taxpayer Service Center (eTSC)

Unincorporated franchise taxpayers may file and pay the D-30ES by accessing the DC eTSC website. A pre-registration is required. Allow 5-7 business days for processing.

Visit www.taxpayerservicecenter.com for information on completing an eTSC application.

- **Electronic Filing Instructions**

The instructions in this booklet are specifically for filers of paper returns. When you file electronically, note that the instructions may differ. Follow the “on screen” instructions. If you need further explanations, review the instructions in this booklet.

Electronic Payment Options

If your liability is greater than \$5,000 per period, **you shall pay electronically.**

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at www.taxpayerservicecenter.com for instructions for electronic payments. The electronic taxpayer service center (eTSC) does not allow the use of foreign bank accounts.

Payment options are as follows:

- **Electronic check (e-check):** E-check is similar to ACH debit, but it is a one-time transaction where the taxpayer provides the banking

information at the time of payment instead of storing the information. There is no fee for business e-check payments.

- **ACH Credit:** ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer’s bank may charge a fee. The taxpayer directly credits OTR’s bank account. A taxpayer does not need to be eTSC registered to use this payment type, and does not need to access the website.

Note: When making ACH credit payments through your bank, please use the correct tax type code (00260) and tax period ending date (YYMMDD) for unincorporated franchise estimated tax payments.

- **ACH Debit:** ACH debit is for registered eTSC business taxpayers only. There is no fee. Taxpayers’ bank routing and account numbers are stored within the online eTSC account. This account can be used to pay any existing liability. The taxpayer gives OTR the right to debit the money from the bank account.
- **Credit/Debit Card:** The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover ® or American Express®. You will

be charged a fee that is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.

Note: Dishonored payments. Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Note: International ACH Transaction (IAT). Electronic banking rules have changed. Your payment cannot be drawn on a foreign account. You must pay by money order (US dollars) or credit card instead.
